MEMO

To: Honorable Mayor Patrick Collins and Members of the City Council
From: Connor White
Subject: PUDC-25-138 County Pocket Annexation #8 – Annexation (or Assigned Zoning)
Date: November 10, 2025

Background:

The item for consideration is an Ordinance. Annexation of County pockets is a 2022 City Council priority. A "County pocket" is an area of unincorporated land 100% surrounded by the City of Cheyenne. A related "Assigned Zoning" pursuant to Unified Development Code (UDC) Section 2.2.8 ordinance is also on the agenda.

The proposed Governing Body review schedule is as follows:

- Introduction and Referral November 10, 2025
- Public Services Committee November 17, 2025
- Second reading November 24, 2025
- Public Services Committee December 1, 2025
- Third and final reading December 8, 2025

This annexation is comprised of 20 properties 100% surrounded by the City (See attached map). Of the 20 parcels, a majority are developed with residential uses, several are developed with commercial uses and others are undeveloped or incorporated into adjacent parcels under similar ownership. The City has maintained contact with the County Planning Office to coordinate any pending permits or development reviews. Currently there are no active permits or development specific to the properties proposed for annexation.

On August 12, 2025, City staff mailed a courtesy notice by first class mail to all landowners included in this annexation area inviting them to a "Question and Answer" on Tuesday August 26, 2025. During the meeting staff provided information regarding trash collection, water and sewer services, continuation of non-conforming uses and what to expect with the annexation. The residents that attended were not apposed to the annexation.

The existing use of any property annexed, including any livestock use, will be allowed to continue as is as a nonconforming use. Nonconforming uses may continue until they are abandoned for a period of 12-months. Residents within pockets have been encouraged to complete a Land Use Documentation form detailing the existing use of the land for documentation purposes. At the time of drafting this memo, two property owner within the area have completed a land use documentation form. Providing a completed form is not required nor does it prohibit a property owner from making future claims that a use was pre-existing. The form is simply a tool to assist future City staff members to determine if a use was in existence at the time of annexation.

City-initiated annexations do not require an owner's signature. To initiate an annexation, the City must adopt a resolution certifying that the annexation complies with Wyoming State Statute § 15-1-402. After the City adopts this resolution, the annexation follows the typical schedule, including a public hearing and the approval of an Ordinance which annexes the land. The Governing Body adopted Resolution No. 6488 initiating this annexation on September 22, 2025.

As with any annexation, City services will be extended to service the land contained in the annexation. City utilities are already located in the vicinity. Police, fire, and sanitation services will be provided. As several parcels of land contained in this annexation area are developed, City sanitation service will need to be established and landowners have been notified of this required change. Infrastructure improvements required related to the annexation are minimal. Future development such as subdivision or new development will require on- and off-site infrastructure improvements. Existing infrastructure will remain as is upon annexation.

The areas proposed for annexation are adjacent to land under City jurisdiction. Development in this area is a natural extension of the City. 100 % of the perimeter of the annexation area is contiguous to City limits.

Due to meeting the review criteria found in Wyoming Statute § 15-1-402 and the annexation conforming with the 2022 City Council goal to annex County pockets, staff recommends approval of this annexation.

Staff Recommendation:

Staff recommends the Governing Body approve the Annexation Ordinance.

- (c) That the annexation of said areas is for the protection of health, safety, and welfare of the persons residing in the areas and the City of Cheyenne;
- (d) That the urban development of the areas sought to be annexed will constitute a natural, geographical, economical and social part of the City of Cheyenne;
- (e) That the areas are a logical and feasible addition to the City and that the extension of basic services such as water and sewer systems, police and fire protection, and other services customarily available in the City of Cheyenne can, within reason, be furnished;

- (f) That the areas are considered contiguous to the City of Cheyenne according to the provisions of Wyo. Stat. § 15-1-402(b) and is currently zoned LU Land Use, MU Mixed-use, and CB Community Business by the Laramie County Commissioners; and
- (g) That the City of Cheyenne does not own or operate its own electrical utility, and its governing body is prepared to designate a utility to serve the annexed areas pursuant to Wyo. Stat. § 15-1-410, and to authorize the designated utility to serve the entirety of the annexed areas.

Section 2. That pursuant to Wyo. Stat. § 15-1-405, the Governing Body held a public hearing on November 10, 2025, on the proposed annexation and found that the annexation complied Wyo. Stat. § 15-1-402.

Section 3. That the map of the areas to be annexed is shown in Exhibit A, which is attached hereto and incorporated herein, satisfies the requirements of Wyo. Stat. § 15-1-406, and shall be recorded with the Laramie County Clerk in conjunction with this ordinance.

Section 4. That all of the real property described in Section 1(b) of this Ordinance is hereby annexed to the City of Cheyenne, Wyoming, and shall become a part thereof.

Section 5. That the City Clerk is directed to file an executed copy of this annexation ordinance with the County Clerk and Ex-Officio Register of Deeds for Laramie County, Wyoming, and shall also notify the City Engineer's Office to add said area to the official City Map of the City of Cheyenne, Wyoming.

Section 6. Sections, paragraphs, sentences, clauses and phrases of this ordinance are severable. If any phrase, clause, sentence, paragraph or section of this ordinance is declared illegal or unconstitutional, such illegality or unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections.

Section 7. That this ordinance shall be in full force and effect upon its publication.

