Please explain your interest in serving on this Board/Committee/Commission	I have served on the Planning Commission since September 13, 2021, completing one partial and one full 3-year term. During that time, I have seen the staff of the Planning Department and the Planning Commissioners review and recommend many proposals and projects that have facilitated Cheyenne's growth and improved its living conditions. I very much want to remain with the Commission for another term to participate in the effort to further develop the city.

Please explain your interest in serving on this Board/Committee/Commission

I would like to continue advocating through education for the concerns of people with disabilities, including accessibility to public venues, ADA parking, sidewalks, infrastructure and on-going projects with the City of Cheyenne. By working with various departments such as Engineering, Community Recreation and Events, Planning and Development, and Transit, as well as the DDA, the Airport Board, the MCPD has successfully collaborated on safer transportation of all types, better access to public entities and restrooms, and provided input on new builds and projects, making Cheyenne accessible to people of all abilities. The MCPD is also planning on hosting the second Safety Symposium in 2026, and it would be a privilege to be a part of that.

Other City or community volunteer experience

I have volunteered at both St. Paul's and Ascension Lutheran Churches, Family Promise, The Greater Cheyenne Chamber of Commerce, Kiwanis, Rotary, and COMEA. I also served with a number of boards in Gillette, WY.COMEA,
