- (b) That an accurate annexation map depicting the area to be annexed by this ordinance is attached to this ordinance as Exhibit A, said map prepared by Adam E. Deschler, a Professional Land Surveyor, licensed in the State of Wyoming, PLS Number 12045;
- (c) That the annexation of said area is for the protection of health, safety, and welfare of the persons residing in the area and the City of Cheyenne;
- (d) That the urban development of the area sought to be annexed will constitute a natural, geographical, economical and social part of the City of Cheyenne;
- (e) That the area is a logical and feasible addition to the City and that the extension of

basic services such as water and sewer systems, police and fire protection and other services customarily available in the City of Cheyenne can, within reason, be furnished;

- (f) That the area is adjacent to the City of Cheyenne and is currently zoned LU – Land Use by the Laramie County Commissioners; and
- (g) That the City of Cheyenne does not own or operate its own electrical utility, and its governing body is prepared to designate a utility to serve the annexed area pursuant to W.S. 15-1-410, and to authorize the designated utility to serve the entire annexed area.

Section 2. That all of the real property described in Sections 1 and depicted on Exhibit A is hereby annexed to the City of Cheyenne, Wyoming, and shall become a part thereof.

Section 3. That the City Clerk is directed to file an executed copy of this annexation ordinance, together with the map identified as Exhibit A, with the County Clerk and Ex-Officio Register of Deeds for Laramie County, Wyoming, and shall also notify the City Engineer's Office to add said area to the official City Map of the City of Cheyenne, Wyoming.

Section 4. Sections, paragraphs, sentences, clauses and phrases of this ordinance are severable. If any phrase, clause, sentence, paragraph or section of this ordinance is declared illegal or unconstitutional, such illegality or unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections.

Section 5. That this ordinance shall be in full force and effect upon its publication.

STAFF REPORT

FILE: PUDC-26-84: Highlands - Annexation

REQUEST: An annexation of 3,459.99 acres of land.

LOCATION: East of South Greeley Highway and south of the Sweetgrass Subdivision.

APPLICANT: ARP and Hammond Hardware CO, Old Horse Pasture Inc., and Lummis Livestock Company LLC

AGENT: AVI P.C

OWNERS: ARP and Hammond Hardware CO, Old Horse Pasture Inc., and Lummis Livestock Company LLC

PREPARED BY: Connor White, Planner II

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.4.2 Annexations
- PlanCheyenne

BACKGROUND:

The applicant is requesting annexation of roughly 3,459.99 acres of land to allow for industrial development. The land is currently vacant. The applicant has submitted a subsequent Future Land Use Map Amendment (PUDC-26-116) and a Zone Change request (PUDC-26-85).

Land annexed to the City requires a City zone. The petition to annex has been accompanied by an assigned City zone of AG - Agricultural.

SURROUNDING LAND USE AND ZONING:

	Future Land Use Designation	Zoning	Land Use
Subject Site	Mixed-use Employment / Open Space	County LI – Light Industrial	Vacant / Oil Fields
North	Mixed-use Employment / Open Space	County LI – Light Industrial	Vacant
South	Mixed-use Employment	City LI Light Industrial	Vacant / Industrial
East	Mixed-use Employment / Community Business	City LI Light Industrial	Vacant / Industrial
West	Open Space / Industrial	County PUD – Planned Unit Development	Vacant

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

To accept the petition to annex and approve the annexation Ordinance, the Governing Body must make the following findings required in WS 15-1-402; a detailed analysis of which is below:

1) **An annexation of the area is for the protection of the health, safety and welfare of the persons residing in the area and in the city or town. [WS 15-1-402 (a) (i)]**

The annexation of this property will increase the health, safety, and welfare of the future occupants. By being in City limits, the property will receive access to City Fire and Police and sanitation services as they are extended to the area as it develops. This will allow for coordinated police and fire response and a larger response, improving emergency service coverage for future development in the area. By being within City Limits the property will be able to connect to City services such as water and sewer. Access to City water and sewer instead of relying on private wells and septic systems, reduce long-term groundwater impacts that could also affect downgradient properties.

The application **complies** with this review criterion.

2) The urban development of the area sought to be annexed would constitute a natural, geographical, economical and social part of the annexing city or town. [WS 15-1-402 (a) (ii)]

The land proposed for annexation which is roughly 45% contiguous, is currently mostly vacant with a couple of oil fields and is outside the Urban Service Boundary. A Future Land Use Map amendment has been submitted by the applicant to add this area to the Urban Service Boundary. The Urban Service Boundary was extended for Bison Business Park in 2020 when the area was annexed. The land is surrounded by mostly vacant land with some development to the west and a quarry to the north. The annexation of this property will benefit those who live within the City as it will provide more economic development opportunities as it develops over time and will become a part of the social and economic fabric that is Cheyenne.

The application **complies** with this review criterion.

3) The area sought to be annexed is a logical and feasible addition to the annexing city or town and the extension of basic and other services customarily available to residents of the city or town shall, within reason, be available to the area proposed to be annexed. [WS 15-1-402 (a) (iii)]

The area is a logical and feasible addition to the City due to the reasons previously listed. All City services normally available to residents will also be made available. Police and fire protection would be extended to the area. This area would be served by Fire Station Two which is the same station that serves Bison Business Park and Sweetgrass. Utilities such as water and sewer are to the west within Bison Business Park and would need to be extended to the area as it develops. Extension of water and sewer lines with the development of this property could facilitate future development in the vicinity and reduce the need for private wells and septic systems. The Board of Public Utilities have indicated that the area is serviceable, but further engineering is needed to determine exactly what will be need to serve the area.

The application **complies** with this review criterion.

