Acceptance of a late charge or interest shall not constitute a waiver of Tenant's default with respect to the overdue amount nor prevent the Landlord from exercising any of the other rights and remedies available to Landlord under this Lease, at law or in equity.

3.4 SECURITY DEPOSIT. It is agreed that Tenant, concurrently with the execution of this Lease, has deposited with Landlord, and will keep on deposit at all times during the term hereof, the sum of **Six Thousand One Hundred & Fifty Two Dollars and Twenty Cents (\$6,152.20)** (the "**Deposit**"), the receipt of which is hereby acknowledged, as security for the payment by Tenant of Base Rent, Additional Rent and all other sums herein agreed to be paid and for the faithful performance of all the terms, conditions and covenants of this Lease.

If, at any time during the term hereof, Tenant shall be in default in the performance of any provisions of this Lease, Landlord shall have the right, but shall not be obligated, to use the Deposit, or so much thereof as necessary, in payment of any rent in default, reimbursement of any expense incurred by Landlord, and in payment of any damages incurred by the Landlord by reason of Tenant's default. In such event, Tenant shall, on written demand of Landlord, forthwith remit to Landlord a sufficient amount in cash to restore the Deposit to its original amount.

In the event the Deposit has not been utilized as aforesaid, the Deposit, or as much thereof as has not been utilized for such purposes, shall be refunded to Tenant without interest, within sixty (60) days after the termination of this Lease upon full performance of this Lease by Tenant and vacation of the Premises by Tenant. Landlord shall have the right to commingle the Deposit with other funds of Landlord. Landlord shall deliver the Deposit to any purchaser of Landlord's interest in the Leased Premises in the event such interest is sold, and thereupon Landlord shall be discharged from further liability with respect to the Deposit. If the claims of Landlord exceed the amount of the Deposit, Tenant shall remain liable for the balance of such claims.

ARTICLE 4. ADDITIONAL RENT

4.1 TOTAL NET LEASE. Tenant understands and agrees that this Lease is a total net lease (a "net, net, net lease"), whereby Tenant has the obligation to reimburse Landlord for its share of all costs and expenses (including the costs and expenses outlined in paragraph 4 of this Lease) incurred by Landlord as a result of Landlord's ownership and operation of the Leased Premises. Landlord and Tenant further agree that all such reimbursements shall constitute additional rent due under the terms of this Lease Agreement.

4.2 ADDITIONAL RENT OWED BY TENANT. As Additional Rent, Tenant will pay its proportionate share of all taxes, insurance, utilities and operating costs (all of which are separately discussed below) incurred by Landlord in operating the Common Areas of the Building ("Additional Rent"). Operating Expenses for the Common Areas include but are not limited to the following: taxes, building insurance, snow removal, landscaping, parking lot maintenance, management fees, trash removal, water and sewer, heating and air conditioning, any maintenance on the property or building and other similar expenses. Estimated Operating Expenses have been determined by Landlord to be **\$3.00** per square foot per annum for Additional Rent, subject to annual adjustment.

4.3 PAYMENT OF ADDITIONAL RENT.

A. The amounts payable by Tenant as Additional Rent has been estimated at **\$3.00** per square foot (and estimates may be revised) by Landlord, and Tenant agrees to pay to Landlord Tenant's predetermined amount of Additional Rent in monthly installments of **One Thousand One Hundred Ninety dollars and 75/100 (\$1,190.75)** in advance on the first (1st) day of each month during the Term together with the Base Rent.

B. Within one hundred eighty (180) days after the end of each calendar year, Landlord will determine and advise Tenant by statement of the exact amount of the Additional Rent payable by Tenant and, if necessary, an adjustment will be made between the parties within fifteen (15) days after Tenant has been advised of the actual calculations. Landlord's failure to furnish any statements within the time period set forth herein does not limit or otherwise affect Landlord's right or Tenant's obligation to readjust Tenant's Proportionate Share of the Additional Rent. This provision shall survive the termination of this Lease.

C. Operating Expenses.

1. **Definitions.** The term "Operating Expenses" shall mean the aggregate of those costs and expenses paid or incurred by or on behalf of Landlord (whether directly or through independent contractors) relating to the ownership, leasing, maintenance and operation of the Building and the Real Estate. Operating Expenses shall include the following:

(a) **Taxes** - The term "Taxes" shall mean all taxes, fees and assessments and governmental charges levied, whether by federal, state, county, municipal, or other taxing

(c) **Maintenance Costs** - The term "Maintenance Costs" shall mean all costs paid or incurred in connection with the operation or maintenance of the Building and Real Estate including, without limitation, all parking areas (whether temporary or permanent) on or used in connection with the Real Estate, access roads, driveways, curbs, retaining walls, lighting facilities, service corridors, loading docks and areas, pedestrian sidewalks, stairways, plazas, foundations, exterior and demising walls, elevators, courts and ramps, decorative walls, vacant areas, (vacant land excluded), landscaped and planting areas and facilities, fountains, service lines or conduits for gas, water, electric, sewage, heating, ventilating and air conditioning services, music and intercom equipment, fire suppression and warning systems, conduits and appurtenances for use by Tenant in common with other tenants, and other areas and facilities related to the Building or Real Estate, whether within or outside the Building. Maintenance Costs shall include the following:

(i) All expenses incurred in connection with making the parking areas located on or used in connection with the Real Estate, if any, available for use by Tenant including, but not limited to, any management fees or other charges that Landlord may be required to pay for such use, and all costs incurred for sweeping, cleaning, litter control, resurfacing, repainting, restriping, removal and replacement of pavement, curbs and car stops, and snow and ice removal;

(ii) All expenses incurred for supplies and materials used in maintenance of the Building and Real Estate including, but not limited to, uniforms, paper products, decorations, painting and replacement of worn out mechanical or damaged equipment utilized in maintenance of the building;

(iii) The cost of all utilities for the Building and Real Estate, including, but not limited to, the cost of water, electrical service, heating, lighting, air conditioning and ventilation;

(iv) The cost of all maintenance and service agreements for the Building and Real Estate and equipment used in the common operation of the Building and Real Estate, including, alarm service, cleaning, janitorial service, waste disposal, security and/or guard service, window cleaning, fire protection, sprinklers, exterminating and landscape maintenance;

(v) Amortization, together with Interest, on the cost of installation of capital improvement items which result in, or are intended to result in, a reduction in Maintenance Costs or which are required to be installed under any governmental law, regulation or authority;

(vi) Management fees, reasonable legal fees, accounting costs and disbursements, and other professional services associated with the operation and maintenance of the Building, or the Real Estate;

(vii) The cost of maintenance and repair of ceilings, roof and exterior walls, gutters, glass, plate glass, show windows, plumbing, pipes and fixtures and other equipment; and

(viii) The cost of all licenses, dues, permits and other governmental charges.

2. **Exclusions.** Maintenance costs (and Operating Expenses) shall not include depreciation of costs or expenses in connection with the original construction and installation of the Common Areas or Maintenance costs which are classified as capital expenditures under generally accepted accounting principles, provided, however, that the costs of improvements to the Common Areas intended to reduce Common Area costs or as may from time to time be required by any laws, ordinances, rules or regulations of any governmental authority or agency having jurisdiction thereof shall be includable in Maintenance costs.

4.4 PAYMENT FOR UTILITIES AND SERVICES.

A. Tenant shall be solely responsible for and promptly pay all charges for heat, water, gas, electric, sewer service and any other utility service used or consumed on the Leased Premises. Tenant shall forthwith upon taking occupancy of the Leased Premises make arrangements with all appropriate utility providers to pay the utilities used on the Leased Premises and to have the same billed to the Tenant at the address designated by the Tenant. In no event shall Landlord be liable for any interruption or failure in the supply of any such utility to the Leased Premises.

B. Notwithstanding the foregoing, in the event Landlord elects to supply all or any of the utility services to be used on the Leased Premises, or if such utilities are provided pursuant to common meter or other facility, Tenant shall pay to Landlord, as Additional Rent under the terms of this Lease, Tenant's Proportionate Share of the cost of such utility service, as determined and billed by Landlord on a monthly basis.

ARTICLE 5. TAXES AND ASSESSMENTS

5.1 TENANT'S PROPORTIONATE SHARE OF TAXES. Real estate taxes and special assessments levied and assessed against the Building and the Real Estate are included as a portion of Operating Expenses pursuant to paragraph 4.3, above.

5.2 PERSONAL PROPERTY TAXES. Tenant shall be responsible for, and shall pay promptly when due, any and all taxes and/or assessments levied and/or assessed against any furniture, fixtures, equipment, goods, inventory, and items of a similar nature installed and/or located in or about the Leased Premises. If any such taxes or assessments are levied against Landlord or Landlord's property, Landlord may, after written notice to Tenant (and under proper protest if requested by Tenant), pay such taxes and assessments, and Tenant shall reimburse Landlord therefor within ten (10) days after demand by Landlord; provided, however, Tenant, at its sole cost and expense, shall have the right, with Landlord's cooperation, to bring suit in any court of competent jurisdiction to recover the amount of any such taxes and assessments so paid under protest.

