To: Mayor and Members of the Cheyenne City Council

Dear Mayor and Members of the City Council,

I am writing to respectfully introduce myself and to submit our application for a Bar and Grill Liquor License on behalf of Cheyenne Railyard LLC, doing business as The Railyard – Cheyenne.

My name is Chris O'Bryan, and I am the sole owner of The Railyard Restaurants, a Wyoming-based restaurant group built on a commitment to quality food, genuine hospitality, and strong community connection. The Cheyenne location represents our fourth Railyard restaurant in Wyoming, following successful operations in Laramie, Gillette, and Casper.

At The Railyard, our mission is simple: to provide great food, rare service, and a welcoming environment where guests can gather for any occasion—from family dinners to casual nights out. We take pride in being a locally owned and operated business that invests in its team members and contributes positively to the communities we serve.

The proposed Cheyenne location will continue that tradition. We are committed to operating responsibly, maintaining full compliance with all state and local regulations, and ensuring that alcohol service is conducted with the highest level of professionalism and care. Our management team is experienced in liquor license operations and staff training, and we place a strong emphasis on safe and responsible service practices.

In addition to creating jobs and contributing to the local economy, we aim to become an active part of the Cheyenne community by supporting local events, organizations, and partnerships whenever possible. We are especially excited about the opportunity to become part of the historic Cheyenne Depot and to support the events and programming held in the Depot Plaza. We believe The Railyard can complement this space by providing a welcoming gathering place for residents and visitors before, during, and after events, helping to further activate and enhance the downtown experience.

I appreciate your time and consideration of our application. I would welcome the opportunity to answer any questions or provide additional information as needed.

Thank you for your service to the City of Cheyenne and for your consideration.

Sincerely,  
Chris O'Bryan  
Cheyenne Railyard LLC

## LEASE AGREEMENT

This Lease Agreement, made and effective the 1st day of June 11, 2026 (the "Effective Date") through June 11, 2027 (lease end date) by and between the Cheyenne Depot Museum, Inc., a Wyoming non-profit corporation, (herein called "Lessor"), and **Cheyenne Railyard LLC** located at 115 W 15<sup>th</sup> St a Wyoming Limited Liability Company (herein called "Lessee").

### WITNESSETH:

That in consideration of the mutual promises and covenants hereinafter set forth, Lessor and Lessee agrees as follows:

#### 1. Premises

- 1.1 Lessor hereby leases, demises and lets to Lessee, and Lessee hereby leases and takes from Lessor, approximately 5,322 square feet located primarily on the first floor (the "Premises") of the building commonly known as the Historic Union Pacific Depot located in Cheyenne, Laramie County, Wyoming (the "Building") for the Term, subject to and upon the terms and provisions set forth herein and in consideration of the duties, covenants and obligations of the other hereunder. The Premises are more particularly shown on the floor plan attached hereto as Exhibit A. The Premises shall also include space on the south exterior and immediately adjacent to the Building approximately 29 feet by 106 feet amounting to 2,987 square feet and space on the north exterior and immediately adjacent to the Building approximately 25 feet by 106 feet amounting to 2,650 square feet. The Premises shall also include basement space of approximately 1,400 square feet solely in the east wing of the Building.
- 1.2 Lessor further grants to Lessee during the Term, and any renewals or extensions thereof, a non-exclusive license to use (a) the sidewalks, driveways and other exterior Common Areas, and (b) the lobbies, public corridors and other interior Common Areas, for the purpose of ingress and egress to and from the Building and the Premises and for any other purpose expressly provided in this Lease, in common with Lessor, other tenants of the Building, and their respective employees, contractors, guests, visitors and invitees. The term "Common Areas" as used herein shall mean all areas of the Building devoted to open corridors, lobbies, elevator foyers, restrooms, vending areas, driveways, streets, sidewalks, elevated walkways and other similar facilities which Lessor makes available for the common use or benefit of tenants generally and/or the public, but in any event shall consist of a common area in and around the eastern first floor restrooms. Lessor shall provide Lessee with access to the Premises 24 hours a day, seven days a week, including holidays.
- 1.3 The Premises includes the non-exclusive right to use approximately 32 City of Cheyenne owned parking spaces located in the lot immediately adjacent and to the north of the Building seven days per week. It shall not be the responsibility of the Lessor to manage these spaces in regard to keeping them vacant for Lessee.

