Dear Mayor Patrick Collins and members of City Council
2101 O'Neil Avenue
Cheyenne WY 82001

This letter is to introduce myself as the new owner of Mongolian Grill, now named Mongolian Bar & Grill, located at 1637 Stillwater Ave, suite C, Cheyenne WY 82009.

My name is Robin Cozad and I have been a full time resident of Cheyenne since 2012. During this time I have opened and ran a few different types of businesses locally. I thoroughly enjoy volunteering for CFD, being a stage manager for Contract Acts. I have been volunteering doing that for many years. I am a sponsor and participant assisting Bryan Grzegorzcyk (aka Alf) during Thankful Thursdays. While I enjoy having these businesses and my volunteer time, my dream has always been to open a Bar and Grill.

As I am sure you are aware the Mongolian Grill has been in Cheyenne for many years. My family and I enjoyed dining there. It was disheartening when out-of-state owners acquired the restaurant and it went downhill. It got a bad reputation with staff not being friendly and food not being good anymore and cleanliness lacking. When I heard that those owners were willing to sell the restaurant, I jumped at the opportunity to become the new owner. I am excited to revamp Mongolian Grill to a clean, friendly place to enjoy great fresh food. I have already made some positive changes to the menu and the atmosphere. One of the main changes I would like to make is adding a Bar. I have changed the name to Mongolian Bar and Grill in anticipation of getting the liquor licence. I believe adding a bar will definitely be beneficial as it will add revenue while being a fun and safe place to dine for the residents and guests of Cheyenne.

I appreciate your time letting me introduce myself and share my vision in making changes to significantly improve a staple restaurant in Cheyenne.

Again, Thank you for reading.

Sincerely,
Robin Cozad

Landlord represents and warrants to Tenant that as of the date of this Lease, to Landlord's actual knowledge, the Project, including the Common Areas are in material compliance with the ADA.

- 2 TENANT'S DUTY TO REPAIR

- a Tenant shall keep and maintain in good order, condition and repair (including any replacement and/or restoration as is required for that purpose) the Leased Premises and every part thereof and any and all appurtenances thereto wherever located, including, but not limited to, items such as glass, doors, partitions, ceilings, flooring, plumbing and plumbing fixtures, heating and air conditioning systems, electrical fixtures and systems, and all similar items.
- b Tenant shall keep and maintain the Leased Premises in a clean, sanitary and safe condition and in accordance with all statutes, ordinances and directions, rules and regulations of any governmental agency as relate to the Leased Premises, including any changes thereto as may be required for Tenant's continued use thereof, at the sole cost and expense of Tenant. required to, make and complete said repairs and Tenant shall pay the cost thereof to Landlord as additional rent upon demand.

- 3 SURRENDER OF LEASED PREMISES At the expiration of the term of this Lease, Tenant agrees to deliver the Leased Premises in substantially the same or better condition as received by it on the commencement date (subject to the removals required herein) of this Lease, reasonable wear and tear expected. Any Tenant Improvements permanently attached to Leased Premises herein are deemed a part of, and integral to the Leased Premises. Tenant's obligation to observe or perform this covenant shall survive the expiration or termination of the Lease term. - 4 TENANT'S ALTERATIONS Tenant shall not alter the Leased Premises and shall not install any fixtures or equipment to be used in connection with Tenant's business which affect the said Premises in any manner without first obtaining the written approval of Landlord to such fixtures and equipment, and the Landlord's approval of the manner in which said fixtures and equipment are to be installed and located in the Leased Premises, which approval shall not be unreasonably withheld. Nothing in this Lease shall be construed to authorize Tenant or any person dealing with or under Tenant to charge the rents of the Leased Premises or the property of which the Leased Premises form a part or the interest of Landlord in the estate of the Leased Premises or any person under and through whom Landlord have acquired their interest in the estate of the Leased Premises with a mechanic's lien or encumbrance of any kind. Under no circumstances shall Tenant be construed to be the agent, employee or representative of Landlord in the making of any such alteration or improvement to the Leased Premises, but, on the contrary, the right or power to charge any lien, claim or encumbrance of any kind against Landlord's rents or the Leased Premises is denied. If a mechanic's or materialmen's lien is threatened by any contractor or supplier, or in the event of the filing of a notice of any such lien, Tenant shall either (1) promptly pay the same and take steps immediately to have said lien removed, or (2) file a bond pursuant to Wyoming statutory provisions and have said lien removed. If said lien is not removed or bonded over, with a bond acceptable to Landlord in Landlord's sole discretion, within fifteen (15) days from the date of written notice from Landlord to Tenant requiring the same, Landlord shall have the right, at Landlord's option, of paying the same or any portion thereof and the amounts so paid, including attorney's fees and expenses connected therewith and interest at the rate of 1.5 percent per month on any sums paid or advanced shall be deemed to be additional rent due from Tenant to Landlord and shall be paid to Landlord immediately upon rendition to Tenant of the bill therefore. Tenant will indemnify and save Landlord harmless from and against any loss, claims, damages, costs, or expenses suffered by Landlord by reason of any repairs, installations or improvements made by Tenant.

