

RESOLUTION NO. _____

ENTITLED: “A RESOLUTION TO TEMPORARILY REDUCE THE MONTHLY PARKING FEE AT THE JACK C. SPIKER PARKING STRUCTURE, EFFECTIVE JULY 1, 2025, THROUGH JUNE 30, 2026.”

WHEREAS, the Jack C. Spiker Parking Structure (the “Spiker Parking Structure”) currently charges a monthly parking fee of \$45.00;

WHEREAS, community members, particularly downtown business owners, have requested a reduction in the monthly parking fee or free parking at the Spiker Parking Structure;

WHEREAS, as of May 1, 2025, the Cox and Spiker Parking Structures have a combined outstanding bond debt of three million twenty-five thousand dollars (\$3,025,000), which is scheduled to be fully retired by the end of Fiscal Year 2028;

WHEREAS, given the outstanding bond debt, offering free parking at the Spiker Parking Structure is not feasible at this time;

WHEREAS, while free parking is not currently feasible, there is interest in increasing the usage of the Spiker Parking Structure by downtown business owners and their employees;

WHEREAS, the Governing Body believes that temporarily reducing the monthly parking fee at the Spiker Parking Structure from \$45.00 to \$30.00, effective July 1, 2025, through June 30, 2026, will help increase usage by downtown business owners and their employees; and

WHEREAS, the purpose of this temporary fee reduction is to assess whether it leads to increased revenue and usage of the Spiker Parking Structure.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING, that the monthly parking fee at the Jack C. Spiker Parking Facility shall be temporarily reduced from \$45.00 to \$30.00, effective July 1, 2025, through June 30, 2026, after which the monthly fee shall revert to \$45.00; and

BE IT FURTHER RESOLVED, that by no later than August 1, 2026, the Parking Administration Manager of the Cheyenne Police Department shall provide a report to the Governing Body on the results of the one-year discounted fee period for the Spiker Parking Structure. The report shall include: (1) the number of permits purchased during the discount period; (2) the number of those permits that remain active as of the date of the report; (3) a comparison of revenue generated during the discount period and the previous five (5) years; and (4) any recommendations for modifying the permit system to better serve the community.
