

MEMORANDUM

TO: Honorable Mayor Patrick Collins and City of Cheyenne Council Members
FROM: Robin Lockman, City Treasurer
DATE: May 19, 2025
SUBJECT: Professional Services Agreement with MHP to Audit Annual Financial Statements

On May 27, 2025, the Governing Body will refer to the Finance Committee a proposed one-year Professional Services Agreement between the City of Cheyenne, the Cheyenne Board of Public Utilities, and McGee, Hearne & Paiz (MHP) LLP to perform the annual audit for fiscal year 2025.

The total cost to the City for the fiscal year 2025 financial and compliance audit is \$88,200, plus \$15,150 for report drafting, for a combined total of \$103,350. This represents an increase of \$10,675 (11.5%) over the fiscal year 2024 audit cost.

If more than three major federal programs are required to be audited, an additional fee of \$3,500 per program will be billed to the City. For fiscal year 2025, MHP anticipates that the City of Cheyenne may have between three and four programs subject to audit. The actual number of programs required will depend on the City's final federal spending for the year.

WHEREAS, the City and the Board require professional services to audit their annual financial statements;

WHEREAS, the Firm is qualified to provide such audits and has previously audited the City and Board for the fiscal year ending June 30, 2024;

WHEREAS, the Firm has submitted a letter dated May 5, 2025, proposing to continue to provide financial and compliance auditing services to the City and Board for the fiscal year ending June 30, 2025, a copy of which letter is attached to this Agreement as Exhibit A;

WHEREAS, Exhibit A allocates fees for the Firm’s proposed services for the City and for the Board;

WHEREAS, the Firm also agrees, at the City’s option, to draft the City’s annual financial and compliance report for an additional fee to be paid by the City; and

WHEREAS, the City and Board desire to employ the Firm subject to the terms and conditions of this Agreement.

NOW THEREFORE, in consideration of the mutual covenants and obligations herein expressed, it is agreed by and between the parties as follows:

1. SCOPE OF SERVICES

The Firm agrees to provide services as described for the above-mentioned project, in accordance with Scope of Services as provided by Exhibit A, which is incorporated by reference and expressly made a part hereof.

2. COMPENSATION

a. In consideration of the services to be performed pursuant to this Agreement, the City and Board agree to pay the Firm the costs set forth in Exhibit A. The Firm shall bill the City and Board separately for each entity’s respective share. Upon acceptance and approval of the work by the City or the Board, the City and the Board respectively shall make payment therefor within 45 days of receipt of said invoice.

- b. With every periodic invoice, the Firm shall provide the City and the Board, respectively, with a written statement of the status of the work with respect to the Scope of Services. The Firm shall maintain records supporting time worked and direct expenses and shall make those records available to the City or Board at their request during normal business hours any time after contract execution and before one year after the date of final payment.
- c. In the event total fees billed by the Firm for a fiscal year to either the City or the Board meet the quoted limits specified in Exhibit A for that fiscal year, and the work required of the Firm for that fiscal year has not been completed, the Firm shall remain obligated to complete said work in its entirety.

3. TERM AND EFFECTIVE DATE

This Agreement shall commence on the date the last required signature is attached hereto and shall continue in full force and effect until the Scope of Services are completed and any documents are submitted to the City or the Board in accordance with Exhibit A, unless this Agreement is earlier terminated pursuant to Sections 19 and 20 herein. This Agreement may be extended upon agreement of the parties.

4. MODIFICATION

Any changes, modifications, revisions, amendments or extensions to this Agreement which are mutually agreed upon by the parties to this Agreement shall be incorporated by written instrument, executed and signed by all parties to this Agreement.

5. INDEMNIFICATION / HOLD HARMLESS

The Firm agrees to indemnify, hold harmless and defend the City or the Board from and against any and all liabilities, claims, penalties, forfeitures and suits, and the cost and expenses incident thereto, including reasonable attorney's fees, which may hereafter arise as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment, or any violation of governmental laws, regulations or orders to the extent caused by (1) the Firm's breach of any term or provision of this Agreement; or (2) any negligent or wrongful act, error or omission by the Firm, or its employees or subcontractors in the performance of this Agreement. The Firm acknowledges that it may incur a financial obligation to the City or the Board pursuant to the terms of this paragraph.

