LEASE AGREEMENT
1602 Capitol Ave
Cheyenne, WY 82001

This Lease Agreement (this "Lease") is made and entered into as of October 1, 2024 (the "Commencement Date"), by and between Full Circle Realty, LLC ("Landlord"), and Wagonhound Wine Co ("Tenant").

1. Premises. Landlord leases to Tenant, and Tenant hereby leases from Landlord, upon the terms and conditions in this Lease, that certain property, together with all improvements and fixtures located thereon, located at the north east corner, 1st floor at 1602 Capitol, Cheyenne, Wyoming 82001. Such property, together with all improvements and fixtures now or hereafter located upon it, including the existing building consisting of a designated portion of the main floor of the building, shall be referred to as the "Premises."

2. Term.

(a) This Lease shall commence on the Commencement Date and shall continue until April 1, 2026. The period from the Commencement Date until the expiration of this Lease shall be referred to as the "Term." Both Tenant and Landlord must agree to any additional lease terms after the initial term.

(b) Tenant agrees on the last day of the Term, any extension thereof, or upon any earlier termination of this Lease, to surrender the Premises to Landlord, together with all improvements and fixtures installed thereon, in the same condition as when received, reasonable wear and tear or damage by fire, act of God or by the elements excepted, and to remove all of Tenant's signs, trade fixtures and other personal property from the Premises.

3. Base Rent. Tenant shall pay to Landlord an initial monthly base rent ("Base Rent") of \$1500/month, which shall be due and payable on the first business day of each month thereafter during the Term of this Lease.

4. Utilities and Fees. Landlord shall pay for all gas, electric, heat, light, and power other services supplied to the Leased Premises, together with any taxes thereon.

Landlord shall be responsible for all water and sewer connections and services associated with Tenant's use of the Leased Premises. Landlord with also pay for trash collections unless current usage is increased in which case the Tenant shall pay for additional trash services.

5. Use and Occupancy. Tenant shall use the Premises solely for the purposes required of a wine bar and all related and incidental uses, including the sale of alcohol, and no other use shall be permitted without first obtaining the Landlord's written consent thereto, which consent shall not be unreasonably withheld, conditioned or delayed. Tenant shall comply with and conform to all federal, state and local laws and regulations, and any other requirement or order of any federal, state or local board or authority having jurisdiction over the use or occupancy of the Premises during the Term of this Lease.

No use shall be made or permitted to be made of the Premises, nor acts done, which will increase the existing rate of insurance upon the building located on the Premises, or cause a cancellation of any insurance policy covering said building, or any part thereof, nor shall Tenant sell, or permit to be kept, used or sold, in or about the Premises, any article which may be prohibited by the standard form of fire insurance policies. If Tenant desires to conduct a business which increases the present rate of insurance upon the building over that if Tenant were not conducting such business, Tenant may do so only with the Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed, and upon reimbursement to Landlord of the amount by which the rate of insurance has been increased.

6. Signs. Tenant shall not erect or install any exterior signs or window or door signs, advertising media, or window or door lettering or placards, without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed.

7. Tenant's Trade Fixtures and Personal Property.

(a) On or before the expiration or earlier termination of this Lease, Tenant shall remove all trade fixtures and other personal property of Tenant installed or kept on the Premises. All trade fixtures and other personal property which has not been timely removed by Tenant shall become and remain the property of Landlord. The removal of trade fixtures and other personal property shall at Tenant's sole expense and shall be effected without injury or damage to the Premises. Tenant shall immediately repair, at Tenant's expense and to Landlord's reasonable satisfaction, any injury or damage to the Premises caused by such removal. Should Tenant abandon the Premises, any trade fixtures or personal property belonging to Tenant and left on the Premises shall, at the option of Landlord, if Tenant fails to remove the same within thirty (30) days after written notice from Landlord, be deemed to be abandoned and shall become and remain property of the Landlord.

(b) Tenant shall timely pay all personal property taxes and other taxes levied against Tenant's trade fixtures or other personal property (including but not limited to equipment, supplies, merchandise, inventory and the like) and upon Tenant's business. Tenant shall cause all such taxes to be assessed and billed separately from Landlord's property. If any such property or tax shall be assessed with Landlord's property, Tenant shall, upon Landlord's demand, pay to Landlord the taxes attributable to Tenant's property.