5.3 SALES AND USE TAXES. Tenant shall be responsible for and shall promptly pay when due, all sales and use taxes arising out of sales or other activities conducted by Tenant at or from the Leased Premises.

ARTICLE 6. USE OF PREMISES

6.1 TENANT'S USE. The Leased Premises shall be used and occupied by Tenant solely for the **operation of a restaurant**, and for no other purposes without Landlord's prior written consent. Tenant shall have the right, subject to terms of this Lease and all applicable governmental laws, regulations, and ordinances, to sell and dispense alcoholic liquor and/or malt beverage, as applicable, on the Leased Premises. Tenant shall comply with all rules, regulations and laws of any governmental authority with respect to use and occupancy, including with all local, state, and federal laws and regulations governing the sale and consumption of alcohol. Tenant shall obtain and maintain Liability Insurance coverage in the amounts required by Article 8.4 of this Lease, including liquor liability coverage and shall indemnify Landlord against any and all liability and claims as described in Article 8.2 of this Lease. Tenant shall be responsible for obtaining and maintaining the licenses required to sell alcoholic liquor and/or malt beverage upon the Leased Premises.

6.2 COMPLIANCE WITH LAW. Tenant shall, at its sole cost and expense, comply with all laws, rules, regulations and ordinances of any governmental entity, board, commission or agency having jurisdiction over the Leased Premises. Tenant shall not be released from its obligations hereunder should its possession of the Leased Premises be interfered with or affected by reason of the passage or adoption of any law, ordinance, resolution, regulation or act of any legal or governmental authority, or any order of abatement or judgment preventing the use of the Leased Premises made on the grounds that the Leased Premises or the business operated therefrom constitutes a nuisance.

6.3 TRASH, WASTE, NUISANCE. Tenant shall not allow any accumulation of trash or debris on the Leased Premises or within any portion of the Building or the Real Estate. No storage of any material outside of the Leased Premises shall be allowed unless first approved by Landlord in writing, and then in only such areas as are designated by Landlord. Tenant shall not commit or suffer any waste on the Leased Premises; nor shall Tenant permit any nuisance to be maintained on the Leased Premises or permit any disorderly conduct or other activity having a tendency to annoy or disturb any occupants of any adjoining property; nor shall Tenant engage in or permit any activity which will increase the existing premiums or otherwise adversely affect any fire, casualty, liability or other insurance upon the Building or the Leased Premises, or cause the cancellation of any such insurance. No animals shall be permitted on or about the Leased Premises, except service animals.

6.4 HAZARDOUS SUBSTANCES. Tenant shall not store, use, or dispose of any toxic or hazardous materials in, on, or about the Leased Premises without the prior written consent of Landlord. Tenant shall be solely responsible for and shall defend, indemnify and hold Landlord, and its agents and employees, harmless from and against all claims, costs, and liabilities, including attorney's fees and expenses, arising out of or in connection with the Tenant's storage, use, or disposal of any toxic or hazardous material in, on, or about the Leased Premises. Tenant's obligations under this paragraph shall survive the termination of this Agreement.

6.5 SIGNAGE AND ADVERTISING. Tenant may, subject to Landlord's approval in writing, and at its sole cost, erect a sign or signs which shall in all respects comply with any Rules and Regulations adopted by Landlord with respect to signage and all applicable City or County codes and ordinances. Anything to the contrary in this Lease notwithstanding, Tenant shall not affix any sign to the roof of the Leased Premises. The cost and expense of all signs and the installation, repair and maintenance of same shall be the sole responsibility of Tenant. Tenant shall, during the entire Lease Term, maintain Tenant's signs in good condition and repair at its sole cost and expense. Tenant shall remove all signs at the termination of this Lease at Tenant's sole cost and expense and shall in a workmanlike manner properly repair any damage and

close any holes caused by the installation and/or removal of Tenant's signs.

ARTICLE 7. COMMON AREAS

7.1 COMMON AREAS DEFINED. For purposes hereof, the term "Common Area" shall mean and refer to all common entrances, exits, stairways, service corridors, sidewalks, streets, access roads, driveways, landscaping, curbs, parking, retaining walls, lighting facilities, and like areas that are common to the Building or the Real Estate. Landlord shall have the right, in Landlord's sole discretion, from time to time:

A. To close temporarily any of the Common Areas for maintenance purposes so long as reasonable access to the Leased Premises remains available.

B. To do and perform such other acts and make such other changes in, to or with respect to the Common Areas or the Building as Landlord may deem to be appropriate.

7.2 LANDLORD'S CONTROL. All Common Areas shall at all times be subject to the exclusive control and management of Landlord, notwithstanding that Tenant and/or Tenant's employees and/or customers may have a non-exclusive right to the use thereof. Landlord shall have the right from time to time to establish, modify and enforce reasonable rules and regulations with respect to the use of said Common Areas.

ARTICLE 8. LIABILITY, INDEMNITY AND INSURANCE

8.1 LANDLORD'S LIABILITY AND INDEMNIFICATION. Landlord shall not be liable for any damage or liability of any kind or for any injury to or death of any person or damage to any property on or about the Leased Premises from any cause whatsoever, except to the extent any such matter is attributable to Landlord's fault, negligence or willful misconduct. Landlord hereby agrees to indemnify, defend, and hold Tenant harmless from all claims, actions, judgments, suits, losses, fines, penalties, demands, costs and expenses and liability that may occur or be claimed with respect to any person or persons, or property on or to the common areas, resulting from any act done or omission by or through Lessor, its agents, employees, invitees, or any person. Landlord shall not be liable for damage or injury occasioned by the fault, negligence or willful acts of the Tenant or its agents, contractors, servants or employees unless such damages or injury arises from perils against which Landlord is required by this Lease to insure and then only to the extent of such insurance. Landlord's indemnification obligation under this Section 8.1 shall survive the expiration or earlier termination of this Lease. Landlord's covenants, agreements and indemnification in Sections 8.1, 8.2 and 8.6 are not intended to and shall not relieve any insurance carrier of its obligations under policies required to be carried by Landlord pursuant to the provisions of this Lease.

8.2 INDEMNIFICATION BY TENANT. Tenant hereby agrees to indemnify and save Landlord harmless from all claims, actions, judgments, suits, losses, fines, penalties, demands, costs and expenses and liability whatsoever, including reasonable attorneys' fees, expert fees and court costs ("Tenant Indemnified Claims") on account of (i) any damages or liability incurred by Landlord occasioned in whole or in part by any use or occupancy of the Leased Premises or by any act or omission of Tenant or the Tenant's Parties, (ii) the use of the Leased Premises and Common Areas and conduct of Tenant's business by Tenant or any Tenant Parties, or any other activity, work or thing done, permitted or suffered by Tenant or any Tenant Parties, in or about the Leased Premises or elsewhere on the Building; and/or (iii) any default by Tenant of any obligations on Tenant's part to be performed under the terms of this

Lease. In case any action or proceeding is brought against Landlord or any Landlord Parties by reason of any such Tenant Indemnified Claims, Tenant, upon notice from Landlord, shall defend the same at Tenant's expense by counsel approved in writing by Landlord, which approval shall not be unreasonably withheld. Tenant shall not be liable for damage or injury occasioned by the fault, negligence or willful acts of the Landlord or its agents, contractors, or employees unless such damages or injury arises from perils against which Tenant is required by this Lease to insure and then only to the extent of such insurance. Tenant's indemnification obligation under this Section 10.2 shall survive the expiration or earlier termination of this Lease. Tenant's covenants and indemnification in Sections 8.1, 8.2 and 8.6 shall not relieve any insurance carrier of its obligations under policies required to be carried by Tenant pursuant to this Lease.

8.3 MUTUAL SUBROGATION WAIVERS. The parties will each look to their own insurance for recovery of any loss resulting from fire or another casualty. Lessor and Lessee release one another from such claims and waive any right of recovery of insured claims by anyone claiming through them, by way of subrogation or otherwise, including their respective insurers. This release and waiver shall remain effective despite either party's failure to obtain insurance. If either party fails to obtain insurance, it bears the full risk of its own loss.