4) The area sought to be annexed is contiguous with or adjacent to the annexing city or town, or the area meets the requirements of W.S. 15-1-407. [WS 15-1-402 (a) (iv)]

The land proposed for annexation is roughly 45.63% contiguous.

The application **complies** with this review criterion.

5) If the city or town does not own or operate its own electric utility, its governing body is prepared to issue one (1) or more franchises as necessary to serve the annexed area pursuant to W.S. 15-1-410. [WS 15-1-402 (a) (v)]

Utility franchises are in place to serve the annexed area.

The application **complies** with this review criterion.

- 6) The annexing city or town, not less than twenty (20) business days prior to the public hearing required by W.S. 15-1-405(a), has sent by certified mail to all landowners and affected public utilities within the territory a summary of the proposed annexation report as required under subsection (c) of this section and notice of the time, date and location of the public hearing required by W.S. 15-1-405(a). [WS 15-1-402 (a) (vi)]**

A certified mailing was made to the landowners and public utilities on May 7, 2026. Property owners within 300-feet of the area to be annexed were also mailed notice at this time. The public hearing for this annexation is scheduled for June 8, 2026. Twenty (20) business days (on the City's calendar) prior to the announced public hearing is May 8, 2026. The earliest confirmation of delivery was dated May 11, 2026.

The application **complies** with this review criterion.

CONFORMANCE WITH APPLICABLE PLANS:

The project is located in an area covered by the following plans:

- Plan Cheyenne

The Future Land Use Map of PlanCheyenne, as updated by Connect 2045, anticipates this area of the community to develop with Mixed-use Employment uses. These areas are expected to develop with full access to urban services – such areas are best served by being within City limits. The area is within the Urban Service Boundary.

PUBLIC NOTICE AND PUBLIC COMMENTS RECEIVED:

Although projects have public notice and the opportunity for public comments, projects are required to be approved or denied based on the review criteria (listed above). Public comments relevant to the review criteria may assist the review and discussion on the application.

The public was given notice of the project in the following ways:

- **Legal Notice** in the Wyoming Tribune Eagle published on May 16, 2026 and May 30, 2026.
- **Mailed Notice** was sent out by Staff on May 7, 2026 to all property owners within the annexation and within 300 feet of the area to be annexed.
- **Posted Notice** Evidence of posted notice was provided that signs were posted on May 22, 2026.
- **Internet Posting** on connect.cheyennecity.org on April 13, 2026.

As of the publication of the Staff Report (June 3, 2026), Staff has received no inquiries from the public on this project. The project page on the website has received 173 views and no comments.

STAFF REVIEW:

No major comments were received.

CONCLUSION:

Staff is satisfied that the application meets the review criteria and therefore recommends approval of the annexation.

The proposed annexation is a natural extension of the City, is contiguous to the current City limits, and services typically available to urban areas are available to be extended to this property.

STAFF RECOMMENDATION:

Staff recommends approval of the annexation of the property.

Application Information

This application has a deadline. The deadline is the second Wednesday of the month.
Application Schedule.

Please Note: Annexation applications may **not be withdrawn** (Wyoming State Statute 15-1-403 b). If mylars are not provided in an attempt to 'withdraw' the application, the City will hire a surveyor to produce mylars and invoice the applicant for the work preformed.

The property owner is aware this application may not be withdrawn.*

I understand final stamped and signed mylars are required prior to final Governing Body approval.*

Project Name* 

Highlands Annexation

Annexation Type*

Landowner Petition

Pursuant to UDC 2.4.2 and 2.2.8, the City zone assigned will be the standard City zone most closely matching the current County zone. If the assigned zone is not the desired zone, please also apply for a zoning map amendment. The anticipated assigned zoning based on the current County and City zoning requirements can be found on a policy document [here](#).

Annexation Review Criteria

The following review criteria are found in Wyoming State Statute regarding annexation. Please acknowledge the proposed annexation meets each review criterion by checking the box.

An annexation of the area is for the protection of the health, safety and welfare of the persons residing in the area and in the city or town (15-1-402 a i)*

The urban development of the area sought to be annexed would constitute a natural, geographical, economical and social part of the annexing city or town (15-1-402 a ii)*

The area sought to be annexed is a logical and feasible addition to the annexing city or town and the extension of basic and other services customarily available to residents of the city or town shall, within reason, be available to the area proposed to be annexed (15-1-402 a iii)*

The area sought to be annexed is contiguous with or adjacent to the annexing city or town (15-1-402 a iv)* 

Percent Contiguous*

45.63

No tract of land or any part thereof, whether consisting of one (1) parcel or two (2) or more contiguous parcels owned by one (1) landowner or owned jointly by two (2) or more landowners as cotenants, which comprises forty (40) acres or more and which together with the buildings or improvements situated thereon has an assessed valuation in excess of forty thousand dollars (\$40,000.00) as of the current assessment for property tax purposes, may be annexed without the written consent of the landowner or landowners, unless the tract of land is situated entirely within the boundaries of the annexing city or town (15-1-412)*

Zoning Assignment Review Criteria

The review criterion for a zoning assignment:

"1. The proposed zoning assignment is the most analogous City zone to the current zone when taking into consideration allowed uses. Zoning for standard county zones shall be assigned based on the policy document, while zones not listed on the policy document and terminated City zones shall be assigned a City zone on a case-by-case basis." (UDC 2.2.8.d.1)

If the assigned zone is not the desired zone, please submit for a separate zoning map amendment. Check the box to acknowledge this requirement.*

Certification

I hereby certify that I am the owner, applicant, or agent named herein and that I have familiarized myself with the rules and regulations with respect to the filing of this application and that the foregoing statements and answers contained on this application and accompanying documents are true and accurate to the best of my knowledge.*