- 1.4 Lessee acknowledges that this is a Sublease and that Lessor under this Lease is in turn a Lessee in a Lease dated January 3, 2003 (the "Master Lease"), with the owner of the Building, the City of Cheyenne (herein called "Owner").

2. Term

- 2.1 The Term of this Lease ("Term") shall commence upon June 1, 2026 (the "Commencement Date") and shall continue for a term of **one** year unless extended or earlier terminated as herein set forth.
- 2.2 Lessee is hereby granted the option to renew this lease for **three (3)** additional **three (3)** year terms provided that notice of exercise of said option is given by Lessee in writing to Lessor at least 90 days prior to the termination of the then-current term of this Lease (whether the initial Term or a three-year extended term). All provisions of this Lease applicable to the original term thereof shall apply with equal force to the extended terms.
- 2.3 At the conclusion of the third extended term of this Lease, the Lessee shall be granted the 'right of first refusal' on negotiating a new lease on the Premises. Lessee may give Lessor notice of its desire to negotiate a new lease at any time during the six-month period preceding the expiration of the third extended term of this Lease, in which case the parties shall enter into good faith negotiations on a new lease. If the parties are unable to reach agreement by a date that is three (3) months prior to the termination of the third extended term, Lessor may at that time negotiate with third parties as to a potential lease but shall not do so before such date.

3. Leasehold Improvements

- 3.1 Except as otherwise provided in this Lease, Lessee will not make or allow to be made any alterations, additions or improvements to the Premises without first obtaining the written consent of Lessor. Notwithstanding anything contained herein to the contrary, after the Commencement Date, Lessee will have the right to make non-structural improvements and non-structural alterations to floors leased solely by Lessee without Lessor's prior written consent. In any event, whether Lessor's consent is required with respect to any such alterations, additions or improvements: (A) Lessee shall provide Lessor with city-approved plans and a copy of Lessee's building permit at least ten (10) working days prior to the commencement of any such work; (B) such alterations, additions and improvements shall not materially adversely affect the mechanical, electrical and plumbing systems of the Building, or adversely affect in any manner the structural integrity of the Building; and (C) all work to be performed by or for Lessee pursuant hereto will be performed, at Lessee's sole cost and expense, in compliance with all applicable laws, rules, ordinances, and regulations of any public authority having jurisdiction over the Building and/or Lessee. Any and all alterations to the Premises that are not otherwise removable by Lessee pursuant to this Lease shall become the property of Lessor upon termination of this Lease and Lessee shall have no

obligation or right to remove such alterations or improvements at the end of the Term. Lessee agrees not to make any alterations that would affect the structural integrity or mechanical, electrical and plumbing systems of the Building without Lessor's prior written consent, which consent may not be unreasonably withheld.

- 3.2 Lessee shall obtain the prior written consent of Lessor before installation of any signs. Such signs shall comply with all local ordinances and be reasonable in size, and attractive in appearance. Lessee shall pay all costs of erection and maintenance of such signs.

#### 4. Signs

- 4.1 Lessee shall be entitled to exterior signs on or adjacent to the Building in accordance with the sign code of the City of Cheyenne which shall be coordinated with the overall site-plan for the Depot Museum and Heritage Square. After initial signage has been agreed to between Lessee and Lessor, no additional sign or replacement sign, advertisement or notice shall be affixed to or placed upon the exterior of the Building by Lessee, except in such a manner and of such size, design and color as shall be approved in advance in writing by the Lessor and the Owner.

#### 5. Rental

- 5.1 "Rent": During the initial lease term the Lessee shall pay Lessor \$8200 per month (\$7,200 per month as base rent plus \$1,020.00 in CAM Charges). In subsequent renewal terms if elected, as of June 1, 2026, Lessee shall pay to Lessor a monthly rent and expense amount of \$7247.00 per month (\$6186.00 base rent plus \$1,061.00 CAM Charges.). This amount is a 4% increase from the 2020 Lease renewal. Each year after the first year of the first renewal term, the base rent will be increased by the rate of increase per the Southeast Wyoming Cost of Living Index (SEWYCLI) computed by averaging the last four published quarters; provided that the base rent shall never be increased by less than 1.0% or by more than 4.0% over the base rent of the previous year. Lessor shall notify Lessee in writing of the increase in Rent calculated under this Section 5 and upon notification, the Rent amount shall be due and payable as described under Section 5.4.

