Please explain your interest in serving on this Board/Committee/Commission

As a long-term Cheyenne business owner, physician, and local real estate family office operator (Real Horizons LLC), a member of the Greater Cheyenne Chamber Of Commerce since 2015, I have a strong interest in supporting sustainable economic growth and long-range community development in Cheyenne and Laramie County. Over the past decade, my family and I have pursued a long-term buy-and-hold investment strategy in Cheyenne residential real estate, acquiring, renovating, and managing housing throughout the community with a family office-style, sub-institutional operational approach focused on stewardship, stability, and reinvestment. Our goal has not been short-term speculation, but the long-term provision and improvement of housing for Cheyenne residents. Through that experience, I have gained practical insight into housing supply, affordability, infrastructure needs, workforce retention, financing environments, neighborhood revitalization, and the importance of thoughtful

public-private collaboration in supporting responsible economic growth. I would welcome the opportunity to continue serving on the Economic Development Joint Powers Board and to contribute a perspective grounded in local ownership, operational discipline, and sustained community investment. I believe Cheyenne is exceptionally well positioned for continued growth, and I would be honored to support policies and projects that strengthen economic vitality, expand opportunity, and preserve the qualities that make Cheyenne a strong and enduring community.
