

MEMORANDUM

TO: The Honorable Mayor Patrick Collins and City of Cheyenne Council Members
FROM: Robin Lockman, City Treasurer
DATE: April 7, 2025
SUBJECT: Reappropriation to be considered for approval

On April 14, 2025, the Governing Body will refer a resolution to the Finance Committee seeking to reappropriate funds for the Fiscal Year (FY) 2025 City of Cheyenne budget, in accordance with W.S. §§ 16-4-112 and 16-4-113. Detailed information regarding this reappropriation request is provided below.

COMPENSATION STUDY ADJUSTMENTS

1. The Mayor is seeking approval to allocate funds to implement recommendations from a recent compensation study conducted by the Employer's Council. The study evaluated employee pay levels, benchmarking them against industry standards and market trends to ensure the City's compensation practices are competitive, equitable, and aligned with current labor market conditions. Implementing these recommendations for the final three months of FY 2025 will cost \$106,823 from the General Fund and \$20,941 from non-General Funds.

GENERAL FUND – ADDITIONAL REVENUE AND RESERVES

1. The Police Department is requesting \$3,577 from General Fund reserves to cover the FY 2025 portion of their subscription service for ten Axon Fleet-3 in-car cameras. This includes associated peripheral hardware, software, licensing, and warranties.
2. Planning and Development is requesting \$103,200 from General Fund reserves to fund professional services contracts with Jones Land Surveying (#7916) and Steil Land Surveying (#7971) for county pocket annexations. These funds were originally appropriated in FY 2023 and rolled over into FY 2024 but were inadvertently omitted during the FY 2025 rollover process.

OTHER FUNDS – ADDITIONAL REVENUE AND RESERVES

The City of Cheyenne has received new grants and donations or is reallocating unspent funds from existing grants, which are included in this reappropriation. These funds will support various city projects and initiatives, ensuring efficient use of resources to address community needs.

1. Local and State Grant Fund – new grants received:

- \$3,000 – Visit Cheyenne Marketing Grant for Community Recreation and Events (*partial reappropriation*).
- \$150,000 – Cheyenne Community Recreation District Grant for the construction of a new restroom and concessions building at the Dunbar Field.
- \$280,000 – Cheyenne Community Recreation District Grant for the construction of a new restroom and concessions building at the Dutcher Complex.

2. Law Enforcement Grant Fund – new grants received:

- \$15,000 – Byrne Justice Assistance Grant for Community Policing (*partial reappropriation*).
- \$66,826 – Wyoming Office of Homeland Security Grant for Bomb Team Equipment.

3. Federal Grants Fund – new grants received:

- \$53 – Wyoming Department of Health Community Emergency Medical Services (CEMS) Grant for Cheyenne Fire Rescue (*partial reappropriation*).
- \$421,212 – American Rescue Plan Federal Recovery Funds Grant through the State of Wyoming, for the Van Buren Storm Sewer Interceptor Project.
- \$486,736 – Wyoming Outdoor Recreation Grant, through Wyoming State Parks and Cultural Resources, for Belvoir Ranch Trailhead Phase 1.

Other non-General Fund items being requested:

- 1. Development Impact Fees** – An amount of \$63,075 is being requested to fund the professional conceptual design services contract with Plan One Architects (#8074), for the development of new fire stations #2 and #6. This will be paid for with public safety infrastructure fund reserves.
- 2. Recreation Programs Fund** – The following are new revenue requests pertaining to the Recreation Programs Fund:
 - a. An increase of \$16,500 to the concessions budget is being requested to purchase concession items for resale at the BEAST facility. The funding for this expense will come from the BEAST concessions revenue account. This aligns with the facility's operational model, where concession sales contribute to its self-sustaining financial structure.

- b. An increase of \$3,336 to the recreation supplies budget is being requested to purchase new youth volleyball jerseys. This expense will be covered by revenue generated from volleyball fees.
 - c. An increase of \$24,935 is being requested for the Botanic Gardens to fund the Education, Agriculture, and Trial (EAT) Garden Design Project. The Botanic Gardens will be converting the existing South Community Garden into an EAT garden. This increase will be paid for through the Botanic Gardens' miscellaneous donations account.
 - d. An increase of \$10,345 is being requested from the Botanic Gardens' reserves to cover the City's matching requirement for the EAT Gardening Design Project.
- 3. **Belvoir Recreation Fund** – A funding request of \$394,240 from the Belvoir Recreation Fund reserves is being made to support the professional services contract with TPT Trails, LLC (#7975) for the Belvoir Ranch Phase 2 Design-Build Trail Project. This project aims to further develop the trail system on the Belvoir Ranch, enhancing recreational opportunities and continuing the City's vision for the property as outlined in its master plan.
- 4. **Real Property Revolving Fund** – A funding request of \$42,136 from reserves in the Real Property Revolving Fund is being made to cover infrastructure development expenses for the new gymnastics' facility. These expenses include wireless access points, wireless networking, emergency radio signal testing, fire alarm testing, and the installation of a new lighted sign for the building.
- 5. **One Percent Sales Tax Funds** – The Police Department is requesting \$850,000 from their One Percent Sales Tax Fund reserves for the purchase of new police vehicles.
- 6. **Transportation Planning Fund** – The MPO is requesting \$122,347 for the professional services contract with Kimley Horn & Associates (#8079) to update the Cheyenne Connect 2050 long-range plan. This increase will be paid from the following revenue sources:
 - a. \$110,712 – US Department of Transportation Grant (90.49%)
 - b. \$5,818 – County match (4.755%)
 - c. \$5,818 – City match (4.755%)