- 5.2 *Intentionally left blank.*

- 5.3 Charges, insurance and other expenses the Lessee assumes or agrees to pay hereunder, together with all interest or penalties that may accrue thereon in the event of the failure of Lessee to pay those items and all other damages, costs, expenses and sums that Lessor may suffer by reason of an Event of Default by Lessee shall be deemed to be rent in addition to the rent set forth in Section 5.1 above and in the event of nonpayment, Lessor shall have all the rights and remedies as herein provided for failure to pay rent.

- 5.4 All payments shall be made to Lessor at P.O. Box 2160, Cheyenne, Wyoming 82003 or such other addresses as Lessor may from time to time designate. The rental payment shall be payable monthly in advance without notice before the first of each month during the term of the Lease. Any amount payable to Lessee

pursuant to this Lease not paid within 5 days after the due date therefore shall be subject to a late charge of \$100 per day added for each day as liquidated damages.

6. Use of Premises

6.1 During the term hereof or any renewal or extension thereof, Lessee shall use the Premises for restaurant and bar purposes (including preparation and sale of food and other food services as well as the sale and consumption of beer and other alcoholic beverages) and any other ancillary uses that are customary for a restaurant business. Lessee agrees to always operate its business according to the laws of the State of Wyoming, in compliance with all food service regulations and all rules and regulations relative to Lessee's liquor license. The Premises shall not be used for any other use, unless such other use is approved by Lessor. Lessee shall not commit or permit any nuisance from or upon the Premises or in or near the Building or Heritage Square due to its use of the Premises.

7. Covenants of Lessor

7.1 Lessor hereby covenants and agrees with Lessee as follows:

- (i) That Lessee shall have quiet use and enjoyment of the Premises, except as provided herein; that Lessee shall have the right to non-exclusive use, in common with Lessor and other Tenants of the Building, of necessary space in the Building not otherwise included in the Premises, including the eastern first floor restroom, sidewalks, loading facilities and similar common elements existing or constructed in the future; that Lessor has authority over the Premises so as to enable Lessor to enter into this Agreement; and that the Premises is and will not be encumbered in any way so as to hinder or obstruct Lessee's proposed use thereof, including no encumbrance or obstruction due to existing easements, zoning ordinances or building restrictions. Lessor, at Lessor's sole cost and expense, will comply with and conform to all federal, state and local laws, ordinances and all regulations of any agency or regulatory body, relating to the Building other than with respect to Lessee's use of the Premises.

8. Covenants of Lessee

8.1 Lessee hereby covenants and agrees with Lessor as follows:

- (i) That Lessee has received the Premises in good order and condition and agrees to keep said Premises in the same condition and to vacate the Premises at the end of the Lease Term in as good order and condition as received by Lessee, loss by fire or inevitable accident or ordinary wear and tear excepted.
- (ii) That Lessee shall maintain all furniture, fixtures and equipment in good order and repair at all times and will replace them as necessary at Lessee's sole expense.

- (iii) That Lessee, at Lessee's sole cost and expense, shall comply with and conform to all federal, state and local laws, ordinances, and all regulations of any agency or regulatory body thereof, relating to its use of the Premises.

9. Maintenance and Repairs

- 9.1 Lessee has visually inspected the Premises and acknowledges that the Premises appears in good order and repair from the date of execution hereof. Lessee will, at Lessee's own cost and expense, keep the Premises in good condition and repair, and shall repair or replace to the reasonable satisfaction of Lessor, under the supervision of the Lessor, any injury or damage done to the Premises caused by Lessee or Lessee's guests, invitees, agents, contractors or employees (at Lessee's expense, to the extent not covered by Lessor's insurance).
- 9.2 Lessee acknowledges that the Master Lease obligates Owner to perform maintenance and repairs of the roof, Building structure, electrical system, plumbing system, sewer system, heating and cooling systems, and other "extraordinary maintenance and repairs." To the extent the Owner fails to do so, Lessor agrees that it shall be its, and not Lessee's, responsibility to make such repairs and pay for the cost of the same.
- 9.3 If during the term of this Lease, the Building or the Premises is destroyed, injured or damaged by fire, the elements or other cause so as to render the Premises unfit for occupancy or render the Building unfit for operation of Lessee's business in said Building or if said Building or the Premises is condemned, declared unsafe or directed to be repaired or rebuilt by a duly constituted governmental body, then either party shall have the option of terminating this Lease in its entirety or as to the portion of the property rendered unfit for the operation of the Lessee's business, in which case both parties shall be relieved of any further obligations under the terms of the Lease and Lessee shall surrender possession thereof to the Lessor; provided, however, that if the injury or damage to or the condition of the Building or Premises is such that the Lessor can and does restore the Premises (and Lessor notifies Lessee in writing of its intent to make such repairs within 30 days after the happening of such event), make the necessary repairs or comply with the governmental order within 90 days of the happening of such event, then this Lease shall be continued; provided that Rent shall be abated during any period that Lessee's use of the Premises is interrupted and Lessee shall be responsible for and pay any costs or repair not covered by insurance.
- 9.4 Lessee will take any reasonable steps which may be necessary at Lessee's expense to prevent any odors associated with Lessee's use from entering other parts of the building.
- 9.5 Restroom Maintenance
  - (i) Lessor shall be responsible for maintaining and cleaning the first-floor lobby restrooms during all hours that the Building or the Premises are open. Lessor shall ensure that restrooms are cleaned in accordance with the

