
MEMORANDUM

TO: Mayor Patrick Collins, and City Council
FROM: TJ Barttelbort, Purchasing Manager 
DATE: February 4, 2026
SUBJECT: Consideration of Bid #E-12-26 for furnishing One (1) New Recycling Vacuum & High Pressure Water Jet Truck 66K GVWR for the Street and Alley Division

Three (3) bidders responded to this bid, and the bid tabulation is attached.

The Three (3) bids were received from:

1. McCandless Truck Center, LLC
2. Floyd's Truck Center Inc.
3. Kaiser Premier

The bids were reviewed by Bryan Bell (Fleet Maintenance), Bill Gonzales (Street & Alley), Vicki Nemecek (Public Works), and Craig LaVoy (Public Works).

The Bids submitted by McCandless Truck Center, LLC & Floyd's Truck Center Inc, have been rejected, due to the bids not fully meeting the minimum specifications of the Bid. Specifically:

- a. Both vendors (McCandless & Floyd's) provided the same body style for the Sewer Jetter Body, and their proposed option did not meet over 100 of the line item specifications.
- b. There were other Truck specifications that both companies took exceptions to, but not meeting the Sewer Jetter Body specifications were the most substantial.

Their recommendation is to accept the next lowest responsive bid from Kaiser Premier, who submitted the Bid closest meeting the minimum specifications.

The total requested bid award is for **\$848,639.00**.

Funding: 020-26-2616-42-43102 (1% Sales Tax 19-22)
