CITY OF CHEYENNE PLANNING COMMISSION
OCTOBER 5, 2026
STAFF REPORT

FILE:	**PUDC-25-130: Christensen Road – Assigned Zoning**
LOCATION:	South of Tate Road, north of Commerce Circle, and west of and adjacent to Christensen Road.
REQUEST:	Assigning a City zone to property proposed for annexation.
ANNEXATION APPLICANT:	City of Cheyenne
OWNER:	City of Cheyenne
CURRENT ZONING:	County LU
PROPOSED ZONING:	BP – Business Park
FUTURE LAND USE:	Undesignated
PURPOSE:	To establish a City zoning district concurrent with annexation.
PREPARED BY:	Connor White, Planner II

RECOMMENDED MOTION:

Move to recommend the Governing Body **approve** the assigned zoning for land south of Tate Road, north of Commerce Circle, and west of and adjacent to Christensen Road to BP – Business Park as shown in the attached zone change map, noting that the project meets the review criteria for approval.

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.2.8 Assigned Zoning

BACKGROUND:

The applicant has petitioned for roughly 8.18 acres of land to be annexed into city limits. Per UDC 2.2.8 a zone will be assigned based on allowed uses, current uses, or surrounding City zones. Should the applicant wish to have a different zone at the time of annexation, they will be required to submit a subsequent zoning map amendment, proposing a different zone. The parcel which is the subject of this assigned zoning is 0.29 acres and is planned to be dedicated as right-of-way once annexed. Because it is a parcel it will need a zone in the interim. The rest of the land being annexed is right-of-way and does not need to be zoned.

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

Should the Planning Commission wish to recommend approval of the Zoning Map Amendment, the Commission must make the following findings required in UDC 2.2.1.d. A detailed analysis is below:

1. **The proposed zoning assignment is the most analogous City zone to the current zone when taking into consideration allowed uses, current uses, or surrounding City zones. Zoning shall be assigned a City zone based on:**
    a. **Permitted uses,**
    b. **Uses that could reasonably be anticipated for conditional use approval under the current zoning,**
    c. **Current uses, or**
    d. **Surrounding City zoning,**

    as deemed most suitable for the property being assigned a zone in terms of allowing the landowner to continue the current use of the land while respecting the current and anticipated uses of surrounding property.

    Through the review of the annexation petition area, the assigned zoning is fairly straightforward.

    The land is currently zoned LU – Land Use within the County. The land is surrounded by City BP to the south and east. County LU to the north and west. Much of the area is developed with industrial and commercial uses to the south of the property and the railroad is adjacent to the north. The land is currently vacant and is planned to be dedicated as right-of-way upon annexation. Generally, adjacent zoning is extended into the right-of-way, until this parcel is dedicated it would need a zone district. Due to the current zoning, surrounding zoning, surrounding uses, and the fact that this will become right-of-way and have BP extended to it, Staff believes that the **BP – Business Park** zone is the most analogous zone for this land.

This assigned zoning **complies** with review criterion 1.

STAFF REVIEW:

Through the review process, there were no comments.

CONCLUSION:

Staff is satisfied that the application meets the review criteria set forth in UDC 2.2.8.(d).

ALTERNATIVES:

1. Recommend approval of the Assigned Zoning as submitted by the applicant (**Staff Recommendation**).
2. Recommend approval of the Assigned Zoning subject to conditions or modifications.
3. Recommend denial of the Assigned Zoning based on findings of denial. The Planning Commission must conclude that the project does not meet all the review criteria. As part of the motion, findings for denial must be stated.
4. Postpone the Assigned Zoning until issues identified during the meeting can be resolved.

