26. The Landlord will not supply any chattels.

Utilities and Other Costs

27. The Tenant is responsible for the direct payment of the following utilities and other charges in relation to the Premises: electricity, natural gas, water, sewer, telephone, internet and cable.
28. The Tenant will also directly pay for the following utilities and other charges in relation to the Premises:

Insurance

29. The Tenant is hereby advised and understands that the personal property of the Tenant is not insured by the Landlord for either damage or loss, and the Landlord assumes no liability for any such loss. The Tenant is advised that, if insurance coverage is desired by the Tenant, the Tenant should inquire of Tenant's insurance agent regarding a Tenant's policy of insurance.
30. The Tenant is responsible for insuring the Landlord's contents and furnishings in or about the Premises for either damage and loss for the benefit of the Landlord.
31. The Tenant is responsible for insuring the Premises for damage or loss to the structure, mechanical or improvements to the Building on the Premises for the benefit of the

Tenant and the Landlord. Such insurance should include such risks as fire, theft, vandalism, flood and disaster.

32. The Tenant is responsible for insuring the Premises for liability insurance for the benefit of the Tenant and the Landlord.

Abandonment

33. If at any time during the Term, the Tenant abandons the Premises or any part of the Premises, the Landlord may, at its option, enter the Premises by any means without being liable for any prosecution for such entering, and without becoming liable to the Tenant for damages or for any payment of any kind whatever, and may, at the Landlord's discretion, as agent for the Tenant, relet the Premises, or any part of the Premises, for the whole or any part of the then unexpired Term, and may receive and collect all rent payable by virtue of such reletting, and, at the Landlord's option, hold the Tenant liable for any difference between the Rent that would have been payable under this Lease during the balance of the unexpired Term, if this Lease had continued in force, and the net rent for such period realized by the Landlord by means of the reletting. If the Landlord's right of reentry is exercised following abandonment of the premises by the Tenant, then the Landlord may consider any personal property belonging to the Tenant and left on the Premises to also have been abandoned, in which case the Landlord may dispose of all such personal property in any manner the Landlord will deem proper and is relieved of all liability for doing so.

Governing Law

34. It is the intention of the Parties to this Lease that the tenancy created by this Lease and the performance under this Lease, and all suits and special proceedings under this Lease, be construed in accordance with and governed, to the exclusion of the law of any other forum, by the laws of the State of Wyoming, without regard to the jurisdiction in which any action or special proceeding may be instituted.

Severability

35. If there is a conflict between any provision of this Lease and the applicable legislation of the State of Wyoming (the 'Act'), the Act will prevail and such provisions of the Lease will be amended or deleted as necessary in order to comply with the Act. Further, any provisions that are required by the Act are incorporated into this Lease.

Assignment and Subletting

36. The Tenant will not assign this Lease in whole or in part, nor sublet all or any part of the Premises, nor grant any license or part with possession of the Premises or transfer to any other person in whole or in part or any other right or interest under this Lease (except to a parent, subsidiary or affiliate of the Tenant), without the prior written

consent of the Landlord in each instance, which consent will not be unreasonably withheld so long as the proposed assignment or sublease complies with the provisions of this Lease.

37. Notwithstanding any assignment or sublease, the Tenant will remain fully liable on this Lease and will not be released from performing any of the terms, covenants and conditions of this Lease.
38. If the Lease is assigned or if the Premises or any part of the Premises are sublet or occupied by anyone other than the Tenant, the Landlord may collect rent directly from the assignee, subtenant or occupant, and apply the net amount collected, or the necessary portion of that amount, to the rent owing under this Lease.
39. The prohibition against assigning or subletting without the consent required by this Lease will be constructed to include a prohibition against any assignment or sublease by operation of law.
40. The consent by the Landlord to any assignment or sublease will not constitute a waiver of the necessity of such consent to any subsequent assignment or sublease.

Bulk Sale

41. No bulk sale of goods and assets of the Tenant may take place without first obtaining the written consent of the Landlord, which consent will not be unreasonably withheld so long as the Tenant and the Purchaser are able to provide the Landlord with assurances, in a form satisfactory to the Landlord, that the Tenant's obligations in this Lease will continue to be performed and respected, in the manner satisfactory to the Landlord, after completion of the said bulk sale.

Care and Use of Premises

42. The Tenant will promptly notify the Landlord of any damage, or of any situation that may significantly interfere with the normal use of the Premises.
 43. Vehicles which the Landlord reasonably considers unsightly, noisy, dangerous, improperly insured, inoperable or unlicensed are not permitted in the Tenant's parking stall(s), and such vehicles may be towed away at the Tenant's expense. Parking facilities are provided at the Tenant's own risk. The Tenant is required to park in only the space allotted to them.
 44. The Tenant will not make (or allow to be made) any noise or nuisance which, in the reasonable opinion of the Landlord, disturbs the comfort or convenience of other tenants.
 45. The Tenant will not engage in any illegal trade or activity on or about the Premises.
-

46. The Landlord and Tenant will comply with standards of health, sanitation, fire, housing and safety as required by law.

Surrender of Premises

47. At the expiration of the lease term, the Tenant will quit and surrender the Premises in as good a state and condition as they were at the commencement of this Lease, reasonable use and wear and damages by the elements excepted.

Hazardous Materials

48. The Tenant will not keep or have on the Premises any article or thing of a dangerous, flammable, or explosive character that might unreasonably increase the danger of fire on the Premises or that might be considered hazardous by any responsible insurance company.

Rules and Regulations

49. The Tenant will obey all rules and regulations posted by the Landlord regarding the use and care of the Building, parking lot and other common facilities that are provided for the use of the Tenant in and around the Building on the Premises.

General Provisions

50. Any waiver by the Landlord of any failure by the Tenant to perform or observe the provisions of this Lease will not operate as a waiver of the Landlord's rights under this Lease in respect of any subsequent defaults, breaches or nonperformance and will not defeat or affect in any way the Landlord's rights in respect of any subsequent default or breach.
51. This Lease will extend to and be binding upon and inure to the benefit of the respective heirs, executors, administrators, successors and assigns, as the case may be, of each party to this Lease. All covenants are to be construed as conditions of this Lease.
52. All sums payable by the Tenant to the Landlord pursuant to any provision of this Lease will be deemed to be Additional Rent and will be recoverable by the Landlord as rental arrears.
53. Where there is more than one Tenant executing this Lease, all Tenants are jointly and severally liable for each other's acts, omissions and liabilities pursuant to this Lease.
54. Time is of the essence in this Lease.
55. This Lease will constitute the entire agreement between the Landlord and the Tenant. Any prior understanding or representation of any kind preceding the date of this Lease will not be binding on either party to this Lease except to the extent incorporated in this Lease. In particular, no warranties of the Landlord not expressed in this Lease are to be implied.
-

IN WITNESS WHEREOF the Parties to this Lease have duly affixed their signatures under hand and seal, or by a duly authorized officer under seal, on this 1st day of October, 2024.