8.4 TENANT'S INSURANCE.

(a) Tenant agrees that, from and after the date of delivery of the Leased Premises Tenant shall, at Tenant's sole cost and expense during the Lease Term, obtain and maintain insurance, including fire and extended coverage upon all glass and plate glass in the Leased Premises, as well as Tenant's merchandise, signage, inventory, equipment, heating, ventilating and air conditioning ("HVAC") equipment, furniture, other personal property, fixtures and all improvements installed in the Premises for the full replacement value thereof, property damage insurance, including sprinkler damage and vandalism and malicious mischief damage and public liability insurance with respect to the Premises and the business conducted by Tenant and any other persons in the Premises. In addition, Tenant, at Tenant's sole cost and expense, shall also procure and maintain throughout the Lease Term the following insurance:

- (i) commercial general liability insurance against claims for bodily injury, personal injury, advertising injury and property damage arising from the Leased Premises, or the use of any portion of the Common Areas by the Tenant or the Tenant Parties, and having limits of not less than (a) \$1,000,000 per occurrence, (b) \$2,000,000 for the general aggregate (per location), (c) \$2,000,000 for the products and completed operations aggregate, (d) \$1,000,000 for personal and advertising injury liability, (e) \$50,000 for fire damage liability, and (f) \$5,000 for medical payments, which minimum limits may be increased if recommended by Landlord's consultants or other insurance professionals;
- (ii) business auto liability insurance for ownership, use or maintenance of any automobile with a combined single limit insurance with limits of not less than \$500,000 for each accident and \$500,000 for each employee for death or bodily injury that could be asserted against Landlord, Tenant or the Leased Premises;
- (iii) worker's compensation insurance, if required by law, in statutory amounts and limits covering all persons employed in connection with any work done in, on or about the Leased Premises for claims for death or bodily injury that could be asserted against Landlord, Tenant or the Leased Premises;
- (iv) business income and extra expense insurance with limits at least one hundred percent

(100%) of Tenant's gross revenue for a twelve (12) month period. Any policy proceeds from such insurance shall be held in trust by Tenant for the repair, reconstruction, restoration or replacement of the property damaged or destroyed, unless this Lease shall terminate under the provisions of Article 10.

(b) It is expressly understood and agreed that the foregoing minimum limits of insurance coverage shall not limit the liability of Tenant for its acts or omissions as provided in this Lease. All of the foregoing insurance policies (with the exception of Worker's Compensation Insurance to the extent not available under statutory law) shall name Landlord, any holder of a Mortgage, or any managing agent for the Building and such other parties as Landlord shall from time to time designate as an additional insured as their respective interests may appear, and shall provide that any loss shall be payable to Landlord and any other additional insured parties as their respective interests may appear. All insurance required hereunder shall be placed with companies which are rated A:XI or better by Best's Insurance Guide and licensed to do business in the state in which the Building is located. All such policies shall be written as primary policies not contributing with and not supplemental to the coverage that Landlord may carry. Tenant shall deliver duplicate original copies of all such policies and all endorsements thereto, prior to the Commencement Date, or, in the case of renewals thereto, fifteen (15) days prior to the expiration of the prior insurance policy, together with evidence that such policies are fully paid for, and that no cancellation, material change or non-renewal thereof shall be effective except upon thirty (30) days' prior written notice from the insurer to Landlord. Tenant's failure to comply with the foregoing requirements shall constitute an Event of Default hereunder.

8.5 LANDLORD'S INSURANCE.

(a) Landlord shall, as part of the Common Area Costs, at all times during the Term, maintain in effect a policy or policies of insurance covering the Common Areas (excluding Tenant improvements and property required to be insured by Tenant pursuant to Section 8.4(a)) in an amount not less than the full replacement cost (exclusive of the cost of excavations, foundations and footings), providing protection against perils included within standard forms of fire and extended coverage insurance policies, together with insurance against sprinkler damage, vandalism, and malicious mischief, and such other risks as Landlord may from time to time determine and with any such deductibles as Landlord may from time to time determine. At Landlord's expense, Landlord will throughout the Term, as part of operating costs for the Building, maintain or cause to be maintained, for its benefit and the benefit of its mortgagee and managing agent, commercial general public liability insurance against claims for personal injury, death or property damage occurring upon, in or about the Building or the Common Areas and in such amounts as Landlord deems to be reasonable.

(b) Unless otherwise set forth herein, Tenant agrees to pay Tenant's Proportionate Share of premiums for the insurance provided for in this Article to Landlord at the times and in the manner provided for in Article 4 of this Lease. Tenant shall have no rights in any policy or policies maintained by Landlord and shall not, by reason of payment by Tenant of its Proportionate Share of the premium for such insurance be entitled to be a named insured thereunder.

8.6 LIMIT OF LANDLORD'S RESPONSIBILITY. Except to the extent such matter is not covered by the insurance required to be maintained by Tenant under this Lease and is attributable to the fault, negligence or willful misconduct of Landlord, Landlord shall not, without limiting the generality of Section 8.1 hereof, be responsible or liable to Tenant or the Tenant Parties for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying space in any other part of the Building, or for any loss or damage resulting to the Tenant or its property from bursting, stoppage or leaking of water, gas, sewer or steam pipes or for any damage caused by water leakage from any part of the Leased Premises or from the pipes, appliances or plumbing works or from the roof, street or

subsurface or from any other places or by dampness or by any other cause of whatsoever nature, or loss of property within the Premises from any cause whatsoever or any damage caused by other tenants or persons in the Premises, occupants of adjacent property of the Building, or the public, or caused by construction of any private, public or quasi-public work. With respect to latent or patent defects in the Leased Premises or in the Building to the extent not caused by Tenant's Work or Tenant's acts or omissions, Landlord's liability shall not extend beyond one (1) year from the date of substantial completion of the construction of the Leased Premises, whether or not such defects are discovered within such one (1) year period. Landlord shall in no event be liable for any consequential damages or loss of business or profits and Tenant hereby waives any and all claims for any such damage. All property of Tenant kept or stored in the Premises shall be so kept or stored at the sole risk of Tenant and Tenant shall hold Landlord harmless from any claims arising out of damage to the same, including subrogation claims by Tenant's insurance carriers, unless such damage shall be caused by the fault, negligence or willful misconduct of Landlord and is not covered by the insurance required by Tenant under this Lease.

ARTICLE 9. MAINTENANCE, REPAIRS AND ALTERATIONS

9.1 LANDLORD'S DUTY TO MAINTAIN.

(a) Landlord will, as part of the Operating Expenses, maintain and repair the roof, bearing walls and foundations (excluding outer floor and floor coverings, walls installed at the request of Tenant, doors, windows and glass) in good order, first-class condition and repair, ordinary wear and tear excepted. Notwithstanding the foregoing provisions of this Section, Landlord shall not in any way be liable to Tenant on account of its failure to make repairs that Landlord does not know about or upon reasonable investigation could not have discovered. If Landlord is required due to the business carried on by Tenant, to make structural repairs or replacements by reason of the application of laws, ordinances or other regulations of any governmental body, or by reason of any act, omission or default of Tenant or those for whom Tenant is legally responsible or have been caused to any of the items Tenant is required to insure pursuant to Article 8, then subject to Sections 9.4 and 9.5, Tenant will be liable for the total cost of those repairs or replacements.

(b) If the Building, or any part of it, including, without limitation, the Common Areas or any equipment, machinery, facilities or improvements, the roof or the outside walls of the Building or any other structural portions require repair or become damaged or destroyed through the negligence, carelessness or misuse by Tenant or those for whom it is legally responsible, or by those parties in any way stopping up or damaging the heating apparatus, water pipes, drainage pipes or other equipment or facilities, then subject to Sections 9.4 and 9.5, the cost of the resulting repairs, replacements or alterations will be paid by Tenant to Landlord immediately upon presentation of an invoice.

9.2 LANDLORD'S REPAIR OF LEASED PREMISES. Landlord shall be under no obligation to make any repairs, replacements, reconstruction, alterations or improvements to or upon the Leased Premises or the mechanical equipment exclusively serving the Leased Premises except as expressly provided for herein.

9.3 LANDLORD'S RIGHT TO ENTRY AND USE. Landlord and its agents will have the right, upon reasonable advance notice, to enter the Premises during business hours (except in the event of an emergency when Landlord can enter at any time) to: (i) inspect the Leased Premises or any part thereof; (ii) show the Leased Premises to prospective purchasers or mortgagees or, within the last six (6) months of the Term, tenants; and (iii) for purposes of performing Landlord's obligations under Section 9.1(a) or performing any of Tenant's obligations under Sections 9.4 and 9.5 that Tenant fails to perform within the cure period provided in Section 12.1, to inspect the Leased Premises, or to make such repairs or

alterations to the pipes, conduits, wiring, ducts, sprinkler systems and other installations in or beneath the Leased Premises as may be necessary to properly serve another part of the Building. Except to the extent caused by the willful or negligent act or omission by Landlord or anyone for whom Landlord is legally responsible, Landlord will not be liable to Tenant for any loss or damage incurred as a result of such an entry. Landlord will, however, take reasonable steps in connection with such entry to minimize any disruption to Tenant's business or its use of Leased Premises.