ARTICLE V INSURANCE

- 1 LIABILITY OF TENANT Tenant shall protect, indemnify and save Landlord harmless from and against all and any liability and expense of any kind except for Landlord's negligent or willful acts arising from injuries or damages to persons or property on the Leased Premises arising out of or resulting in any way from any act or omission of Tenant, its agents, servants and employees, in the use of the Leased Premises during the term of this Lease.
- 2 NOTICE, OR CLAIM OF SUIT Tenant agrees to promptly notify Landlord of any claim, action, proceeding or suit instituted or threatened against Landlord. In the event Landlord is made a party to any action for damages which Tenant has herewith indemnified Landlord against, then Tenant shall pay all costs and shall provide effective counsel in such litigation or shall pay, at Landlord's option, the attorney's fees and costs incurred in connection with said litigation by Landlord.
- 3 LIABILITY INSURANCE Tenant agrees to procure and maintain, at Tenant's expense, public liability insurance with respect to Tenant's use and occupancy of the Leased Premises, with personal injury limits of not less than \$1,000,000.00 for injury or death to any one person, limits of not less than \$1,000,000.00 for injury or death in any single incident, and not less than \$250,000.00 for property damage. Furthermore, Tenant shall procure and maintain fire and extended coverage insurance which insures all of Tenant's property interest, inventory, furniture, fixtures and equipment located on the Leased Premises in a reasonable amount.

Said insurance shall name Tenant as insured and shall provide that it cannot be cancelled without at least thirty (30) days prior written notice to Landlord. From time to time upon Landlord's request, Tenant shall provide proof to Landlord that such insurance is then in force. Landlord agrees to carry fire insurance for the property of which the Leased Premises are a part in an amount not less than \$250,000.00 for property damage. Tenant covenants with Landlord that Landlord shall not be liable for damage or liability of any kind or for any injury to or death of persons or damage to property of Tenant

or for any other persons during the term of this Lease, from any cause whatsoever except for Landlord's negligent or willful act, by reason of the use, occupancy and enjoyment of the Leased Premises by Tenant or any person thereon or holding under Tenant, and that Tenant will indemnify and hold Landlord harmless from all liability whatsoever except for Landlord's negligent or willful acts on account of any such real or claimed damage or injury from all liens, claims and demands arising out of the use of the Leased Premises.

Landlord shall not be liable to Tenant for any business interruption or any loss or damage to property or injury to or death of any persons occurring in or about the Leased Premises, or in any manner growing out of or connected with Tenant's use and occupation of the Leased Premises or the condition thereof

- 4 PROPERTY OF TENANT Tenant agrees that all property owned by it in, on, or about the Leased Premises shall be at the sole risk and hazard of Tenant. Landlord shall not be liable or responsible for any loss of or damage to Tenant, or anyone claiming under or through Tenant, or otherwise, whether caused by or resulting from a peril required to be insured hereunder, or from water, steam, gas, leakage, plumbing, electricity or electrical apparatus, pipe or apparatus of any kind, the elements or other similar or dissimilar causes, and whether or not originating in the Leased Premises or elsewhere, irrespective of whether or not Landlord may be deemed to have been negligent with respect thereto, and provided such damage or loss is not the result of an intentional or willful act of Landlord.
- 5 WAIVER OF SUBROGATION Tenant agrees that, if any property owned by Tenant and located in the Leased Premises shall be damaged or destroyed by an insured peril, Landlord shall not have any liability to Tenant, nor to any insurer of Tenant, for or in respect of such damage or destruction. All policies of risk insurance carried by Tenant on Tenant's property in the Leased Premises will contain or be endorsed with a provision in and by which the insurer designated therein shall waive its right of subrogation against Landlord, unless such insurer requires the payment of an

additional premium for the waiver of subrogation provision or if the insurer is unwilling in any event to provide the waiver of subrogation provision.