8. Alterations.

(a) Tenant shall make no installations, additions, or improvements in or to the Premises, or structural alterations or changes either to the interior or exterior of the building in which the Premises is located, without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Detailed plans and specifications showing any proposed installations, additions, improvements, alterations or changes, shall be submitted to Landlord for approval upon the application for such consent.

(b) Any approved installations, additions, or improvements, alterations or changes shall be made at the sole cost and expense of Tenant with the consent of Landlord.

(c) All alterations, additions, or improvements which are made in or to the Premises shall be surrendered with the Premises upon the termination of this Lease, unless prior to such termination, Tenant requests, and Landlord gives Tenant, written permission to remove some or all thereof.

9. Repairs. Subject to the representations and warranties made by Landlord in this Lease, Tenant accepts the Premises as being in current condition.

(a) Landlord represents and warrants that the Premises are, as of the date of execution of this Lease, in reasonably good repair and are reasonably fit for Tenant's intended use.

(b) Landlord Repair Responsibility. Landlord shall, at Landlord's sole cost and expense, maintain and repair exterior signage (with the exception of Tenant specific signage), and all doors, doorways, locks, window casements, glazing, plumbing, pipes, electrical wiring and conduits, and heating, ventilating and air conditioning systems (collectively, "HVAC systems"). Landlord shall repair the Common Areas on the Building Site (to the extent maintenance and repair thereof is not the obligation of a specific owner/occupant/tenant pursuant to a separate agreement) and repair and maintain the structural portions of the Leased Premises, including the exterior walls and roof, unless the need for such maintenance and repairs is caused, in part or in whole, by the act, neglect, fault or omission of any duty by Tenant, its agents, servants, employees or invitees, in which case Tenant shall pay to Landlord the actual cost of such maintenance and repairs. Tenant understands the building will be redeveloped in the near future and that no improvements will be made unless it will benefit the redevelopment.

(c) Tenant Repair Responsibility. Tenant shall keep the Leased Premises and every part thereof in good condition and repair. Tenant shall be responsible for the cleanliness of the hallway to the bathrooms and the bathrooms. Tenant shall upon the expiration or sooner termination of this Lease, surrender the Leased Premises (including without limitation, the HVAC systems) to Landlord in good condition and broom clean, ordinary wear and tear and damage resulting from acts of God and not reimbursed by insurance excepted. Any damage to the Leased Premises or adjacent premises caused by Tenant's use of the Leased Premises shall be immediately repaired, to Landlord's satisfaction, at the sole cost and expense of Tenant.

10. Liens.

(a) Tenant agrees to pay promptly for all labor done or materials furnished for any work of repair, maintenance, improvement, alteration, or addition done by Tenant in connection with the Premises, and to keep and to hold the Premises free and clear of all liens or encumbrances that could arise by reason of any such work. If any such lien or encumbrance shall be filed against the Premises, Tenant shall either cause the same to be discharged of record within thirty (30) days after the date of filing, or if Tenant, in good faith, determines that such lien should be contested, Tenant shall furnish such security as Landlord may reasonably require to prevent any foreclosure proceedings against the Premises during the pendency of such contest. If Tenant shall fail to discharge such lien within such period or fail to furnish such security, then, in addition to any other right or remedy, Landlord may but shall not be obligated to discharge the same, either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit in court or by giving security or in such other manner as is or may be prescribed by law. Tenant shall

repay to Landlord on demand all sums disbursed or deposited by Landlord pursuant to the foregoing provisions hereof, including Landlord's costs, expenses, and reasonable attorney's fees incurred by Landlord in connection therewith. Nothing contained herein shall imply any consent or agreement on the part of Landlord to subject Landlord's interest in the property of which the Premises is a part to any liability under any mechanic's lien law or any other encumbrance.

(b) Landlord shall at all times have the right to post and to keep posted on the Premises such notices as provided for under Wyoming Law for the protection of the Premises from mechanic's liens or any other encumbrance.

