
MEMORANDUM

TO: Mayor Patrick Collins, and City Council
FROM: TJ Barttelbort, Purchasing Manager 
DATE: October 22, 2025
SUBJECT: Consideration of Bid #E-7-26 for furnishing One (1) New 2025-2026 3/4 Ton, Crew Cab, Full Size Pickup Truck, 4 X 4 with a 6.75 FT Box

Two (2) bidders responded to this bid, and the bid tabulation is attached.

The Two (2) bids were received from:

1. Fremont Motor Company
2. Ken Garff Cheyenne

The bids were reviewed by Bryan Bell (Fleet Maintenance), Andrew Dyskhorn (CFR), Neil Durante (CFR), and Ryan Anderson (CFR).

The Bid submitted by Ken Garff Cheyenne has been rejected, due to the bid not meeting the minimum specifications of the Bid. Specifically:

1. Did not provide Nederman Vehicle Exhaust System Sensor and Transmitter. (Safety/Misc, #8)
2. Did not circle a response to installing an MSA Hub, and 2 Motorola Radios (Safety/Misc, #9)

Their recommendation is to accept the next lowest responsive bid from Fremont Motor Company.

The total requested bid award is for **\$102,083.00** which includes acceptance of the Trade-In offer.

Memorandum 2025-10-22

To: Mayor Patrick Collins and Members of the City Council
From: Fire Chief Andrew Dykshorn
Date: October 22, 2025
Subject: Request for Consideration of Bid – Battalion Chief Vehicle Replacement

Dear Mayor and Council Members,

I am writing to respectfully request your consideration of a bid for the procurement of a new Battalion Chief vehicle for the Fire Department.

The current vehicle assigned to the Battalion Chief of Support has exceeded its recommended front-line service life and is increasingly requiring maintenance that impacts operational readiness and incurs additional costs. As this vehicle serves a critical role in incident command and rapid response, ensuring its reliability is essential to maintaining the safety and efficiency of our emergency operations.

We have solicited bids for a suitable replacement that meets the operational needs of the department, including enhanced communications capabilities, storage for command equipment, and improved safety features. The recommended bid offers the best value in terms of cost, durability, and functionality. The funding for this request will come from our Fire Operations General Fund Vehicle line item and the remainder from our 2023-2026 fifth penny allowance. The expected delivery is 4-6 months.

I respectfully request approval for the proposed bid from Fremont Motors for \$102,083.00 to ensure continued support for our frontline leadership and emergency response capabilities. I am available to provide further details or answer any questions you may have regarding this request.

Thank you for your continued support of Cheyenne Fire Rescue and our mission to protect the community.

Sincerely,

Andrew Dykshorn
Fire Chief