CITY OF CHEYENNE GOVERNING BODY
NOVEMBER 10, 2025
STAFF REPORT

FILE: PUDC-25-138: County Pocket #8 - Annexation

REQUEST: An annexation of 20 properties 100% surrounded by the City.

LOCATION: South of Laramie Street, east of T-Bird Drive, north of East Lincolnway and US 30, and west of Parsons Place.

PURPOSE: Annexation of County pockets is a 2022 City Council priority.

PREPARED BY: Connor White, Planner II

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.4.2 Annexations
- PlanCheyenne

BACKGROUND:

Annexation of County pockets is a 2022 City Council priority. A "County pocket" is an area of unincorporated land 100% surrounded by the City of Cheyenne. City-initiated annexations do not require an owner's signature. To initiate an annexation, the City must adopt a resolution certifying that the annexation complies with Wyoming State Statute § 15-1-402. After the City adopts this resolution, the annexation follows the typical schedule, including a public hearing and the approval of an Ordinance which annexes the land. The Governing Body adopted Resolution No. 6482 initiating this annexation on July 28, 2025.

This annexation is comprised of 20 properties 100% surrounded by the City (See attached map). Of the 20 parcels, a majority are developed with residential uses, several are developed with commercial uses and others are undeveloped or incorporated into adjacent parcels under similar ownership.

Land annexed to the City requires a City zone. An assigned zoning ordinance is accompanying this annexation to assign the MR, MUB and CB zones.

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

To approve the annexation Ordinance, the Governing Body must make the following findings required in WS 15-1-402; a detailed analysis of which is below:

1) An annexation of the area is for the protection of the health, safety and welfare of the persons residing in the area and in the city or town. [WS 15-1-402 (a) (i)]

The annexation of these properties will increase the health, safety, and welfare of the future occupants. By being in City limits, the property will receive access to City Fire and Police and sanitation services. The properties will also have the option of connecting to City water and sanitary sewer instead of having wells and septic systems.

The application **complies** with this review criterion.

2) The urban development of the area sought to be annexed would constitute a natural, geographical, economical and social part of the annexing city or town. [WS 15-1-402 (a) (ii)]

These properties constitute a natural, geographic, economic, and social part of the city. The properties are surrounded by City on all sides. The contiguity to the City and the proximity to surrounding urban-style development makes the parcels a natural geographic part of the City.

The application **complies** with this review criterion.

- 3) The area sought to be annexed is a logical and feasible addition to the annexing city or town and the extension of basic and other services customarily available to residents of the city or town shall, within reason, be available to the area proposed to be annexed. [WS 15-1-402 (a) (iii)]**

The area is a logical and feasible addition to the City due to the reasons previously listed. All City services normally available to residents will also be made available. There are a few properties that are already connected to City water and or sewer within the area to be annexed. Police and fire protection will be extended upon annexation. Utilities exist in the area and will be expanded into the proposed area as they redevelop.

The application **complies** with this review criterion.

- 4) The area sought to be annexed is contiguous with or adjacent to the annexing city or town, or the area meets the requirements of W.S. 15-1-407. [WS 15-1-402 (a) (iv)]**

The area proposed for annexation is 100% contiguous on all sides.

The application **complies** with this review criterion.

- 5) If the city or town does not own or operate its own electric utility, its governing body is prepared to issue one (1) or more franchises as necessary to serve the annexed area pursuant to W.S. 15-1-410. [WS 15-1-402 (a) (v)]**

Utility franchises are in place to serve the annexed area.

The application **complies** with this review criterion.

- 6) The annexing city or town, not less than twenty (20) business days prior to the public hearing required by W.S. 15-1-405(a), has sent by certified mail to all landowners and affected public utilities within the territory and by first class mail to any persons owning property that is adjacent to or within three hundred (300) feet of the territory proposed to be annexed, regardless of whether the property is inside or outside the corporate limits of the annexing city or town and regardless of whether the city or town is exercising authority under W.S. 15-3-202(b)(ii), a summary of the proposed annexation report as required under subsection (c) of this section and notice of the time, date and location of the public hearing required by W.S. 15-1-405(a). [WS 15-1-402 (a) (vi)]**

A certified mailing was made to the landowners and public utilities on October 9, 2025. Neighbors within 300' were mailed first-class letters the same day. The public hearing for this annexation is scheduled for November 10, 2025. Twenty (20) business days (on the City's calendar) prior to the announced public hearing is October 13, 2025. The earliest confirmation of delivery was dated October 11, 2025.

The application **complies** with this review criterion.

CONFORMANCE WITH APPLICABLE PLANS:

The project is located in an area covered by the following plans:

- Plan Cheyenne

The Future Land Use Map of PlanCheyenne, as updated by Connect 2045, anticipates this area of the community to develop with Urban Residential uses and a little bit of Mixed-use Commercial uses. These areas are expected to develop with full access to urban services – such areas are best served by being within City limits. The area is within the Urban Service Boundary.

STAFF REVIEW:

Through the review process, no comments were received.

CONCLUSION:

Staff is satisfied that the application meets the review criteria and therefore recommends approval of the annexation.

The proposed annexation is a natural extension of the City, is contiguous to the current City limits, and most services typically available to urban areas are available to be extended to this property.

STAFF RECOMMENDATION:

Staff recommends approval of the annexation.