11. Damage.

(a) In the event the Premises or any improvements thereon are damaged by any fire or other casualty, Landlord shall at Landlord's expense repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect, unless this Lease is terminated in accordance with Section 14(b) or (c) below.

(b) In the event the Premises are damaged or destroyed by fire or other casualty, and the damage or destruction is, to an extent, greater than thirty-three and one-third percent (33-1/3%) of the then replacement cost of the Premises and improvements (exclusive of Tenant's trade fixtures and equipment and exclusive of foundations), then Landlord may elect not to so restore and to terminate this Lease; provided, however, that Landlord shall give Tenant written notice of any election not to restore within thirty (30) days from the date of damage. In the event Landlord elects to give such notice of Landlord's intention to cancel and terminate this Lease, Tenant shall have the right (but not the obligation) within thirty (30) days after the receipt of such notice to give written notice to Landlord of Tenant's intention to repair such damage at Tenant's expense, without reimbursement from Landlord, in which event this Lease shall continue in full force and effect and Tenant shall proceed to make such repairs as soon as reasonably possible. If Tenant does not give such notice within such thirty (30) day period, this Lease shall be canceled and terminated as of the date of the occurrence of such damage.

(c) If at any time during the Term hereof the Premises are totally destroyed from any cause, this Lease shall terminate and the parties hereto shall thereafter be released from all obligations thereafter accruing hereunder. As used herein, "total destruction" means any destruction that renders the Premises totally unsuitable for Tenant's permitted use.

(d) If the Premises are partially destroyed or damaged and Landlord or Tenant repairs or restores them pursuant to the provisions of this Section, the rent payable hereunder for the period during which such damage, repair or restoration continues shall be abated in proportion to the degree to which Tenant's reasonable use of the Premises is impaired. Except for abatement of rent, if any, Tenant shall have no claim against Landlord for any damage suffered by reason of any such damage, destruction, repair or restoration not caused by or otherwise resulting from the negligence of Landlord or Landlord's agents.

(e) If Landlord shall be obligated to repair or restore the Premises under the provisions of this Section and shall not commence such repair or restoration within ninety (90) days after such obligations shall accrue or complete such repair or restoration as soon as reasonably

possible, Tenant may at Tenant's option either undertake at the expense of Landlord the making of any such repair or restoration or cancel and terminate this Lease by giving Landlord written notice of Tenant's election to do so. Any abatement in rent shall be computed as provided in this Section.

12. Landlord's Liability, Landlord's Insurance and Indemnity.

(a) Landlord shall not be liable at any time for any loss, damage, or injury to the property or person of any person at any time occasioned by or arising out of any act or omission of the Tenant, or of anyone holding under Tenant or the occupancy or use of the Premises or any part thereof or the parking lot by or under the Tenant, or directly or indirectly from any state or condition of the Premises or any part during the Term of this Lease.

(b) Commencing on the Commencement Date and during the Term of this Lease, Landlord agrees to take out and maintain a policy of fire and extended coverage insurance on the Premises improvements. Such policy shall contain a replacement cost endorsement. Any policy proceeds shall be used for the repair or replacement of the property damaged or destroyed unless this Lease is terminated under the other provisions hereof.

(c) Notwithstanding anything to the contrary in this Lease and irrespective of any insurance carried by Tenant, except as provided in Section 16(e) below, Tenant agrees to indemnify and hold Landlord and the Premises harmless from any and all damages or liabilities of any nature arising during the Term of this Lease or arising out of or in connection with any operation carried on by Tenant on, or the use or occupancy of, the Premises by Tenant.

13. Tenant's Insurance. Tenant shall carry and maintain, during the entire Term hereof, at Tenant's sole cost and expense, the following types of insurance, in the amounts specified and in the form provided for in this Section:

(a) Broad form comprehensive public liability insurance with limits of not less than General Liability of 1M/Occurrence with a \$2M Aggregate, insuring against any and all liability of the Tenant with respect to the Premises or arising out of the maintenance, use, or occupancy thereof. All such policies of insurance shall name Landlord as an "additional insured", and be for the mutual and joint benefit and protection of the parties. All public liability and property damage policies shall contain a provision that Landlord, although named as an additional insured, shall nevertheless be entitled to recovery under said policies for any loss, injury, or damage to Landlord, its servants, agents, and employees by reason of the negligence of Tenant.