standards set forth on the attached Exhibit C and that they are maintained in a manner to ensure all fixtures therein are in good working order and repair.

- (ii) The restrooms will be stocked by Lessor with commercially acceptable restroom paper goods and associated cleaning supplies and equipment.
- (iii) All costs associated with maintenance and cleaning of the restrooms under subsection (i) and with stocking the restrooms under subsection (ii) shall be borne exclusively by Lessor, it being the parties' agreement that the monthly CAM Charges are intended to reimburse Lessor for Lessee's share of the cost of such expenses.

## 10. Insurance

- 10.1 Lessee agrees to obtain and maintain from the date of this agreement, at Lessee's expense, public liability insurance to protect against any liability incident to the use of or resulting from any accident occurring in or about the Premises or the sidewalks adjacent thereto, the minimum coverage under such insurance to be \$1,000,000.00 for single limit coverage accident.
- 10.2 Lessee agrees to obtain and maintain from the date improvements are constructed on the Premises at Lessee's expense, fire, damage, and extended coverage insurance on the alterations and additions made by Lessee to the Premises and all of Lessee's fixtures, furniture and equipment for full replacement value thereof of an 80% co-insurance form insuring against all risks of direct physical loss and exclude such unusual perils as nuclear attack, earth movement, flood and war together with plate glass insurance sufficient to discharge Lessee's obligations as herein provided.
- 10.3 Each such insurance policy required under this Section 10 shall be issued by an insurance company of recognized standing authorized to do business in the State of Wyoming and satisfactory to Lessor. The policies required in the above paragraphs shall name the Lessor and Lessee as insured loss payees and where applicable proceeds shall be payable to the Lessor and Lessee as their interests may appear. All such policies shall provide that no cancellation or termination thereof or any material modification thereof shall be effective, except on ten days prior written notice to Lessor. Certificates evidencing any insurance required under this Section 10 shall be delivered to Lessor upon the Commencement Date and each anniversary date thereof. Failure to provide such certificates shall be considered an event of breach and Lessor may exercise any of its related rights under Section 14.
- 10.4 Without Lessor's prior written consent, Lessee shall not carry any stock of goods or do anything in or about the Premises which would in any way tend to increase insurance rates or invalidate any policy on the Premises or the Building in which the same are located and carried on Lessor's operation of the Building. If Lessor shall consent to such use, Lessee agrees to pay as additional rent any increase in premiums for insurance against loss by standard fire and extended coverage resulting from the business carried on in the Premises by Lessee; provided that (i)

such increase is not generally related to regular office use but is triggered by a specific use of Lessee, and (ii) Lessor provides reasonable evidence to Lessee that such specific use by Lessee caused such increase. The obligations of Lessee as contained in this Article shall infer directly to Lessor and shall not be invalidated by any act of neglect or default of Lessor nor by any change in title or ownership of the Premises.

