TO: Honorable Mayor Patrick J. Collins
Members of the City Council

FROM: Thomas D. Cobb, PE, City Engineer

SUBJECT: **Memorandum of Understanding Between the City of Cheyenne and Frog Creek Partners (FCP), LLC**

Please find attached the proposed Memorandum of Understanding between City of Cheyenne and Frog Creek Partners (FCP), LLC a Wyoming Limited Liability Corporation being initiated by the City Engineering.

Reason for Agreement:

The City of Cheyenne has formally committed to the Clean Crow Creek Initiative through the adopting of Resolution No. 6420 on August 12, 2024. The resolution underscored the commitment of the Governing Body for the City to enhance the environmental integrity of Crow Creek. Furthermore, the Wyoming Department of Environment Quality has listed Crow Creek on the impaired streams list.

The agreement was initiated due to the generous donations of local corporate businesses which have provided for the purchase and maintenance of multitude of Gutter Bin® stormwater filtration systems from Frog Creek and for installation within the City's contributory watershed basins.

The purpose of this MOU is to define the responsibilities of each party associated with the installation and maintenance of the Gutter Bins installed within the City of Cheyenne.

Cost and Funding:

The MOU will have no direct impact on the current or proposed City of Cheyenne Budget.

Term:

This MOU agreement will terminate on December 31, 2035.