(b) Tenant shall deliver to Landlord either a true and correct copy of each policies evidencing the insurance procured by Tenant, or an original certificate of coverage from each insurance company issuing Tenant's insurance, which certificates shall, among other things, designate the company writing the same, the number, amount, and provisions thereof. Upon Landlord's written request, duplicate copies of such certificates of insurance shall be delivered to Landlord's mortgagees.

(c) All insurance policies shall contain a provision that such policies shall not be canceled or terminated without thirty (30) days' prior written notice from the insurance company to Landlord. Tenant agrees that on or before ten (10) days prior to expiration of any

insurance policy, Tenant will deliver to Landlord written notification in the form of a receipt or other similar document from the applicable insurance company that said policy or policies have been renewed, or deliver certificates of coverage from another acceptable insurance company for such coverage.

(d) Landlord and Tenant each hereby releases the other and its agents, employees, partners, members, shareholders, officers and directors from any claims or actions for any damage to the Premises or the personal property, fixtures or equipment located in or on the Premises that are caused by or result from risks insured under any insurance policies maintained or required to be maintained by the releasing party under the terms of this Lease or in force at the time of any such damage. Landlord and Tenant shall each procure an appropriate clause, in, or an endorsement on, any policy of fire or extended coverage insurance covering the Premises or the personal property, fixtures, and equipment located in or on the Premises, pursuant to which the insurance companies waive subrogation or consent to a waiver of right of recovery against the other party, and Landlord and Tenant each does hereby agree that it shall not make any claim against or seek to recover from the other party any loss or damage to its property, resulting from fire or other hazards covered by (or required to be covered by) such fire and extended coverage insurance.

14. Taxes. Landlord shall be responsible for, and promptly pay when due, any and all real property taxes assessed against the Leased Premises, and Tenant shall be responsible for, and promptly pay when due, all taxes levied and assessed against any personal property installed and/or located about the Leased Premises by Tenant.

15. Eminent Domain and Condemnation. Eminent domain is the right of the people or government to take private property for public use. As used in this Lease, the words "condemned" and "condemnation" are coextensive with such right, and a voluntary conveyance by Landlord to the condemner under threat of a taking under the power of eminent domain in lieu of or after commencement of formal proceedings shall be deemed a taking within the meaning of this Lease. As used in this Lease, the terms "total condemnation" and "total taking" mean the taking of the entire Premises under the power of eminent domain (or a taking of so much of the Premises under such power as to prevent or substantially impair the conduct of Tenant's business thereon). As used in this Lease, the terms "partial condemnation" and "partial taking" mean a condemnation of the Premises other than a total taking as defined in this Lease.

(a) Effect of Total Condemnation/Termination of Leasehold. In the event that there shall be a total taking of the Premises during the Lease Term (or any extension thereof) under the power of eminent domain, this Lease shall terminate as of the date actual physical possession of the Premises is taken by the condemner. All compensation and damages awarded for such total taking shall belong to and be the property of Landlord; provided, however, that Tenant shall be entitled to receive any award made for Tenant's moving and relocation expenses or for the taking of or damage to Tenant's trade fixtures or other personal property and any improvements made by Tenant to the Premises which Tenant would have had, but for the condemnation, the right to remove on expiration or sooner termination of this Lease. On termination of this Lease by a total taking of the Premises under the power of eminent domain, all rentals and other charges payable by Tenant to or on behalf of Landlord under the provisions of this Lease shall be paid up to the

date on which actual physical possession of the Premises shall be taken by the condemner, and the parties hereto shall thereafter be released from all further liability in relation thereto.

