ORDINANCE NO. _____

ENTITLED: “AN ORDINANCE AMENDING THE OFFICIAL ZONING MAP OF THE CITY OF CHEYENNE, CHANGING THE ZONING CLASSIFICATION FOR LAND LOCATED SOUTHEAST OF THE INTERSECTION OF SOUTH GREELEY HIGHWAY AND EAST DAYSHIA LANE FROM AG - AGRICULTURAL TO BP – BUSINESS PARK.”

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING:

Section 1. That the owner of real property located southeast of the intersection of South Greeley Highway and East Dayshia Lane has applied for a zoning map amendment for said property in accordance with Section 2.2.1, Zoning Map Amendment, of the Cheyenne Unified Development Code (“UDC”).

Section 2. That on February 2, 2026, the City of Cheyenne Planning Commission conducted a public hearing, reviewed the proposed zoning map amendment that is the subject of this ordinance, and recommended approval of said zoning map amendment.

Section 3. That the Governing Body of the City of Cheyenne finds that the zoning map amendment that is the subject of this ordinance meets the criteria specified in Section 2.2.1.d of the UDC.

Section 4. That, in accordance with Section 2.2.1, Zoning Map Amendment, Section 5.1.2, Zoning Districts Established, and Section 5.1.3, Official Zoning Map, of the UDC, the aforementioned zoning map amendment application is hereby approved and the zoning classification of the real property described as Lots 1 and 2, Block 1, Bison Business Park, 5th Filing, Cheyenne, Wyoming, is hereby changed to BP – Business Park.

Section 5. That the City Engineer is hereby authorized and directed to alter and amend the Official Zoning Map as described in Section 5.1.3 of the UDC to comply with the zoning map amendment as described in Section 4 above when this ordinance takes effect in accordance with Section 7 below.

Section 6. Sections, paragraphs, sentences, clauses and phrases of this ordinance are severable. If any section, paragraph, sentence, clause, or phrase of this ordinance is declared unconstitutional, such unconstitutionality shall not affect any of the remaining sections, paragraphs, sentences, clauses, and phrases.

Section 7. That this ordinance shall be in full force and effect upon its approval and publication.

STAFF REPORT

FILE: PUDC-26-4: Bison Business Park, 5th Filing – Zoning Map Amendment (zone change)

REQUEST: A request to rezone approximately 78.86 acres of land from AG - Agricultural to BP Business Park.

LOCATION: South of Dayshia Land and east of South Greeley Highway.

APPLICANT: Lummis Livestock Co. LLC

AGENT: AVI PC

OWNER: Lummis Livestock Co. LLC

ZONING: AG – Agricultural

FUTURE LAND USE: Industrial

PURPOSE: To zone two parcels BP for development.

PREPARED BY: Connor White, Planner II

RECOMMENDED MOTION:

Move to **approve** the rezoning of Bison Business Park, 5th Filing to BP Business Park as shown in the attached zone change map, noting that the project meets the review criteria for approval.

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.2.1 Zoning Map Amendment
- UDC Article 5
- PlanCheyenne

BACKGROUND:

This zone change application proposes changing the zoning from AG Agricultural to BP Business Park for roughly 78.86 acres of land. The land is currently vacant. A BOPU pump station is proposed for Lot 1.

SURROUNDING LAND USE AND ZONING:

	Future Land Use Designation	Zoning District	Land Use
Subject Site	Industrial, Mixed-use Employment, Agricultural / Rural	AG – Agricultural	Vacant
North	Mixed-use Employment	AG – Agricultural	Vacant
South	Agricultural / Rural	LI – Light Industrial	Vacant / Weigh Station
East	Industrial	BP – Business Park	Data Center
West	Agricultural / Rural	County LU – Land Use and County CB – Community Business	Single-family Residential

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

Should the Planning Commission wish to recommend approval of the Zoning Map Amendment, the Commission must make the following findings required in UDC 2.2.1.d. A detailed analysis is below:

1) The application is in accordance with the development policies and physical patterns identified in the Comprehensive Plan. (UDC 2.2.1.d.1)

PlanCheyenne encourages opportunities for a range of industrial employment uses as well as encourages working with community partners such as LEADS. LEADS over sees much of Bison Business Park and these Lots fall within the business park.

The Future Land Use Designation for this property is Industrial. According to the comprehensive plan the optimal City zones for the subject property's future land use designation is any of our industrial or commercial zones. The BP zone is a mix of both our industrial and commercial uses and would be suited for this property.

Based on the policies and future land use map, BP zoning is appropriate at this location.

The proposed zone change **complies** with review criterion 1.

2) The application is compatible with nearby property, specifically considering existing zoning, the Comprehensive Plan, and any other official plans and policies created under the guidance of that plan for these areas; (UDC 2.2.1.d.2)

The proposed BP zone is an extension of the business park that already exists in this area but has not been zoned to BP yet. Part of the business park has been zoned to BP to the east. This area has developed with mostly industrial uses which match the BP zoning. Surrounding this parcel is either vacant land which is part of the business park, a data center or residential across the highway. The BP zone is meant to be a combination of the industrial zones and commercial zone to give business parks flexibility without needing multiple zone changes.

