Please explain your interest in serving on this Board/Committee/Commission

I'm interested in serving on the Cheyenne Downtown Development Authority Board because I care immensely about the future of downtown and the role it plays in the identity and energy of our community. As a business owner, artist, and creative director who has spent the last 15 years building businesses and creative projects in Cheyenne, I've seen how much impact local businesses, arts, events, and thoughtful development can have on whether a downtown feels alive and connected.

Alongside my work in Cheyenne, I've spent the last six years working in tourism marketing and economic development with destinations across the country. That experience has given me a broader perspective on what helps communities grow in a sustainable way and what makes people genuinely want to spend time in a place. It has also made me appreciate even more how much potential Cheyenne has.

I'd love the opportunity to bring both a creative and strategic perspective to the board and help continue building a downtown that feels vibrant, authentic, and exciting for both residents and visitors.

Other City or community volunteer experience

Arts Cheyenne Board Member, Wyoming Workforce Development Council Board Member

Skills & Experience

I bring a combination of creative leadership, small-business ownership, and economic development experience. As a downtown business owner, I have hands-on knowledge of operating within a downtown district, including leasing, foot traffic patterns, seasonal variability, events, and collaboration with neighboring businesses. Professionally, my background includes work in tourism and economic development, supporting communities on downtown vitality, placemaking, visitor strategy, and local economic growth. I offer strengths in strategic thinking, stakeholder collaboration, and translating big-picture goals into practical, implementable ideas. I'm especially interested in how creativity, programming, and business support can work together to strengthen downtown districts.

Please explain your interest in serving on this Board/Committee/Commission

I am passionate about the continued growth and vibrancy of downtown Cheyenne because my work and life are deeply rooted here—as both a business owner and community collaborator. Through co-owning The Paramount Café / Paramount Ballroom, and Katbird Studio, I have firsthand experience in cultivating spaces that bring people together and stimulate economic activity. My background in marketing, event production, and visual communication has allowed me to successfully launch campaigns, drive foot traffic, and build brand identities that strengthen local engagement.

Having served on boards such as Ballet Wyoming and the Cheyenne Historic Preservation Board, I understand the importance of strategic planning, community partnerships, and long-term stewardship. I believe downtown Cheyenne is poised for thoughtful development that honors its history while embracing innovation, and I would be honored to contribute my

skills in storytelling, placemaking, and collaborative leadership to support that vision.