9.4 TENANT'S DUTY TO MAINTAIN. Tenant will, at its own cost and expense, maintain the Leased Premises (except that part Landlord has agreed to maintain) in good and tenantable condition, and make all repairs to the Leased Premises and every part thereof as needed, unless Landlord or Landlord's employees, agents or invitees cause the need for such repairs. Tenant's obligations under this Section shall include, but not be limited to, modifying, repairing and maintaining items as are required by any governmental agency having jurisdiction thereof (whether the same is ordinary or extraordinary, foreseen or unforeseen), interior walls and glass, and the interior portions of exterior walls, ceilings, utility meters, pipes and conduits within the Leased Premises, and all utility meters, and all pipes and conduits outside the Leased Premises between the Leased Premises and the service meter, all fixtures, the electrical, lighting, wiring, plumbing fixtures and equipment, the HVAC systems (whether such HVAC equipment is located inside or outside the Leased Premises), sprinkler equipment and other equipment within the Leased Premises, the store fronts and all exterior glass, all of Tenant's signs, locks and closing devices, and all window sashes, casement or frames, doors and door frames; provided that Tenant shall make no adjustment, alteration or repair of any part of any sprinkler or sprinkler alarm system in or serving the Premises without Landlord's prior approval.

9.5 REPAIRS AND ALTERATIONS BY TENANT.

(a) Tenant will not make any repairs, alterations, replacements, decorations or improvements ("Alterations") to any part of the Leased Premises without first obtaining Landlord's written approval, which will not be unreasonably withheld. Tenant will submit: (i) details of the proposed Alterations, including professionally prepared drawings and specifications; and (ii) evidence reasonably satisfactory to Landlord that Tenant has obtained, at its expense, all necessary consents, permits, licenses and inspections from all applicable governmental authorities. All Alterations will be performed: (i) at Tenant's expense; (ii) by competent workmen; (iii) in a good and workmanlike manner; (iv) in accordance with the drawings and specifications approved by Landlord, which approval will not be unreasonably withheld; and (v) subject to the reasonable regulations, controls and inspection of Landlord. If, however, the proposed Alterations or any of them affect the structure of the Building or any of the electrical, mechanical or other base building systems, then the Alterations (or the appropriate portion of them) will, at Landlord's option, be performed by Landlord, at Tenant's expense. Except in the case of emergencies, neither Tenant nor its employees, agents or any other Person acting under the direction or control of Tenant will be permitted on the roof of the Building for any purpose, including, without limitation, for the purpose of maintaining, repairing or replacing the heating, ventilating or air-conditioning equipment serving the Leased Premises, without the express written approval of Landlord in each instance. Any Alterations made by Tenant without the prior consent of Landlord or not made in accordance with the drawings and specifications approved by Landlord will, if requested by Landlord, be promptly removed by Tenant at Tenant's expense.

(b) In the event that Tenant makes any alterations, Tenant agrees to carry "Builder's All Risk" insurance in a customary and reasonable amount approved by Landlord covering the construction of such Alterations.

(c) At the expiration or earlier termination of the Term, Tenant will surrender the Leased Premises to Landlord in as good a condition as Tenant is required to maintain them throughout the Term.

9.6 REMOVAL AND RESTORATION BY TENANT.

(a) All leasehold improvements included in Tenant's Work and all Alterations made by Tenant, or made by Landlord or others on Tenant's behalf (other than Tenant's trade fixtures) will immediately upon installation become Landlord's property and will remain with the Leased Premises at the end of the Term. Notwithstanding the foregoing, however, if at the time Landlord consents to the installation of any Alteration proposed by Tenant, Landlord requires as a condition to its consent that Tenant remove such Alteration at the end of the Term, then Tenant will, at the end of the Term, remove such Alteration at Tenant's expense and repair all damage caused by such removal. Tenant will also, at its expense at the end of the Term, remove all of its trade fixtures.

(b) Tenant will install and, during the Term, maintain in the Leased Premises trade fixtures and furniture appropriate for Tenant's business. If Tenant is not in default, then it will have the right at the expiration of the Term to remove its trade fixtures provided that it makes good any damage to the Leased Premises or the Building caused as a result of their installation or removal.

(c) If Tenant does not remove its trade fixtures at the end of the Term, the trade fixtures will, upon prior written notice to Tenant and if Tenant does not remove such trade fixtures within twenty (20) days after such notice, at Landlord's option, become the property of Landlord and may be removed from the Leased Premises at Tenant's reasonable expense and sold or disposed of by Landlord in such manner as it deems advisable.

(d) Tenant's trade fixtures exclude: (i) heating, ventilating, air conditions, electrical, plumbing and other similar systems, facilities and equipment, including washroom fixtures; (ii) floor coverings affixed to the floor of the Leased Premises; (iii) light fixtures; (iv) internal stairways and doors, if any; (v) ceiling and sprinkler systems and equipment; and (vi) any fixtures, facilities equipment or installations which were in the Leased Premises when they were delivered to Tenant or were installed by or at the expense of Landlord; all of which are deemed to be leasehold improvements.

9.7 HEATING AND AIR CONDITIONING; ELECTRICAL; USE OF SYSTEMS.

(a) Tenant covenants to heat and air-condition the Leased Premises with the heating and air-conditioning equipment serving its space. Tenant agrees to pay its own heating and air conditioning bill every month. Landlord will enter into a maintenance contract with a licensed heating and air-conditioning contractor, the cost will form part of the Operating Expenses. Tenant will, subject to the provisions of the following sentence, be solely responsible for all repairs and replacements with regard to the heating and air-conditioning equipment on the Leased Premises if the cause is due to Tenant's fault or negligence and Tenant's obligations pursuant to this sentence shall survive the term of this Lease. Notwithstanding the foregoing, Landlord retains the right at its option to elect to repair and/or replace the heating and air-conditioning unit(s) serving the Leased Premises, and in such event, the costs and expenses incurred by Landlord will form part of operating costs. Landlord may at any time subsequently elect to have Tenant reassume sole responsibility for repair and replacement of such equipment.

(b) Tenant will not install or use any electrical or other equipment or electrical arrangement which may overload the electrical or other service facilities available unless it first obtains the prior written consent of Landlord, and if necessary, at its own expense, makes whatever changes are necessary to comply with the reasonable requirements of Landlord, Landlord's insurance underwriters and all applicable governmental authorities.

(c) Tenant will not allow any refuse or garbage to accumulate in or about the Leased Premises or

any portion of the Building and will at all times keep the Leased Premises in a clean condition. The plumbing fixtures will not be used for any other purpose than that for which they are constructed, and no foreign substance of any kind will be thrown in the plumbing fixtures. Subject to Section 8.5, the expense of any breakage, stoppage or damage will be borne by Tenant if caused by Tenant or those for whom it is legally responsible.

9.8 NO LIENS PERMITTED; DISCHARGE. The Landlord's property shall not be subject to liens for work done or materials used on the Leased Premises made at the request of, or on order of or to discharge an obligation of, Tenant. If any lien or notice of lien on account of an alleged debt of Tenant or any notice of lien by a party engaged by Tenant or Tenant's contractor or materialmen to work on the Leased Premises shall be filed against the Building or any part thereof, Tenant, within ten (10) days after notice of the filing thereof, will cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise. If Tenant shall fail to cause such lien or notice of lien to be discharged and released of record within the period aforesaid, then, in addition to any other right or remedy, Landlord may discharge the same either by paying the amounts claimed to be due or by procuring the discharge of such lien by deposit or by bonding procedures. Any amount so paid by Landlord and all costs and expenses, including attorneys' fees and court costs, incurred by Landlord in connection therewith, and including interest at the Default Rate, shall constitute Additional Rent and shall be paid by Tenant to Landlord on demand. Tenant will indemnify and save Landlord harmless from and against any loss, claims, damages, costs, or expenses suffered by Landlord by reason of any repairs, installations or improvements made by Tenant.

ARTICLE 10. CASUALTY/RECONSTRUCTION

10.1. LANDLORD'S DUTY TO RECONSTRUCT. In the event the Building is damaged or destroyed by any of the risks against which Landlord has procured insurance, Landlord shall (subject to being able to obtain all necessary permits and approvals therefor), within one hundred twenty (120) days after such damage or destruction (unless Landlord terminates this Lease pursuant to Section 10.3), commence to repair, reconstruct and restore or replace the Building and prosecute the same diligently to completion. Unless the damage is caused by Landlord, in no event shall Landlord be liable for interruption to Tenant's business or for damage to or repair, reconstruction, restoration or replacement of any of those things which Tenant is required to insure pursuant to Section 8.4(a), nor shall Landlord be required to expend more for any repair, reconstruction, restoration or replacement of the Building pursuant to this Section than the amount of insurance proceeds paid to Landlord in connection therewith plus the amount of any applicable deduction.