- 6 STIPULATIONS The parties hereto further agree to have the following stipulation placed on any insurance policy regarding the subject property: "It is hereby stipulated that this insurance shall not be invalidated should the insured waive in writing, prior to any loss, any or all right of recovery against any party for loss occurring to the property described herein"

ARTICLE VI

- 1 PARTIAL DESTRUCTION In the event of the partial destruction of the Leased Premises (i.e., less than 50% of the value thereof as determined by Landlord), by fire or any other casualty, Landlord shall restore or repair said building and improvements with reasonable diligence. Landlord shall expend such sums as required to repair or restore improvements to substantially the same condition as existed immediately prior to the date of such damages. Rent payable by Tenant shall abate proportionate to that deemed destroyed by the Landlord to the extent that such damage or destruction renders the Leased Premises untenable, from the date of such damage or destruction until such Leased Premises are repaired or restored.
- 2 SUBSTANTIAL DESTRUCTION If the Leased Premises shall be so damaged by fire or other casualty as to be significantly destroyed or damaged (i.e., in excess of 50% of the value of the Leased Premises as determined by Landlord), then Landlord shall have the option to terminate this Lease by giving Tenant written notice within 45 days after such destruction and, in such event, any unearned rent theretofore paid shall be apportioned from the date of destruction and returned to Tenant. If Landlord does not elect to cancel this Lease as aforesaid, then the same shall remain in full force and effect and Landlord shall proceed with all reasonable diligence to repair and replace the Leased Premises to substantially the same condition as existed immediately prior to the date of such damage, and during the time said Leased

Premises are so destroyed and totally or partially untenable, the rent shall be abated in the manner provided for above. In the event the Leased Premises are not made tenable within 60 days after Landlord notifies Tenant that Landlord's insurance company has inspected the damage and has settled with the Landlord regarding the same, or 90 days after the date of such damage, whichever first occurs, Tenant shall have the option to terminate the Lease and obligations for any future rent which may be due under this Lease, provided such notice of exercise of said option to terminate is delivered within 110 days after expiration of the period provided fix herein.

- 3 TENANT LIABILITY Nothing contained in this Article VI shall diminish or otherwise affect the liability of Tenant or others for any costs or damages for which they may otherwise be liable under the terms hereof.

ARTICLE VII

ASSIGNMENT AND SUBLETTING

- 1 TENANT'S ASSIGNMENT Tenant shall not assign, transfer or encumber this Lease, nor sublet or allow any other tenant to come in with or under Tenant without the prior written consent of Landlord, subject to Landlord's sole discretion, the exercise of which shall include, but not be limited to, Landlord's consideration of the quality and kind of proposed use, its effect on other actual or contemplated uses in the building, and the proposed transferee's financial and other strength. Consent of Landlord to one assignment or subletting of the Leased Premises shall not constitute a waiver of Landlord's rights hereunder. In no event shall Tenant assign or sublet the Leased Premises or any portion thereof for any use which will violate any exclusive use rights granted to any other tenant in the building. Any assignment or subletting, notwithstanding the consent of Landlord, shall not in any manner release Tenant herein from its continued liability as Tenant for the performance of the provisions of this Lease. The acceptance of any rental payments by Landlord from any alleged

assignee shall not constitute approval of the assignment of this Lease by Landlord or waiver of any of its rights hereunder.

- 2 MINIMUM SUBLEASE RENTALS In the event of any approved assignment or subletting, the annual rental that shall be due from the sub lessee or assignee shall not be less than the rent provided for in Section 2 hereof and payable as provided for herein.
- 3 BANKRUPTCY Neither this Lease, nor any interest therein, nor any estate created hereby, shall pass to any trustee or receiver in bankruptcy, nor to any other receiver or assignee for the benefit of creditors or otherwise by operation of law.

ARTICLE VIII DEFAULT AND RE-ENTRY

- 1 TENANT'S DEFAULT Tenant shall be in default under the terms of this Lease if Tenant (i) fails to make any payments (including, but not limited to, payments for rent, taxes, utilities or insurance) within five (5) days of its due date; (ii) fails to promptly and faithfully keep and perform every covenant, condition, agreement and obligation of this Lease, other than payment of money, on the part of Tenant to be kept and performed for more than ten (10) days after written notice of such default shall have been given to Tenant. Tenant's default under this Lease shall, at the option of Landlord, cause the cancellation of Tenant's rights under this Lease, without, however, releasing Tenant from liability, as hereinafter provided, and if such default shall not be corrected within the applicable time period aforesaid, possession of the Leased Premises and all improvements thereon shall be delivered to Landlord and thereupon Landlord shall be entitled to and may take immediate possession of the Leased Premises, any other notice of demand being hereby waived. Tenant agrees to quit and deliver possession of the Leased Premises to Landlord or Landlord's assigns, successors or agents, when Tenant's rights are cancelled pursuant to the terms hereof, and Tenant agrees that the Leased Premises shall be in substantially the same or better order and in as good condition as received, normal wear and use excepted.

In addition to any other payments required hereunder, if Tenant fails to pay the rent or any other sums due hereunder within the time specified herein, such sums shall bear interest at the rate of Eighteen Percent (18%) per annum, and Tenant shall also pay to Landlord, as a late charge and additional rent, Five Percent (5%) of said payment amount, which shall be added to and be payable with the payment in default to which it relates.