10.5 *Intentionally left blank.*

- 10.6 Notwithstanding anything in this Lease or any insurance policy to be obtained under this Lease to the contrary, Lessor and Lessee hereby waive any and all rights of recovery, claims, actions and causes of action against each other, their respective agents, servants, employees, officers, directors, shareholders, partners, architects, contractors, subcontractors, attorneys, customers and invitees and their respective insurance carriers, for all loss or damage that may occur to the Premises, the Building, the contents of the Building and the Premises, or any personal property of such party therein, by reason of any cause, but only to the extent insured against (or required to be insured against hereunder) by their respective property insurance policies described in this Lease, regardless of cause or origin of such loss or damage, including, without limitation, **SOLE, JOINT, OR CONCURRENT NEGLIGENCE, SOLE, JOINT, OR CONCURRENT GROSS NEGLIGENCE, WILLFUL MISCONDUCT, STRICT LIABILITY, OR OTHER FAULT OF EITHER OR BOTH OF THE PARTIES HERETO AND THEIR RESPECTIVE AGENTS, SERVANTS, EMPLOYEES, OFFICERS, DIRECTORS, SHAREHOLDERS, PARTNERS, ARCHITECTS, CONTRACTORS, SUBCONTRACTORS, ATTORNEYS, CUSTOMERS, AND INVITEES.** Each party waives and covenants that no insurer shall hold (and hereby waives on behalf of each such insurer) any right of subrogation against such party as a result of such claims. The parties shall, if necessary to effect the provisions of this Section 10.6, cause their respective insurers to waive any rights of subrogation in accordance with this Section 10.6. The foregoing waiver of recovery and subrogation provisions shall also apply to any other insurance obtained and maintained by either Lessor or Lessee, except such waivers shall be limited to liabilities and indemnities assumed under this Lease by Lessor or Lessee, respectively.

11. Utilities

- 11.1 Lessor or Owner shall furnish the following services for the occupied portions of the Premises:
- (i) heating, ventilation, and air conditioning (**HVAC**) for normal business operations, 24 hours a day, 7 days a week, at temperatures and in amounts as are standard for general office use in commercial buildings of comparable quality in Cheyenne, Wyoming;
  - (ii) hot and cold water (at the normal temperature of the water supply to the Building) for lavatory and toilet purposes, and hot water (from the regular

Building supply at prevailing temperatures) for lavatory purposes to restrooms located in the core area of the Building only, all water service to be at supply points provided for general use of lessees of the Building through fixtures installed by Lessor, or by Lessee with Lessor's prior consent;

- 11.2 The cost and expense of subsections (ii), (iii) and (iv) of Section 11.1 shall be borne exclusively by Lessor, it being the parties' agreement that the monthly CAM Charges are intended to reimburse Lessor for Lessee's share of the cost of such expenses.
- 11.3 Lessee shall pay directly to the applicable utility service provider all charges for telephone and cable service serving the Premises, for HVAC charges to the Premises (as set forth in Section 11.1(i) above), and any other utility charges that are separately metered and can be billed directly to Lessee for the Premises. Any other utilities serving the Premises that are not separately metered shall be included in base rent. Any utility charges for common areas shall be borne by Lessor, with Lessee's share of the same being paid by Lessee's payment of monthly CAM Charges. Lessor represents and warrants that, to the best of its knowledge, the Premises are currently served by water, electric and gas utility companies and that those utility services are separately metered to the Premises and are operable.
- 11.4 Lessor does not warrant or guarantee the continued availability of any or all of the utility services necessary or desirable for the use of the Premises by the Lessee. In no event shall the interruption diminution or cessation of such availability be construed as an actual or constructive eviction of the Lessee nor shall Lessee be entitled to any abatement of its rent obligations under this Lease on account thereof, except as set forth in Section 11.5 below. In the event that a deposit is required by public or quasi-public organization in order to furnish or agree to furnish any service to the Premises, Lessee agrees and covenants to pay such charge or deposit or its pro rata share thereof. Any money so paid shall not entitle the Lessee to an offset or reduction of its rent liability under this Lease nor shall the Lessor be obligated to return, repay or credit the Lessee for any money so paid.
- 11.5 Lessor shall not be liable for any interruption whatsoever in utility services not furnished by it, nor for interruptions in utility services furnished by it which are due to fire, accident, strike, acts of God or other causes beyond the control of Lessor or in order to make alterations, repairs or improvements. Notwithstanding anything in Section 11 to the contrary, if there is an interruption in one or more of the Essential Services (hereinafter defined) to be provided by Lessor, and (a) such interruption renders all or a portion of the Premises Untenantable by Lessee and Lessee, in fact, ceases to use such Untenantable space, and (b) such interruption continues for three (3) consecutive days after receipt by Lessor of written notice from Lessee specifying such interruption with particularity, then, Lessee, as Lessee's exclusive remedy therefor, shall be entitled to an abatement of base rent with respect to that portion of the Premises rendered Untenantable by Lessee as a result of such interruption retroactive to the first day of such interruption until such time as such Essential Services are restored to the extent that such portion of the Premises is

again rendered tenantable by Lessee; provided, however, if such interruption in one or more Essential Services renders twenty-five percent (25%) or more of the Premises Untenantable for forty-five (45) consecutive days, then Lessee shall have the right to terminate this Lease prior to, but not after, the restoration of such services by delivering written notice thereof to Lessor. For purposes of this Section 11, "Essential Services" shall include electricity, heating, ventilation and air-conditioning, and water, and the term "Untenantable" shall mean the condition whereby Lessee is not reasonably able to use the Premises or a portion thereof for the conduct of its business.