The proposed zone change for the subject property **complies** with review criterion 2.

3) The suitability of the subject property for development according to the standards and uses of the existing zoning district, compared to the suitability of the subject property for development according to the standards and uses of the proposed zoning district (UDC 2.2.1.d.3)

The BP zone provides more flexibility for large sites in terms of landscaping. The current zone of AG is considered a holding zone for the property and should it be developed with industrial or commercial use, it would need to be rezoned.

The proposed zone change **complies** with review criterion 3.

4) The ability of the subject property and surrounding vicinity to be developed according to the Subdivision Standards in Article 4 considering the proposed zoning (UDC 2.2.1.d.4)

No changes to the street network are proposed. Accesses will not be changed with the zone change. Infrastructure (streets and utilities) exist in the area.

The proposed zone change for the subject property **complies** with review criterion 4.

5) The ability of the application to support the Intent and Applicability statements of the proposed zoning district and achieve the Design Objectives of any specific standards. (UDC 2.2.1.d.5)

The Business Park (BP) district is intended to support small and large-scale industrial development while providing essential commercial services along regional transportation routes in an industrial park setting. The district integrates manufacturing, processing, research and development, and shipping activities in addition to retail, dining, and convenience stores to enhance functionality and appeal for businesses and employees.

The BP district is applicable to areas on the edge of the community that are intended to support large-scale industrial, manufacturing, shipping, research and development, and data center uses. The district is typically found close to major transportation routes, making commercial uses appropriate. The district shall contain not less than 320 acres of land (interrupted only by roads, railroads, highways and natural features (such as ridges and waterways). Specifically, large-scale areas within the future land use designations in the comprehensive plan of Community Business, Mixed-Use Employment, and Industrial – including Community/Regional Activity Centers. Areas currently designated Agricultural/Rural (either inside or outside of the Urban Service Boundary) may also be appropriate for this zone district if near to regional transportation routes and if development of the area extends appropriate infrastructure.

The proposed zone is part of the Bison Business Park. This will add to existing BP zoning in the area which already meets the required 320 acres.

The proposed zone change for the subject property **complies** with review criterion 5.

6) The ability of all potential future development to meet all applicable standards for development in the proposed zoning district, including other development options if any specific development proposed in association with the application is not executed after approval. (UDC 2.2.1.d.6)

The BP zone is a mix of the LI, HI and CB zone which allows for many different industrial and commercial uses. The BP zone will allow this property to develop with more uses than what is allowed in the AG zone. The AG zone was meant to be a holding zone for this property until it was ready for development.

The proposed zone change **complies** with review criterion 6.

7) The review and recommendations of other reviewing bodies. (UDC 2.2.1.d.7)

No major comments received in regard to the proposed zone.

The proposed zone change for the subject property **complies** with review criterion 7.

8) Whether the application will harm the public health, safety, or general welfare. (UDC 2.2.1.d.8)

City staff is satisfied that this proposed zone change would not adversely affect the public health, safety, or general welfare.

The proposed zone change for the subject property **complies** with review criterion 8.

CONFORMANCE WITH APPLICABLE PLANS:

The project is located in an area covered by the following plans:

- PlanCheyenne

Conformance with PlanCheyenne is covered by review criterion 1.

PUBLIC NOTICE AND PUBLIC COMMENTS RECEIVED:

Although projects have public notice and the opportunity for public comments, projects are required to be approved or denied based on the review criteria (listed above). Public comments relevant to the review criteria may assist the review and discussion on the application.

The public was given notice of the project in the following ways:

- **Legal Notice** in the Wyoming Tribune Eagle published on January 17, 2026.
- **Posted Notice** Evidence of posted notice was provided showing that the signs were posted on January 22, 2026.
- **Internet Posting** on connect.cheyennecity.org on January 15, 2026.

As of the publication of the Staff Report (January 26, 2026), Staff has received no inquiries or comments from the public on this project. The project page on the website has received 19 views and no comments.

STAFF REVIEW:

Through the review process, review comments were received expressing the appropriateness of the BP zone at this location.

CONCLUSION:

Staff is satisfied that the application meets the review criteria set forth in UDC 2.2.1.(d). The BP zone is appropriate based on the future land use map, surrounding zoning, surrounding development patterns, and proposed development.

ALTERNATIVES:

1. Recommend approval of the zoning amendment as submitted by the applicant (**Staff Recommendation**).
2. Recommend approval of the zoning amendment subject to conditions or modifications.
3. Recommend denial of the zoning amendment based on findings of denial. The Planning Commission must conclude that the project does not meet all the review criteria. As part of the motion, findings for denial must be stated.
4. Postpone the zoning amendment until issues identified during the meeting can be resolved.

General Information Regarding Alternatives:

If the Commission acts contrary to staff's recommendation or modifies conditions of approval, the Commission shall cite specific reasons (based on the review criteria) for approval or denial.

STAFF RECOMMENDATION:

Staff recommends approval of the rezoning of the property from AG to BP.