(b) Effect of Partial Condemnation/Termination of Leasehold. In the event that there shall be a partial taking of the Premises during the Term (or any extension thereof), this Lease shall terminate as to the portion of the Premises so taken on the date when actual physical possession of said portion is taken by the condemner, but this Lease shall continue in full force and effect as to the remainder of the Premises; provided, that if any portion of the floor area of the Premises is taken, or if any portion of the Premises is taken which would prevent or unreasonably interfere with Tenant's use of, or access to, the Premises, this Lease shall, at Tenant's option, terminate effective as of the date actual physical possession is taken by the condemner, unless Landlord and Tenant agree otherwise in writing. On such partial condemnation as provided in this Section, all compensation and damages awarded for such partial taking shall belong to and be the sole property of Landlord; provided, however, Tenant shall be entitled to receive any award for Tenant's moving and relocation expenses or for the taking of, or damage to, Tenant's trade fixtures or other personal property, and any improvements made by Tenant to the Premises which Tenant would have had, but for the condemnation, the right to remove on expiration or sooner termination of this Lease, and, if this Lease is continued as to the portion of the Premises not condemned, any award made for alterations, modifications, or repairs which may be reasonably required in order to place the remaining portion of the Premises not taken in a suitable condition for the continuance of Tenant's tenancy. On termination of this Lease in whole or in part as herein provided, all rentals and other charges payable by Tenant to or on behalf of Landlord hereunder shall be paid up to the date on which actual physical possession shall be taken by the condemner and, in the event that the Lease is terminated, the parties hereto shall thereafter be released from all further liability in relation thereto. In the event that the Lease is only partially terminated, Tenant shall thereafter be liable only for that portion of rent required for the balance of the Term provided in this Section. In the event Landlord and Tenant are unable to agree as to a fair and reasonable rental during any continuation of the Lease subsequent to a partial condemnation, such issue shall be submitted to and determined by binding arbitration.

16. Assignment and Subletting. Except as provided below with respect to a Permitted Transfer (as defined below), Tenant shall not assign, mortgage, or hypothecate this Lease in whole or in part, nor sublet all or any part of the Premises, without the prior written consent of Landlord in each instance, which consent shall not be unreasonably withheld, conditioned or delayed. This prohibition against assigning or subletting shall be construed to include a prohibition against any assignment or subletting by operation of law. As a condition to its consent, Landlord may require Tenant to pay all expenses in connection with the assignment, including but not limited to reasonable attorneys' fees and other professional expense, and Landlord may require Tenant's assignee to assume in writing the obligations of Tenant under this Lease. Any consent by Landlord to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. If this Lease is assigned, or if the Premises or any part thereof be sublet or occupied by anybody other than Tenant, Landlord may collect rent from the assignee, subtenant, or occupant, and apply the net amount collected to the rent herein reserved, but no such assignment, subletting, occupancy, or collection shall be deemed a waiver of this covenant, or the acceptance of the assignee, subtenant or occupant as tenant, or a release of Tenant from the further performance by Tenant of covenants on the part of Tenant. Notwithstanding any assignment or sublease, Tenant shall remain fully liable on this Lease and shall not be released

from performing any of the terms, covenants, and conditions of this Lease. Notwithstanding anything contained in this Section 18 to the contrary, Tenant shall have the unrestricted right, without Landlord's consent, to assign this Lease or to sublet the Premises to (a) its parent entity or to any subsidiary or affiliated entity, (b) any entity into which Tenant may merge or to any entity arising out of a consolidation of Tenant with another entity, or (c) an entity acquiring all or substantially all of the assets of Tenant or all of the ownership interest in Tenant (each, a "Permitted Transfer").

17. Termination by Landlord. The occurrence of any of the following shall constitute a default by Tenant under this Lease and shall entitle Landlord, subject to the notice provisions set forth below, to terminate this Lease:

(a) Any voluntary or involuntary petition to have Tenant adjudicated a bankrupt or for reorganization is filed under any of the laws of the United States, if such petition has not been dismissed within 90 days from the date of such filing.

(b) The assets of Tenant or the business conducted by Tenant on the Premises are assumed by any trustee or other person pursuant to any judicial proceedings.

(c) Tenant becomes insolvent or makes an assignment for the benefit of creditors.

(d) Dissolution of Tenant.