10.2 TENANT'S DUTY TO RECONSTRUCT. If any item which Tenant is required to insure pursuant to Section 8.4(a) is damaged or destroyed by any of the risks referred to therein, Tenant shall, within one hundred twenty (120) days thereafter (unless Landlord terminates this Lease pursuant to Section 10.3), commence to repair, reconstruct and restore or replace said matters and prosecute the same diligently to completion such that Tenant shall reopen for business in the Leased Premises within the same period of time that Tenant was required to open for business upon Landlord's initial delivery of possession of the Leased Premises to Tenant.

10.3 LANDLORD'S RIGHT TO TERMINATE. Landlord shall have the option to terminate this Lease upon giving written notice to Tenant of exercise thereof within one hundred twenty (120) days after the Building is damaged or destroyed if:

(a) no part of the Leased Premises remains tenantable after damage or destruction thereof from any cause; or

(b) the Building is damaged or destroyed as a result of a risk not covered or substantially covered (in Landlord's good faith discretion) by Landlord's insurance; or

(c) the damage or destruction of the Building occurs within the last twelve (12) months of the Term; or

(d) fifty percent (50%) or more of the Building immediately prior to the damage or destruction is rendered untenable thereby; or

(e) the holder of any mortgage, deed of trust or other lien requires the use of all or any part of Landlord's insurance proceeds in satisfaction of all or any part of the indebtedness secured by any such mortgage, deed of trust or other lien.

Unless terminated, this Lease shall continue in full force and effect, and Landlord and Tenant shall perform their respective obligations under Sections 10.1 and 10.2. Upon any termination of this Lease under any of the provisions of this Section, the rent shall be adjusted as of the date of such termination and the parties shall be released without further obligation to the other party coincident with the surrender of possession of the Leased Premises to the Landlord, except for items which have accrued and are then unpaid and except for those items and provisions of this Lease which expressly survive the expiration or sooner termination of this Lease.

10.4 ABATEMENT OF RENT. If this Lease is not terminated by Landlord pursuant to Section 10.3 and if the Leased Premises have been rendered wholly or partially untenable by such damage or destruction, then the Base Rent and the Additional Rent payable by Tenant under this Lease during the period the Leased Premises are untenable shall be abated in direct proportion to the percentage of the Building in the Premises which is untenable.

10.5 TENANT'S RIGHT TO TERMINATE. This Lease sets forth the terms and conditions upon which this Lease may be terminated in the event of any damage or destruction. If Landlord fails to commence the restoration within one-hundred twenty (120) days after the casualty and such delay is not caused by Tenant (or any Tenant Parties) or any events described in Section 19.6, Tenant shall have the right to terminate this Lease by notice to Landlord given prior to Landlord's commencement of construction. In addition, Tenant shall have the right to terminate this Lease by giving written notice to Landlord of exercise thereof within one hundred twenty (120) days after the date the Building is damaged or destroyed if:

(a) all or a substantial part of the Leased Premises remains untenable after damage or destruction thereof from any cause; or,

(b) the damage or destruction to the Building occurs within the last twelve (12) months of the Term.

ARTICLE 11. ASSIGNMENT AND SUBLETTING

11.1 RESTRICTIONS ON ASSIGNMENT. Tenant shall not assign, transfer, or encumber this Lease in any way and shall not sublease the Leased Premises or any part thereof or allow any other person to be in possession thereof without the prior written consent of Landlord, in each instance. For the purpose of this provision, any transfer of a majority or controlling interest in Tenant (whether in one or more related or unrelated transactions), whether by transfer of stock, consolidation, merger, transfer of a partnership

interest or transfer of any or all of Tenant's assets or otherwise, or by operation of law, shall be deemed an assignment of this Lease. Notwithstanding any permitted assignment or subletting, Tenant shall at all times remain directly, primarily, and wholly responsible and liable for the payment of the Rent herein specified and for compliance with all of its other obligations under the terms and provisions of this Lease.

11.2 REQUIREMENT FOR ASSIGNMENT. In the event that Tenant proposes any transfer of this Lease or transfer of leasehold interest, Tenant shall notify Landlord in writing by certified mail at least sixty (60) days before the date on which the transfer is to be effective, and, included with such notice, furnish Landlord with: (i) the name and address of the entity receiving such transfer (the "Transferee"); (ii) a detailed description of the business of the Transferee, (iii) audited financial statements of the Transferee; (iv) all written agreements governing the transfer; (v) any information reasonably requested by the Landlord with respect to the transfer and the Transferee; and (vi) if such assignment is approved, a fee of two hundred fifty dollars (\$250) to compensate Landlord for legal fees, costs of administration, and other expenses to be incurred in connection with the review and processing of such documentation (whether or not such transfer is consummated). Landlord shall respond to Tenant's request for approval or disapproval of the transfer within thirty (30) days after Landlord receives the request and documents and information required above.

(a) In determining whether or not to grant its consent to Tenant's sublet or assignment request, Landlord may consider any reasonable factor. Landlord and Tenant agree that failure to satisfy any one of the following factors, or any other reasonable factor, will be reasonable grounds for denying Tenant's request:

(i) financial strength of the proposed subtenant/assignee;

(ii) use of the Premises by the proposed subtenant/assignee (A) will not violate or create any potential violation of any laws; (B) will not violate any agreement affecting the Leased Premises, Landlord or the Building; (C) will complement the tenant mix at the Building; and (D) will not constitute a nuisance or disturb or endanger other tenants of the Building or interfere with their use of their respective premises.

(iii) there must be no existing and uncured event of default by the existing Tenant;

(iv) the proposed subtenant/assignee must not be a party with whom Landlord is currently negotiating for space in the Building or an existing tenant of the Building.

(b) No transfer will release Tenant of Tenant's obligations under this Lease or alter the primary liability of Tenant to pay the rent and to perform all other obligations to be performed by Tenant hereunder. Consent by Landlord to one transfer will not be deemed consent to any subsequent Transfer. In the event of default by any Transferee of Tenant or any successor Tenant in the performance of any of the terms hereof, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against such Transferee or successor.

11.3 TRANSFER BY LANDLORD. Tenant acknowledges that Landlord which executed this Lease and any subsequent owner of the Building remains liable, subject to Section 19.20, for the performance of Landlord's obligations only during the period of its ownership of the Building. If there is a sale, lease or other disposition by Landlord of the Building or any part of them containing the Leased Premises, or an assignment by Landlord of the Lease or the interest of Landlord hereunder, then Landlord will, thereupon and without further agreement, be relieved of all further liability with respect to its covenants and obligations.

ARTICLE 12. DEFAULT AND REMEDIES

12.1 EVENTS OF DEFAULT BY TENANT. This Lease is made upon the condition that Tenant shall punctually and faithfully perform all of the covenants, conditions and agreements by it to be performed. The following shall each be deemed to be an event of default (each of which is sometimes referred to as an "Event of Default") in this Lease:

(a) any part of the rent required to be paid by Tenant under this Lease shall at any time be unpaid for ten (10) days after written notice that any such rent is due;

(b) Tenant fails in the observance or performance of any of its other covenants, agreements or conditions provided for in this Lease, and said failure shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant (unless such failure cannot reasonably be cured within thirty (30) days and Tenant shall have commenced to cure said failure within said thirty (30) days and continues diligently to pursue the curing of the same, which cure shall occur no later than sixty (60) days from the date of such notice from Landlord);

(c) Tenant fails, after the date on which it is required by this Lease to open the Premises for business with the public, to be open for business as required by this Lease, or vacates or abandons the Premises;

(d) any petition is filed by or against Tenant under any section or chapter of the Federal Bankruptcy Act, as amended, or under any similar law or statute of the United States or any state thereof; (d) Tenant becomes insolvent or makes a transfer in fraud of creditors; (e) Tenant makes an assignment for the benefit of creditors; or (f) a receiver is appointed for Tenant or any of the assets of Tenant. If any insolvency proceedings, such as those referred to in this Section 12.1(d), are instituted against Tenant, the Premises shall not become an asset in any such proceedings;

(e) Unless otherwise provided herein, Tenant assigns or otherwise transfers this Lease or subleases the Leased Premises without prior written consent of Landlord;

(f) Tenant does or permits to be done anything which creates a lien upon the Leased Premises;
or

(g) any material representation or warranty made by Tenant in this Lease or any other document delivered in connection with the execution and delivery of this Lease or pursuant to this Lease proves to be incorrect in any material respect.