6. GOVERNMENTAL IMMUNITY

The City, the Board, their officials and employees, do not waive their governmental immunity by entering into this Agreement, except to the extent necessary for the parties to pursue a contract action to clarify or enforce the written terms of the Agreement. Furthermore, the City and Board specifically retain all immunities and defenses available to them as sovereign or governmental entities pursuant to Wyo. Stat. § 1-39-101, *et seq.*, and all other relevant state and federal law. Designations of venue, choice of law, enforcement actions, and similar provisions should not be constructed as a waiver of governmental immunity. The parties agree that any ambiguity in this Agreement shall not

be strictly construed, either against or for either party, except that any ambiguity as to governmental or sovereign immunity shall be construed in favor of governmental immunity.

7. **INSURANCE REQUIREMENTS**

The Firm shall provide the City and the Board with proof of the following insurance coverages:

Commercial General Liability Insurance

For claims arising out of bodily injury, illness or death, or from damage to or destruction of property of others, including loss or use thereof, with minimum limits of \$1,000,000 per occurrence, \$2,000,000 aggregate for the entire term of the Agreement.

Business Automobile Insurance

Including owned, non-owned and hired vehicles with minimum limits for bodily injury and property damage of \$1,000,000 per accident for the entire term of the Agreement

If this coverage is provided pursuant to a "claims made" policy:

- a. The Firm shall, concurrently with the execution of this Agreement, provide the City and the Board with a certificate of insurance demonstrating that such coverage is or shall be in effect at the time the Firm begins the provision of services under this Agreement; and
- b. In the event the Firm's services extend into a future policy period, the Firm shall, prior to the policy expiration date, provide the City and the Board with a new certificate of insurance demonstrating that such coverage is or shall be in effect during all periods of time that the Firm will provide services under this Agreement; and
- c. The Firm shall maintain said "claims made" coverage for a period of five (5) years following the last date that the Firm has provided services under this Agreement; and
- d. In the event the Firm or the insurer terminates "claims made" coverage prior to the expiration of the periods provided in subparagraphs a., b., or c. of this paragraph, the Firm shall provide to the City and the Board advance written notification of the termination of said coverage and shall provide the City and the Board with an

endorsement for an extended reporting period (“tail coverage”) which shall be in effect for a period of time not less than five (5) years following the last date that the Firm has provided services under this Agreement.

Additional Insurance Information

The Firm shall name the City and the Board as **an Additional Insured** by endorsement on its insurance policies and shall provide the City and the Board with a copy of the endorsements. This requirement does not apply to workers’ compensation and professional liability insurance policies.

The Firm shall provide the City and the Board with certificates of insurance acknowledging the above-stated coverages prior to beginning any work under this Agreement.

It is understood and agreed that these policies are primary and not contributory. All policies required under this Agreement shall be in effect for the duration of the Agreement. It shall be an affirmative obligation upon the Firm to immediately notify in writing the City and the Board of any fact, circumstance, or occurrence that has resulted in or may result in the cancellation of, or substantive change to any insurance coverage required by this Agreement, and failure to do so shall be construed to be a breach of this Agreement.

If requested by the City or the Board, the Firm shall provide the City or Board, respectively, with copies of insurance policies and/or policy endorsements listing the City and the Board as an additional insured. The City’s or Board’s failure to request or review such policies, endorsements, or certificates shall not affect the City’s or Board’s rights or the Firm’s obligation hereunder.

Any insurance company providing coverage under this Agreement shall have a minimum A. M. Best rating of A- (excellent).

8. **GOVERNING LAW, JURISDICTION AND VENUE**

The construction, interpretation and enforcement of this Agreement shall be governed by the laws of the State of Wyoming. The courts of the State of Wyoming shall have jurisdiction over any action arising out of this Agreement and over the parties, and the venue shall be the First Judicial District, Laramie County, Wyoming.

All parties under contract with City or Board, and their employees and subcontractors, are required to comply with the provisions of the City's and Board's Alcohol and Controlled Substance Policy for drug and/or alcohol usage on City or Board property or other sites occupied by the Firm while performing the duties and responsibilities of the Agreement. It is the responsibility of the Firm to familiarize themselves with the requirements of this policy and to inform all their employees and subcontractors of the requirements and ensure their compliance. If the Firm, their employees or subcontractors are found in violation of this policy, the Agreement may be terminated.

However, nothing shall prevent either the Firm, the City, or the Board from disclosing to others or using in any manner information which either party can show (a) has been published or has become part of the public domain other than by acts of the parties; (b) has been furnished or made known to the parties by third parties without restrictions on its disclosure; or (c) was in either party's possession prior to the disclosure thereof by the parties to each other. No party shall be restricted from releasing information in response to a subpoena, court order, or legal process, but, in the event such disclosure becomes necessary, the disclosing party shall notify the other party of the demand for information at least seven (7) days prior to disclosing such information so that the other party may take any and all steps provided by law to prevent the release of such Information.