(e) Tenant defaults in the payment of any money agreed to be paid by Tenant to Landlord for rent or any other purpose under this Lease, and if such default continues for ten (10) days after written notice to Tenant by Landlord.

(f) Tenant defaults in the performance of any other of its agreements, conditions, or covenants under this Lease and such default continues for thirty (30) days after written notice to Tenant by Landlord; provided, that if any such default cannot reasonably be cured within such thirty (30) day period, Tenant shall not be in default hereunder so long as Tenant commences the cure of such default within such thirty (30) day period and thereafter completes the same with due diligence.

Subject to the terms of this Section, Tenant expressly agrees that Landlord may at its election terminate this Lease in the event of the occurrence and continuance of any event of default by Tenant that is not cured within any applicable grace or cure period after giving not less than 15 days' written notice to Tenant, and when so terminated, Landlord may reenter and retake the Premises and pursue all other remedies provided in this Lease or by law.

Upon any re-entry of the Premises by Landlord, Landlord may remove all persons and property from the Premises, storing the personal property in a public warehouse or elsewhere at the cost of, for the account of, and at the risk of Tenant. In the event of any such reentry by Landlord, Landlord may make any repairs, additions, or improvements in, to or upon the Premises which may be necessary or convenient; provided, however, that Landlord shall be entitled to recover from Tenant the expense of said repairs or alterations only to the extent necessary to restore the Premises to their condition on the commencement of the Term of this Lease, reasonable wear and tear and

damage by fire or other casualty excepted. In such instance, this Lease will be terminated, and Landlord will be entitled otherwise to recover all damages allowable under law or this Lease.

Upon Tenant's default that is not cured within any applicable grace or cure period, Landlord may collect by suit or otherwise each installment of rent or other sum as it becomes due hereunder (reduced by any net amounts thereafter received by Landlord through reletting the Premises), together with all costs incurred by Landlord (including court costs and reasonable attorneys' fees) in connection with collecting or enforcing any provision of this Lease, and may enforce, by suit or otherwise, any other term or provision hereof on the part of Tenant required to be kept or performed, it being specifically agreed that all unpaid installments of rent or other sums due Landlord shall bear interest at the highest legal rate from the due date thereof until paid in full.

Landlord's failure to assert any default or breach of covenant on the part of Tenant shall not be, or be construed as a waiver thereof, nor shall any custom or practice which may grow up between the parties during the Term be construed to waive or impair any right of Landlord to insist upon the performance by Tenant of any term, covenant, or condition hereof, or to exercise any rights given him on account of any such default. A waiver of a particular breach, or default, shall not be deemed to be a waiver of the same or any other subsequent breach or default. The acceptance of rent hereunder shall not be, or be construed to be, a waiver of any term, covenant, or condition of this Lease.

The rights, powers, elections, and remedies of the Landlord contained in this Lease shall be construed as cumulative and no one of them is or shall be considered exclusive of the other or exclusive of any rights or remedies allowed by law, and the exercise of one or more rights, powers, elections, or remedies shall not impair Landlord's right to exercise any other.

If Tenant shall be in default, Landlord may, but shall not be obligated so to do, perform any such obligation of Tenant and in exercising any such right pay necessary and incidental costs and expenses in connection therewith. All sums so paid by Landlord, together with interest thereon at the rate of twelve percent (12%) per annum, shall be deemed additional rent and shall be payable to Landlord with the next installment of rent.

18. Waiver of Landlord's Lien. Landlord hereby waives any and all constitutional, statutory and common law liens and security interests, and any rights of distraint, with respect to Tenant's property. This Lease does not grant a contractual lien or any other express or implied security interest to Landlord with respect to Tenant's property.

19. Release of Landlord After Sale. In the event of a sale or conveyance by the Landlord of the Premises or any property containing the Premises, Landlord shall be released from any future liability upon any of the covenants or condition, expressed or implied, in favor of Tenant, provided that the successor-in-interest of Landlord expressly assumes all of Landlord's obligations hereunder in writing, and in such event, the Tenant agrees to look solely to the responsibility of the successor-in-interest of Landlord in and to this Lease.