General Information Regarding Alternatives:

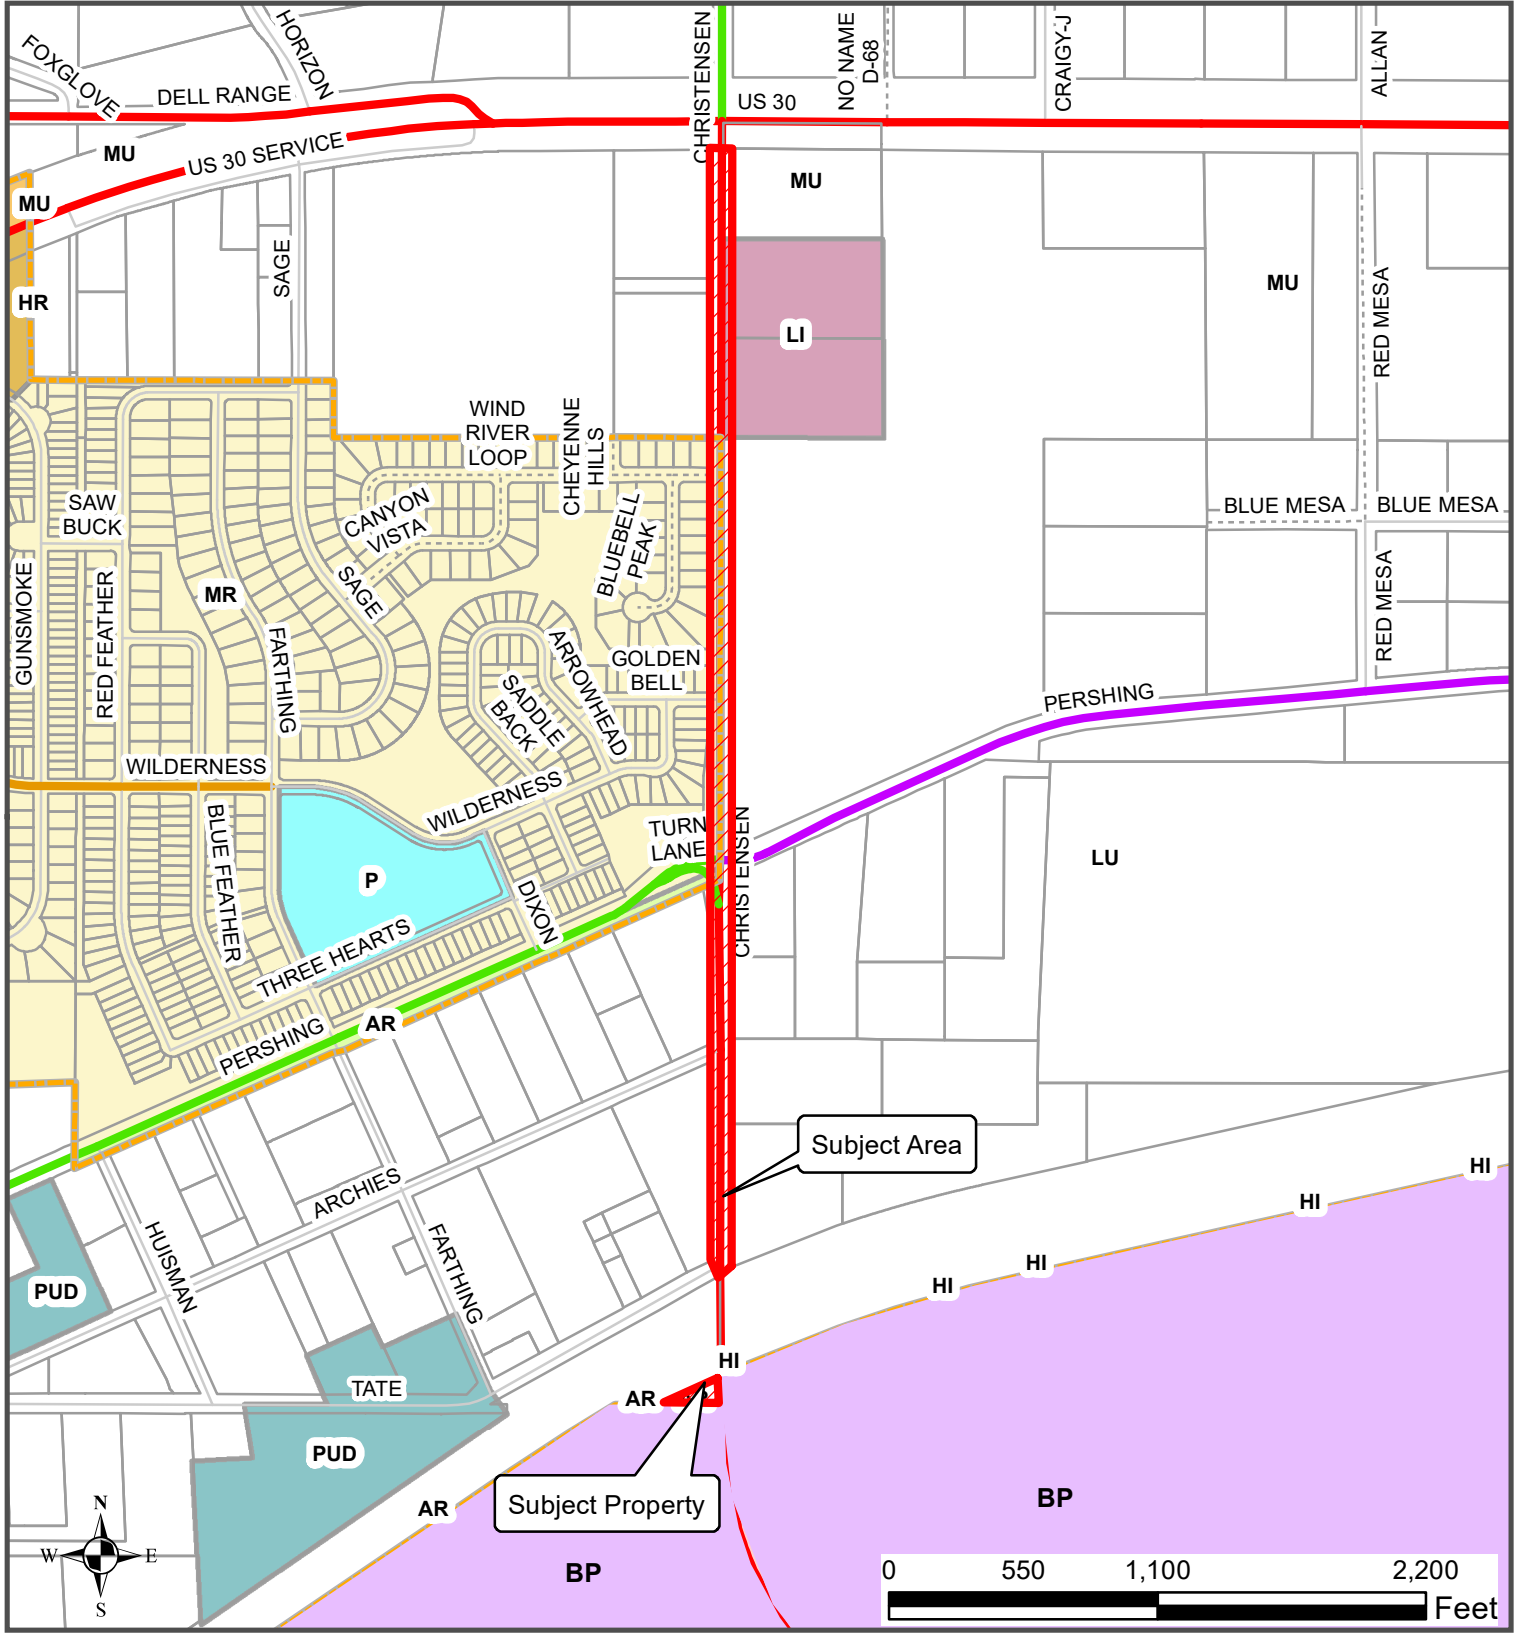

If the Commission acts contrary to staff's recommendation or recommends conditions of approval, the Commission shall cite specific reasons (based on the review criteria) for their recommendation.

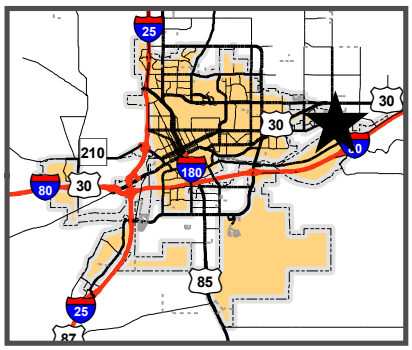

STAFF RECOMMENDATION:

Staff recommends approval of the assigned zoning for land south of Tate Road, north of Commerce Circle, and west of and adjacent to Christensen Road to BP – Business Park as shown in the attached zone change map, noting that the project meets the review criteria for approval.