Tenant covenants that any cancellation of Tenant's rights, or the annulment or voiding of this Lease, shall not relieve Tenant from the obligation to make the payments required hereunder. If any failure to make such payment is not cured pursuant to the terms set forth above, then, in addition to other rights provided under this Lease Agreement, Landlord may accelerate the payment of the balance of the rent due under this Lease and obtain judgment for the unpaid rental for the remainder of the term hereof, and for such other damage as Landlord may have suffered as a result of such default

Upon cancellation of Tenant's rights hereunder, as provided above, Landlord shall have the right to re-enter the Leased Premises to assume and take possession of the whole or any part thereof, and to remove all persons or personal property through legal action via court proceedings or otherwise, without being deemed guilty of trespass or other actionable wrong by reason thereof, and without being liable for any claims for damages therefore or in connection therewith. Tenant or anyone in possession of the Leased Premises claiming under Tenant shall be deemed guilty of unlawful detainer and subject to such action as may be provided by law if Tenant or such other person shall fail to comply with the terms hereof

Exercise by Landlord of any of its rights as provided above shall not be deemed to be acceptance of the Leased Premises from Tenant in such manner as would cause Tenant to be released of any of its obligations hereunder, and Tenant shall not be released from any such obligations under any circumstances unless Landlord explicitly so agrees in writing.

- 2 LEGAL REMEDIES Notwithstanding the provisions of this Lease, it is agreed between the parties that the remedies provided for herein in the

event of breach or default on the part of Tenant are in addition to and not in lieu of any other remedies or relief made available to Landlord under the law of the state in which the Leased Premises are located, which latter remedies or relief shall be available to Landlord in the event of a breach of any of the terms of this Lease.

- 3 **ATTORNEY'S FEES** In the event any action or proceeding is brought by either party against the other under this Lease the prevailing party, whether by judgment or out of court settlement, shall be entitled to recover its court costs and reasonable attorneys' fees in such action or proceeding, including costs of appeal, if any, plus court costs and other expenses of litigation.

It is agreed that Laramie County, Wyoming, is the proper place of venue and jurisdiction for any such action as relates to this Lease Agreement.

ARTICLE IX

EMINENT DOMAIN

- 1 **PARTIAL TAKING** If a portion of the Leased Premises shall be taken as herein provided for public improvements or otherwise under the exercise of the right of eminent domain and the remaining premises shall continue to be reasonably suitable for the use which is herein authorized, then the rental herein provided shall be reduced from the date of such taking in direct proportion to the reduction in usefulness of the Leased Premises.
- 2 **SUBSTANTIAL TAKING** If real estate hereby leased or a part thereof sufficient to render the Leased Premises wholly unfit for the use herein authorized shall be condemned or acquired by grant or otherwise, for the widening of streets or for other public improvements, or shall otherwise be taken in the exercise of the right of eminent domain, Tenant shall have the right, at Tenant's option, to terminate and cancel this Lease on thirty (30) days' written notice to Landlord, and, in such event, Tenant shall be liable only for rents and other charges accrued and earned to the date of surrender of Agreement, including estoppel

certificates in a form required by said lender. which certificates may include information as to any modifications of this Lease, dates of commencement of term and termination date of Lease, and that, to the extent the same is accurate, the Lease is in full force and effect and that Landlord and , and or Tenant, is not in default of any terms hereof.

ARTICLE X HOLDING OVER

Any holding over after the expiration of the extended term with the consent of Landlord shall be construed to be a tenancy from month to month at the last rental rate scheduled in ARTICLE II, times one hundred five percent (105%), plus CAM charges. Any holding over after the expiration of the term without the consent of Landlord shall be immediately terminable by Landlord, and Tenant will pay one-hundred twenty five Percent (125%) of the rents herein specified for the period of any such holdover, plus all applicable CAM charges.

ARTICLE XI NO PARTNERSHIP

It is understood that Landlord is not in any way a partner or joint venture with Tenant in the conduct of Tenant's business.

ARTICLE XII PARTIAL INVALIDITY

If any term or condition of this Lease or the application thereof to any person or event shall to any extent be invalid and unenforceable, the remainder of this Lease in the application of such term, covenant, or condition to persons or events other than those to which it is held invalid or unenforceable shall not be affected and each term, covenant, and condition of this Lease shall be valid and be enforced to the fullest extent permitted by law.

ARTICLE XIII

SUCCESSORS

The provisions covenants, and conditions of this lease shall bind and inure to the benefit of the legal representatives, successors and assigns of each of the parties, except that no assignment or subletting by Tenant without the written consent of Landlord shall vest any right in the assignee or sub lessee of Tenant