12. Property Taxes and Assessments

12.1 **[This Paragraph Intentionally Omitted.]**

13. Indemnification

13.1 Subject to Section 10.6, Lessor releases Lessee, its parent, subsidiaries and affiliates, and its and their respective agents, servants, employees, officers, directors, shareholders, partners, architects, contractors, subcontractors, attorneys, customers and invitees ("Lessee-Related Parties") from all liability for any injury or damage to person or property occurring in any area of the Building other than the Premises and common areas used by Lessee. Subject to Section 10.6 hereof, Lessee agrees that it will indemnify, protect, defend and hold Lessor harmless of, from and against all claims, demands, actions, damages, loss, cost, liabilities, expenses and judgments (collectively "Claims and Losses") suffered by, recovered from or asserted against Lessor on account of injury or damage to person or property occurring on or in the Premises except to the extent that such losses are caused in whole or in part by Lessor or any of its agents, servants, employees, officers, directors, shareholders, partners, architects, contractors, subcontractors, attorneys, customers and invitees ("Lessor-Related Parties"). The obligations under this paragraph shall survive the expiration or earlier termination of this Lease.

13.2 Subject to Section 10.6 hereof, Lessee releases Lessor and all Lessor-Related Parties from all liability for any injury or damage to person or property occurring in the Premises. Subject to Section 10.6 hereof, Lessor agrees that it will indemnify, protect, defend and hold Lessee harmless of, from and against all Claims and Losses suffered by, recovered from or asserted against Lessee on account of injury or damage to person or property occurring on or in portions of the Building other than the Premises and common areas except to the extent that such losses are caused in whole or in part by Lessee or any Lessee-Related Parties. The obligations under this paragraph shall survive the expiration or earlier termination of this Lease.

14. Default

14.1 Upon the occurrence and during the continuance of any Event of Default (hereinafter defined) by Lessee, Lessor may, in addition to any other remedy or right given by law, terminate this Lease by service of written notice of such

termination upon Lessee and thereupon enter upon said Premises, or any part thereof, upon the date specified in such notice and retake possession of said Premises. If Lessor elects to so terminate the Lease, Lessor shall have the right at its election to re-enter the Premises, with or without legal process, and to remove all property and effects of Lessee; and if Lessor so desires, re-let the Premises or any part thereof upon reasonable terms and to such persons as may seem appropriate to Lessor, at the sole discretion of Lessor. Lessor shall have no duty to relet the Premises or a portion of the Premises to a new lessee which it determines to be unfit to occupy the space, whether such determination is due to lack of financial qualification, failure to fit with the historic nature of the Building, lack of experience in business, or any other reason. In the case of such re-letting, Lessee shall be liable to Lessor for the difference between rents and payments herein provided for the remainder of the term of this Lease and the net rent realized by Lessor upon re-letting. Such net rent shall be determined by deducting from the entire rent received upon re-letting the reasonable expense of recovery of possession, re-letting (including, but not limited to, reasonable broker's fees and expenses). Lessee agrees to pay such deficiency each month as the same may occur.

14.2 Each of the following shall be deemed an Event of Default:

- (i) Lessee's failure to pay the rents provided for herein within ten days after such amounts are past-due. Lessee's payment subsequent to the tenth day after Rent is due shall not cure this Event of Default and Lessor shall retain all rights to hold Lessee in Default for thirty days subsequent to such payment.
- (ii) Any three payments of rents by Lessee made after the date such rents are due within any twelve (12) month period. Lessee's subsequent on-time payments shall not cure this Event of Default and Lessor shall retain all rights to hold Lessee in Default at any time during a twelve (12) month period in which Lessee has made three or more late payments.
- (iii) Breach by Lessee of any of the other non-rental covenants or other obligations of Lessee set forth herein, and failure by Lessee to commence the cure of such breach upon thirty days' notice in writing thereof given by Lessor, and thereafter to diligently pursue the curing of the same.
- (iv) Except as otherwise provided herein, failure of Lessee to remain in continuous operation of its restaurant and brew pub business without the prior written consent of Lessor.
- (v) Dissolution or insolvency of Lessee.
- (vi) The making of assignment of Lessee for the benefit of creditors or the filing by Lessee or against Lessee of a petition in bankruptcy, the appointment of a receiver or trustee for Lessee's property, the filing of any petition against Lessee for the foreclosure of any lien against said leasehold, or the levy of any writ of execution upon said leasehold.