20. Landlord's Right to Inspect. Landlord shall be entitled, at all reasonable times and upon reasonable advance notice, to go on the Premises for the purpose of inspecting the Premises, or for the purpose of inspecting the performance by Tenant of the terms and conditions of this

Lease, or for the purpose of posting and keeping posted thereon notices of non-responsibility for any construction, alteration, or repair thereof, as required or permitted by any law or ordinance; provided, that in no event, however, shall Landlord in any way interfere with or obstruct Tenant's normal business operations in the Premises.

21. Subordination and Attornment. Tenant agrees that this Lease shall be subject and subordinate to any mortgage or trust deed that now is or hereafter may be placed upon the Premises or upon the real property of which the Premises are a part, and to any and all advances to be made thereunder, and to the interest thereon, and to renewals, replacements, and extensions thereof on the condition that, so long as Tenant is not in default hereunder, the holder of such mortgage or deed of trust shall not terminate this Lease or disturb Tenant's possession of the Premises upon any foreclosure of such mortgage or deed of trust or deed given in lieu thereof. Tenant shall attorn to any purchaser at any foreclosure sale, or to any grantee or transferee of any deed given in lieu of foreclosure. Tenant will, upon written demand of Landlord, execute such instruments as may be required at any time, and from time to time, to subordinate the rights and interests of Tenant under this Lease to the lien of any mortgage or deed of trust at any time placed upon the Premises or upon the real property of which the Premises are a part, so long as the same contains non-disturbance language reasonably acceptable to Tenant. Tenant shall at any time, and from time to time, upon not less than ten (10) days' prior written request by Landlord execute, acknowledge, and deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force and effect (or, if there shall have been modifications, that the Lease is in full force and effect as modified and stating the modification or modifications) and the dates to which the fixed rent and any other charges or payments have been paid in advance. It is expressly understood and agreed that any such statement delivered pursuant to this paragraph may be relied upon by Landlord or any prospective purchaser, mortgagee, assignee of any mortgage, or the trustee or beneficiary of any deed of trust placed upon the Premises or the real property of which the Premises are a part.

22. General Provisions.

(a) No failure by either Landlord or Tenant to insist upon the strict performance by the other of any covenant, agreement, term, or condition of this Lease or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach or of such covenant, agreement, term, or condition. No waiver of any breach shall affect or alter this Lease, but each and every covenant, condition, agreement and term of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach.

(b) Time is of the essence of this Lease, and of each provision.

(c) The time in which any act provided by this Lease is to be done is computed by excluding the first day and including the last, unless the last day is a Saturday, Sunday, or national holiday, and then it is also excluded.

(d) Each and all of the covenants, conditions, and restrictions in this Lease shall inure to the benefit of and shall be binding upon the successors in interest of Landlord and Tenant.

(e) The Lease contains the entire agreement of the parties with respect to the matters covered by this Lease, and no other agreement, statement, or promise made by any party, or to any employee, officer, or agent of any party, which is not contained in this Lease shall be binding or valid.

(f) If any term, covenant, condition, or provision of this Lease is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

(g) Nothing contained in this Lease shall be deemed or construed by the parties or by any third person to create the relationship of principal and agent or of partnership or of joint venture or of any association between Landlord and Tenant, and neither the method of computation of rent nor any other provisions contained in this Lease nor any acts of the parties shall be deemed to create any relationship between Landlord and Tenant, other than the relationship of Landlord and Tenant.

(h) The language in all parts of this Lease shall in all cases be simply construed according to its fair meaning and not strictly for or against Landlord or Tenant. Captions and headings of the sections and paragraphs of this Lease are for convenience of reference only, and the words contained therein shall in no way be held to explain, modify, amplify, or aid in the interpretation, construction, or meaning of the provisions of this Lease. All references to the Term of this Lease or the Lease Term shall include any extensions of such Term.

(i) Should either party commence any legal action or proceeding against the other based on this Lease, the prevailing party shall be entitled to recover from the other party, in addition to any other relief awarded, all costs and reasonable

(j) Attorney's fees as may be incurred. (k) This Lease is not subject to modification except in writing signed by Landlord and Tenant.