12.2 LANDLORD'S REMEDIES. If any Event of Default occurs, then and in such case Landlord may treat the occurrence of such Event as a breach of this Lease and, in addition to any and all other rights or remedies of Landlord in this Lease or by law or in equity provided (including, without limitation, the rights and remedies provided under Wyoming law), it shall be, at the option of Landlord, without further notice or demand to Tenant or any other person, the right of Landlord to:

(a) declare the Term ended and to enter the Leased Premises and take possession thereof and remove all persons therefrom, and Tenant shall have no further claim thereon or thereunder;

(b) bring suit for the collection of rent as it accrues pursuant to the terms of this Lease and damages without entering into possession of the Leased Premises or canceling this Lease;

(c) retake possession of the Leased Premises from Tenant by summary proceedings or otherwise, either with or without terminating this Lease (at Landlord's election), and to sue Tenant for an amount equal to the remaining rent to become due during the Term (or any extension period then in effect) less the fair rental value of the Leased Premises over the remaining term (such rental value to be reduced by the actual or estimated costs of re-letting and alteration, leasing commissions or other costs of Landlord in connection therewith). Alternatively, Landlord may, after such retaking of possession, re-let the Leased Premises or any portion thereof. Tenant shall pay to Landlord all monthly deficits in rent after any such re-entry in monthly installments as the amounts of such deficits from time to time are ascertained. Such deficiency shall be calculated and paid monthly; Tenant shall have no right to any excess. Tenant shall also pay to Landlord any costs and expenses, including, but not limited to, reasonable brokerage commissions and reasonable attorneys' fees, incurred by Landlord in such re-letting or in making such alterations and repairs not covered by the rental received from such re-letting. In the event of an entry or taking possession of the Leased Premises as aforesaid, Landlord shall have the right, but not the obligation, to remove therefrom all or any part of the personal property located therein and may place the same in storage at a public warehouse at the expense and risk of the owner or owners thereof.

12.3 ATTORNEYS' FEES AND COSTS. In the event that any action, suit or other proceeding is initiated arising out of this Lease, the prevailing party shall recover all of such party's costs and reasonable attorneys' fees incurred in each and every action, suit or other proceeding, including any and all appeals or petitions therefrom from the non-prevailing party.

12.4 RENT PAYABLE BY TENANT. For all purposes of Article 12, in determining the rent which would be payable by Tenant hereunder subsequent to default, rent for each Lease Year of the unexpired Term shall be deemed to be the amount of rent payable by Tenant during the twelve (12) calendar months immediately preceding the Event of Default, subject to Landlord's duty to mitigate any and all losses.

12.5 TENANT'S PROPERTY TO REMAIN. If there is an Event of Default, all of Tenant's fixtures, furniture, equipment, improvements, additions, alterations, and other personal property shall remain on the Premises and, in that event and continuing during the length of said default, Landlord shall have the right to take the exclusive possession of same and to use same, without cost, until all defaults are cured or, at its option, at any time during the Term to require Tenant to forthwith remove same.

12.6 COSTS UPON DEFAULT AND LITIGATION. Tenant shall pay to Landlord and its mortgagees as additional rent all the expenses incurred by Landlord or its mortgagees in connection with any default by Tenant hereunder or the exercise of any remedy by reason of any default by Tenant hereunder, including reasonable attorney's fees and expenses.

ARTICLE 13. LIABILITY OF LANDLORD

13.1 LANDLORD'S DEFAULT. Except as otherwise provided in this Lease, Landlord shall be in default under this Lease if Landlord fails to perform any of its obligations hereunder and said failure continues for a period of thirty (30) days after written notice thereof from Tenant to Landlord (unless such failure cannot reasonably be cured within thirty (30) days and Landlord shall have commenced to cure said failure within thirty (30) days and continues diligently to pursue the curing of the same). If Landlord defaults under this Lease and if, as a consequence of such default, Tenant shall recover a money judgment against Landlord, such judgment shall be satisfied only out of the proceeds of sale received upon execution of such judgment against the right, title and interest of Landlord in the Building as the same may then be constituted and encumbered, and Landlord shall not be liable for any deficiency. In no event shall Tenant have the right to levy execution against any property of Landlord other than an interest in the

Building. Upon any such uncured default by Landlord, Tenant may exercise any of its rights provided in law or at equity; Notwithstanding anything contained in this Lease to the contrary, the obligations of Landlord under this Lease (including any actual or alleged breach or default by Landlord) do not constitute personal obligations of the individual partners, directors, officers, members or shareholders of Landlord or Landlord's partners, and Tenant shall not seek recourse against the individual partners, directors, officers, members or shareholders of Landlord or against Landlord's partners or any other persons or entities having any interest in Landlord, or any of their personal assets for satisfaction of any liability with respect to this Lease.

ARTICLE 14. SUBORDINATION AND ATTORNMENT

14.1 SUBORDINATION OF LEASE. This Lease is subordinate to the lien of all mortgages, deeds of trust, security instruments, ground leases, easement agreements and any covenants, conditions and restrictions (collectively, "Superior Interests") now or hereafter covering all or any part of the Building, and to all amendments, modifications, consolidations, renewals, replacements and extensions thereof. Tenant also agrees that, if any mortgagee elects to have this Lease prior to the lien of its mortgage and signifies such election in the instrument creating its lien, or by separate recorded instrument, this Lease shall be prior in dignity to such mortgage.

14.2 TENANT'S ATTORNMENT. In the event of any proceedings brought for the enforcement of any instrument of any Superior Interest holder (including but not limited to a mortgage or lease), Tenant shall, upon demand by the Superior Interest holder attorn to and recognize such Superior Interest holder as Landlord under this Lease. In the event of a sale or assignment of Landlord's interest under this Lease or in the Premises, Tenant shall attorn to and recognize such purchaser or assignee as Landlord under this Lease without further act by Landlord or such purchaser or assignee. Tenant hereby waives its rights under any current or future law which gives or purports to give Tenant any right to terminate or otherwise adversely affect this Lease and the obligations of Tenant hereunder in the event of any such foreclosure proceeding or sale.

14.3 INSTRUMENTS TO CARRY OUT INTENT. Tenant agrees that, in order to confirm the provisions of this Article, but in no way limiting the self-operative effect of said provisions, Tenant shall execute and deliver whatever instruments may be required for such purposes within ten (10) days following Landlord's written request. Should Tenant fail to sign and return any such instruments within said ten (10) day period, Tenant shall be in default hereunder without the benefit of any additional notice or cure periods specified in this Lease.

ARTICLE 15. ESTOPPEL CERTIFICATES

15.1 TENANT'S AGREEMENT TO DELIVER. Within twenty (20) days after request thereof from Landlord, Tenant agrees to execute and deliver to Landlord, or to such other addressee or addressees as Landlord may designate (and any such addressee may rely thereon), a statement in writing certifying (if true) that the Lease is in full force and effect and unmodified or describing any modifications; that Tenant has accepted the Premises; that Landlord is not in default in any provision of the Lease and has performed all of its obligations under the Lease arising prior to the date of the certificate; that there are no defenses or offsets against the enforcement of this Lease or stating with particularity those claimed by Tenant; stating the date to which rent has been paid; and making such other true representations as may be reasonably requested by Landlord.

15.2 FAILURE OF TENANT TO GIVE ESTOPPEL. If the Tenant fails to execute and deliver a completed certificate as required under this paragraph, Tenant hereby appoints Landlord as its attorney-in-fact to execute and deliver such certificate for and on behalf of the Tenant.

ARTICLE 16. QUIET ENJOYMENT

16.1 FAITHFUL PERFORMANCE. Upon payment by the Tenant of the rent herein provided for and upon the observance and performance of all of the agreements, covenants, terms and conditions on Tenant's part to be observed and performed, Tenant shall peaceably and quietly hold and enjoy the Premises for the Term without hindrance or interruption by Landlord or any other person or persons lawfully or equitably claiming by, through or under Landlord.

ARTICLE 17. SURRENDER AND HOLDING OVER

17.1 DELIVERY AFTER TERM. Tenant shall deliver up and surrender to Landlord possession of the Leased Premises upon the expiration or earlier termination of the Term, broom clean, free of debris, in good order, condition and state of repair (except as may be Landlord's obligation under this Lease and ordinary wear and tear), and shall deliver the keys to Landlord at the address to which notices to Landlord are to be sent. Notwithstanding the foregoing, Tenant shall, if Landlord so elects, remove any or all improvements, fixtures and other property, including, without limitation, any or all tenant finish and improvements, whether initially installed or thereafter added, and whether installed or initially constructed by or for Landlord, or by or for Tenant. Any damage or deterioration of the Leased Premises shall not be deemed ordinary wear and tear if the same could have been prevented by good maintenance practices by Tenant. Tenant shall repair any damage to the Leased Premises, including, without limitation, any damage caused by the removal of any improvements, fixtures or other property. Except as otherwise stated in this Lease, Tenant shall leave the mechanical systems, power panels, electrical distribution systems, plumbing, lighting fixtures, air conditioning, floors, walls, and ceilings on the Leased Premises in good operating and/or useable condition. The obligations of Tenant hereunder shall survive expiration or earlier termination of this Lease.