FEE PROPOSAL

We recognize that engaging an audit firm is an important investment for the City and the Board. Our goal is to provide timely, quality, and responsive services at a reasonable cost that are competitive with the current market. Our fees, like those of other professional service firms, are based on actual time spent by our people and are measured by standard hourly rates, reflecting the experience level of the professionals assigned to your account.

In estimating our fees, we anticipate receiving the assistance from the appropriate personnel that will allow us to complete our work efficiently. We will meet with you to discuss the assistance to be provided and the timing of when the assistance is to be provided. We anticipate that the appropriate personnel will provide supporting documentation and applicable reconciliations for all sample selections. We will make every effort to minimize time requirements by maximizing the effective use of our personnel and utilizing your personnel whenever possible to render the highest quality service at the lowest possible cost.

Our fees were specifically modified for the following:

Single Audit Programs:

For the City of Cheyenne, the fee also assumes two major programs audited in conjunction with Uniform Guidance. Should more than two programs need audited, an additional fee of \$3,500 per program will be billed.

- For fiscal year 2025, based on our initial major program determination, the City of Cheyenne could have anywhere from 3 to 4 Programs for audit. This *excludes* Programs administered by the Cheyenne Board of Public Utilities. The actual number of Programs required to be audited is fully dependent on final federal spending at the City of Cheyenne. For the purposes of this estimate, we have assumed 3 major Programs for audit. Should more than three Programs need to be audited, an additional fee of \$3,500 per Program will be billed.

For the Cheyenne Board of Public Utilities, the fee assumes one major program, approximately every three years (Assistance Listing No. 66.468 Capitalization Grants for Drinking Water State Revolving Funds). This timing can vary depending on several circumstances, including any changes in Federal risk designations, changes in personnel, and Program spending.

- For fiscal year 2025, we anticipate that the Drinking Water program will be audited. Should more than one program need audited (e.g. Clean Water), an additional fee of \$3,500 per Program will be billed.

Governmental Accounting Standard Board changes from the prior audit cycle:

Our fee also includes an increase in the scope of the audits, due to the required implementation of GASB Statement No. 101, Compensated Absences. This statement is effective for the year ending June 30, 2025.

Additional Unforeseen Changes, including out of scope work

If there are any significant difficulties encountered or accounting, auditing, or regulatory changes that impact the scope of these services, we will discuss with you any proposed fee increase and obtain your approval before we proceed.

Our fees for special requests not directly related to the audit engagement will be based on estimated hours required to complete the special request times our standard hourly rates based on the level assigned to complete such special requests. As the scope of those special requests is unknown, the hours and rates based on level assigned are our best estimate of pricing for the City's and the Board's consideration.

Fees

Based on the historical time and effort as well as the assumptions noted above, our fees are estimated to be as follows:

City of Cheyenne, Wyoming
Financial and Single Audits
for the
fiscal year ending June 30:

2025: \$ 88,200

Cheyenne Board of Public Utilities
Financial and Single Audits
for the
fiscal years ending June 30:

2025: \$ 41,750

In addition, we offer the option of the following additional non-audit service to the City and the Board at the fees quoted below. The City and the Board can decide either now or at a later date whether or not you would like to engage us to perform this additional non-audit service.

City of Cheyenne, Wyoming:

1. Drafting of the City's financial and compliance report, including footnote disclosures and related supplementary information: \$15,150 (2025).

Cheyenne Board of Public Utilities

1. Drafting of the Board's *Annual Comprehensive Financial Report (ACFR)* including footnote disclosures and related supplementary information: \$16,850 (2025).

In summary, we believe that our positive and productive relationship with the City and the Board, our extensive municipal government experience, and our client service and partner active philosophy make our Firm most qualified to continue to meet, and exceed, your financial and compliance auditing service requirements. We appreciate the investment you have made in MHP and we will, in turn, continue to invest considerable resources in order to deliver the high quality, professional services you deserve.

Please sign this contract extension proposal where indicated below, if you agree to extending the financial and compliance auditing services contract between the City of Cheyenne, Wyoming and the Cheyenne Board of Public Utilities and MHP Assurance Services, LLP for the fiscal year June 30, 2025, for the total, all-inclusive maximum fees stated above.

Thank you for your consideration of the contract extension proposal and this opportunity to continue to serve our City.
