MEMO

To: Honorable Mayor Patrick Collins and Members of the City Council
From: Charles Bloom, AICP, Planning and Development Director
Subject: Submission of 2023 Urban Renewal Authority Annual Report
Date: May 26, 2026.

Background:

The attached report provides a summary of the Urban Renewal Authority's activities over the prior calendar year. The annual report details assets, liabilities, income, and operating expenses for 2025 and is required by Wyo. Stat. § 15-9-136 and Cheyenne Municipal Code § 2.80.050.

This item is a report and will not be referred to a committee.

2025 Urban Renewal Authority Annual Report

Urban Renewal Authority

2025 Annual Report

A COMMUNITY OF CHOICE

Urban Renewal Authority

2024 Annual Report

Purpose

The purpose of this report is to provide a summary of the Urban Renewal Authority's (URA) activities over the prior calendar year. The annual report details assets, liabilities, income, and operating expenses for 2024. Note, this does not include any collections or interest for the first part of calendar year 2025.

The purpose of this report is to comply with Wyo. Stat. § 15-9-136 and Cheyenne Municipal Code § 2.80.050, Annual Reports.

Background

Urban renewal is a state-enabled economic development tool used to revitalize deteriorating or underdeveloped areas. Redevelopment of urban areas is often more expensive than new development, so public action through an Urban Renewal Authority can be used to encourage private investment in the area. The Wyoming Urban Renewal Code enables municipalities to set up Urban Renewal Authorities which have the ability to designate Urban Renewal Projects. These projects can use a variety of tools for redevelopment, including tax increment financing (TIF).

The Urban Renewal Authority (URA) is comprised of a board of five members knowledgeable in community planning, urban renewal, and business management. The URA reviews Urban Renewal Plans and Projects for specific areas and makes recommendations regarding the use of Tax Increment Financing (TIF). The Urban Renewal Plans and Projects and TIF-related development agreements require approval by the Governing Body.

The URA was formed on June 28, 2021, with the passage of Ordinance No. 4381. On June 28, 2021, the Governing Body adopted Resolution No. 6156 determining that blighted areas in the community allowing the URA to execute powers under the State of Wyoming Urban Renewal Code to authorize rehabilitation and redevelopment of these defined areas as necessary for the public safety, health, morals, and welfare for the residents of the City of Cheyenne.

Summary of Activities

Plan and Projects

Active plans and projects include the:

- **Hitching Post Plan and Project**
Approved August 23, 2021
- **Hynds and Hole Plan and Project**
Approved June 13, 2022
- **15th Street Plan and Project**
Approved June 13, 2022
- **West Downtown Plan and Project**
Approved September 11, 2023
- **Jolly Rogers Plan and Project**
Approved September 11, 2023

Public Outreach

Creation of Urban Renewal Authority Website, www.CheyenneCity.org/URA. Regular meetings occur monthly and open to the public. The URA board met five times in 2024, in January, May, July, September, and December.

Assets

The URA obtained no assets obtained in calendar year 2024 other than tax increment revenue identified in the “Income / Balances” section of this report.

Liabilities

Four active pledges exist for TIF projects. Two are in regard to the Hitching Post Plan and Project for environmental remediation and associated overages, one is related to construction of the West End Flat (Blacktooth Apartments) in the West Downtown Plan and Project area, and one is related to construction of multi-family housing in the Jolly Rogers Plan and Project area.

In 2020, a TIF development agreement pledging up to \$460,000 of tax increment revenue collected for overages with the initial development agreement with Swagger Construction, LLC's demolition and remediation of the Hitching Post. The development agreements limit reimbursement to collected tax increment funds or the 25-year time period of the Hitching Post Urban Renewal Plan and Project .

In 2021 a TIF development agreement pledging up to \$1,200,000 of tax increment revenue collected for remediation of environmental hazards associated with Swagger Construction, LLC's demolition and remediation of the Hitching Post. The development

agreements limit reimbursement to collected tax increment funds or the 25-year time period of the Hitching Post Urban Renewal Plan and Project.

In 2024, the URA entered into a TIF development agreement pledging up to \$2,579,590 of tax increment revenue . The development agreement collects tax increment funds for up to a 20-year period within the West Downtown Plan and project area to redevelop a property with multi-family housing.

Also in 2024, the URA entered into a TIF development agreement pledging up to \$4,782,824 of tax increment revenue . The development agreement collects tax increment funds for up to a 20-year period within the Jolly Rogers Plan and project area to redevelop a property with multi-family housing.

All TIF development agreements are framed in a manner in which no financial commitment to the City or URA exists in the event the tax increment is not generated as expected. Any shortfall in collection is the responsibility of the developer.

Income / Balances

Total fiduciary account balances for the five plan and project areas (Increment plus interest) are:

1. Hitching Post: \$96,891.32
2. 15th Street: : \$89,644.65
3. Hynds and the Hole: 9,179.10
4. Jolly Rogers: \$0
5. West Downtown: \$4,791.09

2024 serves as the base year for both the Jolly Rogers and West Downtown plans and projects. Upon collection of the 2024 tax increment, this will be distributed to the City and deposited into the appropriate fiduciary account. Initial disbursement is expected in May of 2025 and contingent on property tax payment by landowners within the Plan and Project areas. Downtown.

Annual details are shown below. Note: Not all years balances earned increment, gained interest, or had expenses.

Urban Renewal Authority (Fund 208)					
Project #	240036	250019	240006	240007	240008