17.2 EFFECT OF HOLDING OVER; RENT. If Tenant shall remain in possession of the Leased Premises after the termination of this Lease, whether by expiration of the Lease Term or otherwise, without a written agreement as to such possession, then Tenant shall be deemed a month-to-month Tenant. Only if holdover status by Tenant is due solely to Tenant's lack of diligence in acting to renew Lease, the rent rate during such holdover tenancy shall be equivalent to 1.5 times the monthly rent paid for the last month of tenancy under this Lease, excluding any free rent or similar concessions which may have been made for the last month of the Lease. No holding over by Tenant shall operate to renew or extend this Lease without the specific written consent of Landlord to such renewal or extension having been first obtained. Tenant shall indemnify and hold Landlord harmless against loss or liability resulting from the delay by Tenant in surrendering possession of the Leased Premises including, without limitation, any claims made with regard to any succeeding occupancy bounded by such holdover period.

ARTICLE 18. CONDEMNATION

18.1 GOVERNMENTAL ACQUISITION OF PROPERTY. Should all or a part of the Leased Premises, the Building, the Real Estate, or any part thereof, be taken under eminent domain so that the Leased Premises are unsuitable, in Landlord's reasonable opinion, for Tenant's use, then the term of this Lease shall terminate as of the date that title shall vest in the acquiring authority and the Rent and other

charges shall be adjusted as of the date of such taking. The Landlord shall be entitled to the proceeds of the eminent domain award made to Landlord. Nothing herein shall be construed to prevent Tenant from separately pursuing a claim against the requisite authority for Landlord's independent loss or damages to the extent available, provided, however, that no award to Tenant shall reduce the award to Landlord. Tenant shall have no claim against Landlord for the value of the unexpired term of this Lease.

ARTICLE 19. MISCELLANEOUS

19.1 RULES AND REGULATIONS. The Rules and Regulations adopted and promulgated by Landlord from time to time including, without limitation, those set forth in Exhibit C, are made a part of the Lease as if they were embodied herein, and Tenant will comply with and observe them. Landlord reserves the right from time to time to amend or supplement the Rules and Regulations applicable to the Leased Premises or the Building as in Landlord's judgment are from time to time needed for the safety, care, cleanliness and efficient operation of the Building. Notice of the Rules and Regulations and amendments and supplements, if any will be given to Tenant and Tenant will thereupon comply with and observe them, provided that they do not contradict any terms, covenants and conditions of the Lease.

19.2 INTERPRETATION. The captions appearing in this Lease are inserted only as a matter of convenience and in no way amplify, define, limit, construe or describe the scope or intent of such sections of the Lease.

19.3 RELATIONSHIP OF PARTIES. Nothing herein contained shall be construed as creating any relationship between the parties other than the relationship of Landlord and Tenant, nor cause either party to be responsible in any way for the acts, debts or obligations of the other.

19.4 NOTICES. Any notice, demand, request or other instrument which may be or is required to be given under the Lease (a "Notice") will be delivered in person or sent by registered mail, postage prepaid, and will be addressed: (a) if to Landlord to:

RGLM Holding, LLC
Attn: Roberto Mancini
4620 Grandview Avenue
Cheyenne, WY 82009

or to such other person(s) or at such other address(es) as Landlord designates in written notice; and (b) if to Tenant, to the Premises or, at Landlord's option to Tenant's office at:

Rich Rich Up, LLC
d/b/a Wasabi Japanese Grill & Bar
Attn: Yuchen Zheng
4620 Grandview Avenue, Unit 205
Cheyenne, WY 82009

A Notice is conclusively deemed to have been received on the day upon which it is delivered, if delivered in person; on the next business day after it is deposited for next business day delivery with a nationally recognized overnight courier service that obtains evidence of receipt; or five (5) business days following the date of mailing, if mailed postage prepaid, certified or registered mail, return receipt requested. Either party may give written notice of any change of its address and thereafter the new address is deemed to be the address of that party for the giving of notice.

19.5 SUCCESSORS. This Lease shall inure to the benefit of and be binding upon the Landlord, its successors and assigns, and shall be binding upon Tenant, its successors and assigns, and shall inure to the benefit of Tenant and only such assigns of Tenant to whom the assignment by Tenant has been made and consented to in accordance with the provisions of this Lease.

19.6 UNAVOIDABLE DELAYS. In the event that either party shall be delayed or hindered in or prevented from the performance of any act required hereunder by reason of strikes, lockouts, labor troubles, inability to procure labor or materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war, act of God, fire or other casualty or other reason of similar or dissimilar nature beyond the reasonable control of the party delayed in performing work or doing acts required under the terms of this Lease, then performance of such act shall be excused for the period of delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. The provisions of this Section shall not operate to excuse Tenant from prompt payment of Rent, or any other payments required by the terms of this Lease and shall not extend the Term. Delays or failures to perform resulting from lack of funds shall not be deemed delays beyond the reasonable control of a party.

19.7 ENTIRE AGREEMENT. It is expressly understood and agreed by and between the parties hereto that this Lease sets forth all the promises, agreements, conditions and understandings between Landlord and/or its agents and Tenant relative to the Leased Premises and that there are no promises, agreements, conditions or understandings, either oral or written, between them other than as herein set forth.

19.8 GOVERNING LAW. The Lease, and all terms hereunder shall be construed consistent with the laws of the State of Wyoming. Any dispute resulting in litigation hereunder shall be resolved in court proceedings instituted in Laramie County, Wyoming, and in no other jurisdiction.

19.9 PARTIAL INVALIDITY. If any term, covenant or condition of this Lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease or the application of such term, covenant or condition to persons and circumstances other than those to which it has been held invalid or unenforceable, shall not be affected thereby, and each term, covenant and condition of this Lease shall be valid and shall be enforced to the fullest extent permitted by law.

19.10 WAIVER.

(a) The waiver by Landlord of any term, covenant, agreement or condition herein shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, agreement or condition. The acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any prior default by Tenant, other than the failure of Tenant to pay the particular rent so accepted, regardless of Landlord's knowledge of such prior default at the time of acceptance of such rent. No covenant, term, agreement or condition of this Lease shall be deemed to have been waived by Landlord unless such waiver be in writing signed by Landlord.

(b) No waiver of any covenant, term, agreement or condition of this Lease or legal right or remedy shall be implied by the failure of Landlord to declare a forfeiture, or for any other reason. No waiver by Landlord in respect to one or more tenants of the Building shall constitute a waiver in favor of any other tenant. Landlord's consent to, or approval of, any act by Tenant requiring Landlord's consent or approval shall not be deemed to waive or render unnecessary Landlord's consent to or approval of any subsequent similar act by Tenant.

19.11 ACCORD AND SATISFACTION. No payment by Tenant or receipt by Landlord of a lesser amount than the rent herein stipulated shall be deemed to be other than on account of the earliest

stipulated rent, nor shall any endorsement or statement on any check or any letter accompanying any such check or payment as rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy provided for in this Lease or available at law or in equity.

19.12 LANDLORD'S SELF-HELP. In addition to Landlord's rights of self-help set forth elsewhere in this Lease, if Tenant at any time fails to perform any of its obligations under this Lease in a manner reasonably satisfactory to Landlord, Landlord shall have the right, but not the obligation, upon giving Tenant at least ten (10) days' prior written notice of its election to do so (in the event of an emergency, no prior notice shall be required), to perform such obligations on behalf of and for the account of Tenant and to take all such action necessary to perform such obligations without liability to Tenant for any loss or damage which may result to Tenant's stock or business by reason of such repairs. In such event, Landlord's costs and expenses incurred therein shall be paid for by Tenant as Additional Rent, forthwith upon demand therefor, with interest thereon from the date Landlord performs such work at the Default Rate. The performance by Landlord of any such obligation shall not constitute a release of waiver of Tenant therefrom.

19.13 RECORDING OF LEASE. Tenant will not record the Lease. Tenant will, at the request of Landlord, execute, acknowledge and deliver, at any time after the date of the Lease, a short form lease or Memorandum of Lease prepared by Landlord, but the provisions of the Lease will control the rights and obligations of the parties.

19.14 JOINT AND SEVERAL LIABILITY. If two or more individuals, corporations, partnerships or other business associations (or any combination of two or more thereof) shall sign this Lease as Tenant, the liability of each of them shall be joint and several. In like manner, if the Tenant named in this Lease shall be a partnership or other business association, the members of which are, by virtue of statute or general law, subject to personal liability, the liability of each such member shall be joint and several.

19.15 WAIVER OF JURY TRIAL AND RIGHT TO COUNTERCLAIM. Landlord and Tenant will and hereby do waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters arising out of or in any way connected with the Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, or claim of injury or damage.

19.16 TIME OF THE ESSENCE. Time is of the essence of each and every obligation under this Lease.

19.17 INTEREST ON PAST DUE OBLIGATIONS. Any amount due to Landlord not paid when due shall bear interest at 1.5% per month from due date until paid. Payment of such interest shall not excuse or cure any default by Tenant under this Lease.