14.3 The following events shall be events of default by Lessor under this Lease: (A) Lessor shall fail to pay any sum of money required to be paid by Lessor to Lessee under this Lease and such failure continues uncured for a period of thirty (30) days following written notice thereof from Lessee; or (B) Lessor shall fail to comply with any other term, provision or covenant of this Lease as and when required hereunder, and such failure continues for a period of thirty (30) days following written notice thereof from Lessee, or if such failure cannot be reasonably be cured within such thirty (30) day period but is reasonably capable of being cured, Lessor fails to commence the cure of such failure within said thirty (30) day period and diligently pursue same to completion. If an event of default by Lessor occurs under this Lease, Lessee may take such action as may reasonably be required to cure such event of default by Lessor and Lessor agrees to reimburse Lessee within thirty (30) days following request (which request shall be accompanied by invoices and evidence of payment of all costs incurred in connection therewith, including without limitation, lien waivers and releases from all subcontractors and suppliers), the reasonable costs paid by Lessee to third parties in effecting the cure of such event of default by Lessor (the "Cure Expenses"). If Lessor fails to reimburse Lessee in the amount of the Cure Expenses within thirty (30) days following written request from Lessee, as provided above, or if Lessor fails to timely pay to Lessee any sum which is due and payable by Lessor to Lessee pursuant to the provisions of this Lease, and such failure remains uncured for a period of thirty (30) days following written notice thereof from Lessee, then Lessee shall have the right to offset such sums, against the rent next becoming due under this Lease.

15. Assignment or Subletting

15.1 Lessee may not mortgage, pledge, assign or sublease any right, title or interest that Lessee has in and to this Lease as to any portion of the Premises herein leased or otherwise allow occupancy to another without the prior written consent of Lessor, which agrees to independently evaluate such request based on the nature of the business, the appropriateness of the business in light of the historic nature of the Building and the qualifications of the potential sublessee. In any event, the sublessee or assignee and the Lessee shall remain bound by the terms of this Lease.

16. Notices

16.1 Any notices which Lessor may desire or be required to serve upon Lessee shall be served upon deposit in the United States mail, registered or certified, postage paid, addressed to Lessee at the leased premises.

And any notices which Lessee may desire or be required to serve upon Lessor shall be served upon deposit in the United States mail, registered or certified, postage prepaid, addressed to Lessor at:

Cheyenne Depot Museum, Inc.  
P.O. Box 2160  
Cheyenne, WY 82003

Subject to the right of either party to change such address for notice purposes by advising the other party in writing. All notices given by Lessor shall be sent to Lessee even though Lessee has sublet all or part of the premises or has assigned all or part of its right and interest hereunder.

17. Waiver

- 17.1 The waiver by Lessor and Lessee of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition or of any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of rent hereunder by Lessor shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant, or condition of this Agreement, other than the failure of Lessee to pay the particular rent so as accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of such rent.

18. Inspection

- 18.1 Provided that Lessor has provided Lessee with at least twenty-four (24) hours prior written notice (except in the case of emergencies, in which case reasonable notice, taking into account the type of emergency, shall be required), Lessor, its agents, employees, representatives and contractors, accompanied by a representative of Lessee (at Lessee's option), shall be permitted to enter into and upon any part of the Premises at all reasonable hours (and in emergencies at all times, by any means Lessor may reasonably deem necessary and proper, and without liability therefor, except in the case of negligence or willful misconduct of Lessor) to inspect the same, or to make repairs, alterations or additions thereto, to show the Premises to prospective purchasers and prospective or existing insurers, or during the portion of the Term following expiration of Lessee's renewal option, to show the Premises, or applicable portion thereof, to prospective tenants, and Lessee shall not be entitled to any abatement or reduction of rent by reason thereof. As to any entry by Lessor or its contractors, agents or representatives within the Premises, Lessor agrees to (i) prosecute completion of any work within the Premises diligently, (ii) use reasonable, good faith efforts to minimize any interference with Lessee's use, access, occupancy and quiet enjoyment of the Premises as a result thereof, and (iii) use reasonable, good faith efforts to protect Lessee's property located in the Premises from damage as a result thereof.