19.18. ADMINISTRATIVE CHARGES. In the event any check, bank draft or negotiable instrument given for any money payment hereunder shall be dishonored at any time and from time to time, for any reason whatsoever not attributable to Landlord, Landlord shall be entitled, in addition to any other remedy that may be available, (i) to make an administrative charge of \$150.00, and (ii) at Landlord's sole option, to require Tenant to make all future rental payments in cash or cashier's check.

19.19 FINANCIAL INFORMATION. Tenant will, upon request, from time to time, provide Landlord with Tenant's or any Guarantor's most recent financial statements or such other information concerning their financial standing and corporate organization as Landlord or its mortgagee, both acting reasonably, may require.

19.20 LIMITATION ON LANDLORD'S LIABILITY. Exhibit E

ABSOLUTE UNCONDITIONAL GUARANTY AGREEMENT

THIS Absolute Unconditional Guaranty (the "Guaranty") is executed and delivered this 21st day of July 2025 by **Yuchen Zheng** (the "Guarantor"), who is a member-owner of **Rich Rich Up, LLC** d/b/a **Wasabi Japanese Grill & Bar**, a Wyoming limited liability company ("Tenant"), in favor of **RGLM Holding, LLC**, a Wyoming limited liability company, ("Landlord").

RECITALS:

- A. Tenant and Landlord are party to that certain Lease Agreement dated July 1, 2025 (the "Lease").
- B. In order to induce Landlord to enter into the Lease, Guarantor agreed to execute and deliver to Landlord this Guaranty.
- C. Guarantor acknowledges that Landlord would not have entered into the Lease without the execution and delivery by Guarantor of this Guaranty.

NOW THEREFORE, in consideration of the Premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Guarantor, Guarantor hereby agrees in favor of Landlord (and Landlord's successors and assigns) as follows:

1. Guarantor absolutely, unconditionally and irrevocably guarantees the prompt and complete payment and performance when due of all obligations, liabilities and covenants, whether now in existence or hereafter arising, of Tenant to Landlord, and arising under the Lease, including without limitation all amounts due to the Landlord as rent or otherwise under the Lease (the "Obligations"). The Guarantor hereby agrees to pay and/or perform punctually, upon written demand by Landlord, each such Obligation which is not paid or performed when due and payable by the Tenant, in like manner, as such amount is due from the Tenant.
2. The Guarantor's obligations under this Guaranty are absolute and unconditional and shall not be affected by the validity or enforceability of the Obligations or the Lease, or by any other circumstance relating to the Obligations or the Lease which might otherwise constitute a legal or equitable discharge of or defense of a guarantor or surety. Guarantor hereby irrevocably waives any and all legal defenses, including those available to Tenant (except payment) and all other defenses that would otherwise be available to Guarantors. All payments by the Guarantor pursuant to this Guaranty shall be made without setoff. The Landlord shall not be obligated to file any claim relating to the Obligations in the Guaranty nor in the event that the Tenant becomes subject to a bankruptcy, reorganization or similar proceeding, and the failure of the Landlord so to file shall not affect the Guarantor's obligation under this Guaranty. The Guarantor irrevocably waives any right to require the Landlord to pursue any other remedy in the Landlord's power whatsoever, whether against the Tenant or any other obligor principally or secondarily obligated with respect to the Obligations. The Guarantor irrevocably waives any defense arising by reason

of any disability, bankruptcy, reorganization or similar proceeding involving the Tenant. In the event that any payment in respect of any Obligations is rescinded or must otherwise be returned for any reason whatsoever, the Guarantor shall remain liable under this Guaranty as if such payment had not been made.

3. The Guarantor agrees that the Landlord may at any time and without prior notice or consent of the Guarantor, extend the time of payment of, or performance of, renew any of the Obligations, and also make any agreement with the Tenant or with any other party to or person liable on any of the Obligations, or interested therein, for the extension, renewal, payment, compromise, waiver, discharge or release thereof, in whole or in part or for any amendment or modification of the terms thereof or of the Agreement or any other agreement between the Landlord and the Tenant or any such other party or person, without in any way impairing, releasing or affecting the liabilities of the Guarantor under this Guaranty.

4. The Guarantor will not exercise any rights which they may acquire by way of subrogation until all of the Obligations to Landlord are paid in full or performed in their entirety. Any amount paid to the Guarantor in violation of the preceding sentence shall be held in trust for the benefit of the Landlord and shall forthwith be paid to the Landlord to be credited and applied to the Obligations, whether matured or unmatured. Guarantor also agrees that any and all liabilities and indebtedness owed to Guarantor are secondary to the complete payment of the Obligations.

5. This Guaranty shall remain in full force and effect and be binding upon the Guarantor, their successors and assigns until all of the Obligations have been satisfied in full and the Agreement shall have been terminated or fully performed. This Guaranty may not be modified, discharged or terminated orally or in any manner other than by an agreement in writing signed by Landlord and Guarantor. This is a continuing Guaranty relating to all Obligations, including any arising during any holdover term or arising under transactions renewing or extending the term of the Agreement, changing the terms of any Obligations, or creating new or additional Obligations after prior Obligations have in whole or in part been satisfied, regardless of any lapse of time. If any of the present or future Obligations are guaranteed by persons, partnerships, corporations or other entities in addition to the Guarantor, the death, release or discharge, in whole or in part, or the bankruptcy, liquidation or dissolution of one or more of them shall not discharge or affect the liabilities of the Guarantor under this Guaranty. The obligations of the Guarantor hereunder shall be additional to, and not in substitution for, any security or other guarantee or indemnity at any time existing in respect of Tenant's obligations, liabilities and covenants under the Agreement.

6. No delay or failure on the part of the Landlord to exercise any right, remedy or power under this Guaranty shall operate as a waiver thereof, nor shall any single or partial exercise by the Landlord of any right, remedy or power under this Guaranty preclude any other or future exercise of any right, remedy or power under this Guaranty. Each and every right, remedy and power granted to the Landlord under this Guaranty or allowed it by law or by the Agreement or any other agreement, shall be cumulative and not exclusive of any other, and may be exercised by the Landlord from time to time.

7. The Guarantor hereby waives notice of acceptance of this Guaranty and notice of any

obligation or liability to which it may apply, and waives presentment, demand for payment, protest, notice of dishonor or non-payment of any such obligation or liability, suit or the taking of other action by Landlord against, and all other notices whatsoever to, the Tenant, the Guarantor or others.

8. Landlord may at any time without notice to or consent of the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder: (a) take or fail to take any action of any kind in respect of any security for any obligation, covenant or liability of the Tenant to Landlord; (b) exercise or refrain from exercising any rights against the Tenant or others; (c) compromise or subordinate any obligation or liability of the Tenant to Landlord including any security therefor; (d) consent to the assignment by Tenant of its interest in the Agreement; or (e) consent to any other matter or thing under or relating to the Agreement. Guarantor waives trial by jury in any action, proceeding or counterclaim, involving any matters whatsoever arising out of or in any way connected with the Guaranty. Guarantor agrees to reimburse Landlord for the costs and attorney's fees incurred by reason of Landlord having to enforce this Guaranty.

9. Guarantor represents and warrants to Landlord that (a) the Agreement has been duly authorized, executed and delivered by Tenant and is a legal, valid and binding instrument enforceable against Tenant in accordance with its terms, and (b) this Guaranty has been duly authorized, executed and delivered by Guarantor and is a legal, valid and binding instrument enforceable against Guarantor in accordance with its terms.

10. The Guarantor may not transfer or assign their rights or responsibilities under this Guaranty without prior written consent of the Landlord, and any purported assignment or delegation absent such consent is void. This Guaranty shall remain in full force and effect, notwithstanding (a) any assignment or transfer by Tenant of its interest in the Agreement (in which case this Guaranty shall apply, from and after such assignment or transfer, to all of the obligations, liabilities and covenants of the assignee or transferee under the Agreement), or (b) any assignment or transfer by Landlord of its interest in the Agreement (in which case Guarantor's obligations under this Guaranty shall inure to the benefit of Landlord's assignee or transferee), in each case irrespective of whether Guarantor has notice of or consent to any such assignment or transfer.

11. THIS GUARANTY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF WYOMING WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAW. GUARANTOR AND LANDLORD JOINTLY AND SEVERALLY AGREE TO THE EXCLUSIVE JURISDICTION OF COURTS LOCATED IN THE STATE OF WYOMING, UNITED STATES OF AMERICA, OVER ANY DISPUTES ARISING OR RELATING TO THIS GUARANTY.

(Signatures appear on subsequent page.)

IN WITNESS WHEREOF, this Guaranty has been executed and delivered as of the date and year first above written.