19. Redelivery of Possession

- 19.1 Upon the expiration of the term herein set forth, or any extension hereof or upon termination of this Lease in any manner herein provided, Lessee shall surrender possession and occupancy of the Premises, without any other or further notice than under the terms of this Lease.
- 19.2 Such surrender shall not include Lessee's Trade Fixtures Which Lessee shall be entitled to remove from the Premises on or before the expiration or earlier termination of this Lease. Lessee's Trade Fixtures shall include all personal

property and fixtures installed by Lessee, with the exception of wall and floor coverings. All of such Lessee's Trade Fixtures as well as Lessee's machinery and equipment and furniture shall be and remain the personal property of Lessee or such other occupants and the same are herein sometimes referred to as "Lessee's Trade Fixtures." Provided an Event of Default by Lessee is not continuing, Lessee's Trade Fixtures may be removed from time to time by Lessee or other occupants of the Premises; provided, however, that if such removal shall injure or damage the Premises, Lessee shall reasonably repair the damage and place the premises in the same condition they would have been in if such Lessee's Trade Fixtures had not been installed, ordinary wear and tear excepted.

20. Condemnation

20.1 In the event the whole or any part of the Premises shall be taken by right of eminent domain or by conveyance in lieu thereof in connection therewith, any compensation or damages shall be paid to Lessee and Lessor separately as their respective interests and rights are established, and in addition, if all or substantially all of the Premises shall be deemed to have been taken, or if a taking under any such proceeding shall involve such an area of the Premises, including a portion of the improvements thereon, that Lessee cannot reasonably operate the remainder of the Premises or the business being conducted on the Premises by Lessee at the time of such taking is materially adversely affected by the taking, this Lease may be terminated at the option of Lessee.

21. Lessor's Performance of Lessee's Covenants

21.1 Should Lessee at any time fail to do any of the things required to be done by it under the provisions of this Lease, Lessor, following thirty (30) days written notice to Lessee of such failure, may (but shall not be required to) do the same or cause the same to be done, and any amounts paid by Lessor in connection therewith shall be added to the rent due on the next rental payment after the payment, together with interest at the rate of 18% per annum from the date of payment.

22. No Partnership

22.1 This Agreement shall not create any partnership, joint enterprise, or joint venture between Lessor and Lessee.

23. Security Deposit

23.1 Lessee shall pay Lessor a security deposit on or before the Commencement Date of the Lease Term which shall be equal to the first month's rental under this Lease. Failure to pay such security deposit shall be deemed an event of default. The Lessor shall repay to the Lessee the security deposit or any balance thereof upon the termination or expiration of the Term of this lease or any extension thereof, by crediting the same on account of payment of the rent for the last month of the Lease or additional term, as the case may be. In the event of any failure in the payment of rent or other sum, or of any default by the Lessee in the performance of the terms,

provisions, and conditions of this lease, the Lessor shall have the right to apply the security deposit against any loss, costs, fees, and expenses caused thereby.

24. Time of the Essence

24.1 Whenever any periods of time are provided for in this Lease, it is agreed that time is an essential element of the same.

25. Miscellaneous

25.1 This agreement constitutes the entire agreement of the parties and shall supersede and replace all prior negotiations, leases, or oral agreements, or representations between or among the parties; it may not be changed orally but must be amended or modified only in writing that has been executed by both parties hereto.

25.2 The agreement shall be governed, construed and interpreted by, through and under the laws of the State of Wyoming.

25.3 The provisions of this Lease shall extend to and be binding upon Lessor and Lessee and their respective legal representatives, successors and assigns.

25.4 This Lease supersedes and replaces any prior existing written agreements of the Parties in conflict with the terms enumerated herein.

25.5 This Lease shall be binding upon and insure to the benefit of the successors and assigns of Lessor, and shall be binding upon and insure to the benefit of Lessee, and with the prior written approval of Lessor, its successors and assigns.

25.6 The caption of each Section or paragraph hereof is added as matter of convenience only and shall be of no effect in the construction of any provision or provisions of the Lease.

26. Attorney's Fees

26.1 In the event Lessor incurs attorney's fees pursuant to the enforcement of any provision of this agreement, the Lessee agrees to payment of such attorney's fees.

IN WITNESS WHEREOF, the parties hereto have caused this Lease Agreement to be executed as of the day and year first above written.
